OFFICE OF LEAD HAZARD CONTROL
AND HEALTHY HOMES

MEMORANDUM FOR: Matthew E. Ammon, Director,
Office of Lead Hazard Control and Healthy Homes, L

FROM: Yolanda Brown, Programs Division Director,
Office of Lead Hazard Control and Healthy Homes, LM

SUBJECT: Environmental Assessment and Finding of No Significant Impact
under the National Environmental Policy Act — Notice of
Funding Opportunity for Fiscal Year 2023: **Healthy Homes
Production Grant Program FR-6700-N-44**

It is the finding of this Office that the publication of the attached Notice of Funding Opportunity (NOFO) for the Healthy Homes Production Grant Program, described by the attached funding notice FR-6700-N-44, does not constitute a major federal action having an individual or cumulative significant effect on the human environment, and therefore does not require the preparation of an Environmental Impact Statement.

The notice sets out the guidance to govern the Healthy Homes Production Grant Program, which is authorized under Section 501 and Section 502 of the Housing and Urban Development Act of 1970 (12 U.S.C. § 1701z-1 and 1701z-2), and funding is provided by the Consolidated Appropriations Act, 2023, Public Law 117-328, approved December 29, 2022.

This brief Environmental Assessment and Finding of No Significant Impact provides verification that the attached Environmental Assessment and FONSI for FR-6600-N-44, remains applicable to this funding notice (FR-6700-N-44).
