Multifamily Housing Hub and Program Center Structures in TRACS ..... A-2

## **Appendix A: Multifamily Housing Hub and Program Center Structure**

Due to HUD's reorganization, the coding systems for the revised structure has not stabilized. Until the structure has stabilized, please contact your local HUD Field Office if you require the office codes.

TRACS does not require the submission of Field Office Codes with Tenant or Voucher/Payment transactions at this time. The codes are obtained from the TRACS Contract System maintained by the Field Offices.
