

July 10, 2007

This year the Valley Green Learning Center celebrated Neighborhood Networks Week with a variety of activities for our residents and community. Valley Green Apartments are located in the small college town of Buckhannon, in central West Virginia. Valley Green Apartments houses over 300 residents in 120 apartment units. We are honored to be a part of Neighborhood Networks.

We began our celebration on Tuesday, June 26 with a Coloring Contest provided by Neighborhood Networks, an Art Mural, Bicycle Safety, Resume building session and a Tobacco Prevention Workshop. On Wednesday we held a Senior Computer session and a computer Scavenger Hunt for children to complete and learn about Internet safety.

Thursday, June 28 the Valley Green Learning Center held an Open House Event for all residents, neighboring sites, community agencies and individuals. Our Open House was from 11-12 and provided information to our guests. Several community agencies attended as well as our neighboring site, Jane Lew. Also in attendance were several residents of Valley Green Apartments and our Resident Organization. There was an abundance of information sharing, networking and making new friends. We provided guests with an informational brochure about the Learning Center and what we offer our community. All guests participated in the judging of the coloring contest and enjoyed delicious refreshments. Each guest was given the opportunity to enter our drawing for a door prize.

Everyone enjoyed their visit to Valley Green Learning Center and left with a feeling of optimism for our community. New friends were made and minds were filled with useful information! We look forward to celebrating in the years to come.

Sincerely,

Nichole Fridley
Social Services Coordinator

ART MURAL FOR OPEN HOUSE

Several residents worked very hard to complete this art mural. We used it as a decoration for Open House.

The finished product. What a Wonderful job!!!
