I. FUNDING OPPORTUNITY DESCRIPTION

A. Program Description

1. Purpose

This Notice of Funding Opportunity (NOFO) announces the availability of the Indian Housing Block Grant (IHBG)--Competitive Grant Program.

The IHBG program is authorized under Title I of the Native American Housing Assistance and Self-Determination Act of 1996, as amended, (25 U.S.C. 4101 et seq.) (NAHASDA). Under the program, eligible Indian tribes and tribally designated housing entities (TDHEs) receive grants to carry out a range of affordable housing activities. Grant funds may be used to develop, maintain, and operate affordable housing in safe and healthy environments on Indian reservations and in other Indian areas and carry out other affordable housing activities. Grant funds must be used to benefit low-income Indian families, except under some circumstances as provided in section 201(b) of NAHASDA.

In the Consolidated Appropriations Act 2023 (Public Law 117-328), (Appropriations Act) approved December 29, 2022, Congress provided a total of \$150,000,000 for competitive grants to eligible IHBG recipients authorized under NAHASDA in addition to formula-based funding. This NOFO describes the criteria that HUD will use to award IHBG Competitive grants, and outlines program requirements.

In January 2017, HUD released a study entitled, “Housing Needs of American Indians and Alaska Natives in Tribal Areas: A Report from the Assessment of American Indian, Alaska Native, and Native Hawaiian Housing Needs.” Among the findings, the study found that conditions for tribal households are substantially worse than other U.S. households, with overcrowding in tribal areas being especially severe. The study noted that in the 2013-2015 period alone, 68,000 new units would have been necessary to help eliminate overcrowding and replace physically deteriorating units. Additional information is available at: <https://www.huduser.gov/portal/pdredge/pdr-edge-research-022117.html>.

The Department recognizes that this additional IHBG funding provides an opportunity to fund strong and viable affordable housing projects in Indian Country. These projects could begin to address the concerns identified in the study.

In accordance with the Appropriations Act, HUD will give priority to projects that spur construction and rehabilitation of housing, while considering housing need and the recipient's administrative capacity. HUD strongly encourages new affordable housing construction projects that will increase the number of housing units available for low-income Indian families and help address the housing shortage in Indian Country. Additionally, HUD encourages housing rehabilitation projects that will increase the useful life of existing affordable housing units and alleviate substandard housing conditions. HUD also encourages the acquisition of existing housing units that increases housing stock and necessary affordable housing-related infrastructure projects that will enable future construction or rehabilitation.

Finally, Indian tribes and TDHEs that are applying for funding under this NOFO are encouraged to propose projects that are part of a comprehensive plan to address housing conditions in their communities, including overcrowding, physically deteriorating units, and housing that is inaccessible for individuals with disabilities as appropriate. Applicants should also engage in long-term planning and ensure that the project being proposed is part of a holistic plan that considers planned future infrastructure development, economic development opportunities, and more.

All applications received through this NOFO that pass initial application screening and threshold review will be rated. Funds will be awarded in rank order based on the score received on the application submitted under this NOFO. HUD reserves the right to issue a supplemental or independent NOFO if necessary (e.g., to ensure that all appropriated funds are awarded). Grantees must comply with the requirements of NAHASDA and 24 CFR part 1000.

The Office of Native American Programs (ONAP) within HUD's Office of Public and Indian Housing will administer this program.

2. HUD and Program-Specific Goals and Objectives

This NOFO supports [HUD's Strategic Plan for Fiscal Years \(FY\) 2022-2026](#) to accomplish HUD's mission and vision. Each of the five goals in the [Strategic Plan](#) include what HUD hopes to accomplish, the strategies to accomplish those objectives, and the indicators of success. However, of the five goals only those applicable to this NOFO are identified below.

You are expected to align your application to the applicable strategic goals and objectives below. Use the information in this section to describe in your application the specific goals, objectives, and measures that your project is expected to help accomplish. If your project is selected for funding, you are also expected to establish a plan to track progress related to those goals, objectives, and measures. HUD will monitor compliance with the goals, objectives, and measures in your project.

Applicable Goals and Objectives from HUD's Strategic Plan

1. Strategic Goal 2: Ensure Access to and Increase the Production of Affordable Housing

Ensure housing demand is matched by adequate production of new homes and equitable access to housing opportunities for all people.

2. 4A: Guide Investment in Climate Resilience

Invest in climate resilience, energy efficiency, and renewable energy across HUD programs.

3. 4B: Strengthen Environmental Justice

Reduce exposure to health risks, environmental hazards, and substandard housing, especially for low-income households and communities of color.

4. 4C: Integrate Health and Housing

Advance policies that recognize housing's role as essential to health.

The goal is to increase the affordable housing inventory for low-income Native American families.

Funding Opportunity Goals This funding opportunity seeks to increase affordable housing inventory for low-income Native American families by giving priority to projects that spur construction and rehabilitation, while considering need and administrative capacity, encouraging new affordable housing construction projects, encouraging housing rehabilitation projects that will increase the useful life of existing affordable housing units and alleviate substandard housing conditions, and encouraging the acquisition of existing housing units that will increase the housing stock and necessary affordable housing-related infrastructure projects that will enable future construction or rehabilitation.

This plan is completed by engaging in a participatory process to assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions with funding from formula grant programs. Funding of approximately **\$150,874,000** is available through this NOFO.

Additional funds may become available for award under this NOFO consistent with Section VI.A.2.e., Adjustments to Funding. Use of these funds is subject to statutory constraints. All awards are subject to the funding restrictions contained in this NOFO.

Congress appropriated \$150 million for the IHBG Competitive Grant Program in FY 2023. A maximum grant amount of \$7,500,000, and a minimum grant amount of \$500,000 has been established by HUD.

If your application requests more than the maximum applicable grant amount under this NOFO, then your application will not be reviewed. See Section III.D.4. Applicants must clearly document the amount requested under this NOFO on line 18a of the Application for Federal Assistance (SF-424). See Section IV.B.2.a. for guidance.

All applications received through this NOFO that pass the initial application screening and threshold requirements will be rated and ranked. Funds will be awarded in rank order based on the score received on the application submitted under this NOFO.

HUD reserves the right to issue a supplemental or independent NOFO if necessary (e.g., to ensure that all appropriated funds are awarded).

Grant Ceiling.

HUD has adopted grant ceiling categories for IHBG Competitive awards based on population of tribes. To determine award ceilings, HUD will utilize FY 2023 formula data to access the population numbers for each funded applicant. For TDHE applicants, HUD will combine the FY 2023 formula data population numbers for each tribe served by the TDHE to determine the ceiling for the grant award. You should contact your Area Office prior to submitting your application to confirm the population that HUD will use to determine the ceiling.

Applications may include more than one project, but the entire grant may not exceed the limits listed below for the population of your tribe. Please see the table below:

Population	Ceiling
------------	---------

50,001 +	\$7,500,000
10,501 – 50,000	\$6,000,000
7,501 – 10,500	\$4,500,000
7,500 and below	\$3,000,000

III. ELIGIBILITY INFORMATION

A. Eligible Applicants

07 (Native American tribal governments (Federally recognized))

11 (Native American tribal organizations (other than Federally recognized tribal governments))

Additional Information on Eligibility

The following entities are eligible to apply:

- Indian Tribes (as defined under section 4(13) of NAHASDA) and; Tribally Designated Housing Entities (TDHEs) (as defined under 4(22) of NAHASDA) that have ever been allocated formula funding.

Applications submitted by a TDHE on behalf of an Indian tribe(s) must include a tribal certification(s) or resolution(s) on official letterhead authorizing the TDHE to apply on behalf of the tribe(s). HUD will accept existing Indian Housing Plan (IHP) certifications that state that the tribe has delegated to the TDHE the authority to submit an IHP or application on behalf of the tribe without prior review by the tribe. The certification(s) or resolution(s) must be submitted with the application. See Section IV.B.2.1.

An Indian tribe that authorizes a TDHE to apply on its behalf may not also submit its own application for funding. If an Indian tribe submits an application (in addition to its authorized TDHE application), the tribe's application will not be evaluated.

Subawards: Eligible applicants may make subawards to other entities under this NOFO. In this instance, HUD will assess the entity listed on the SF-424 throughout this competition.

Alaska Tribes Only: Pursuant to Section 211 of the General Provisions in the 2023 Appropriations Act, only Native Alaskan Indian Housing Block Grant recipients that received IHBG grants in Fiscal Year 2005 are eligible to apply directly for funding under this NOFO. Native Alaskan tribes that are required to designate a Tribally Designated Housing Entity (TDHE) in Alaska for their IHBG formula program may not apply directly for funding under this competition. Native Alaskan tribes that choose to but are not required to designate a TDHE in Alaska for its IHBG formula program may apply for IHBG competitive funds directly.

B. Ineligible Applicants

HUD does not award grants to individuals. HUD will not evaluate applications from ineligible applicants.

C. Cost Sharing or Matching

This Program does not require cost sharing or matching.

Cost sharing, mandatory matching or leveraging is not required under this grant.

D. Threshold Eligibility Requirements

Applicants who fail to meet any of the following threshold eligibility requirements are deemed ineligible. Applications from ineligible applicants are not rated or ranked and will not receive HUD funding.

1. Resolution of Civil Rights Matters

Outstanding civil rights matters must be resolved before the application submission deadline. Applicants with unresolved civil rights matters at the application deadline are deemed ineligible. Applications from ineligible applicants are not rated or ranked and will not receive HUD funding.

a. An applicant is ineligible for funding if the applicant has any of the charges, cause determinations, lawsuits, or letters of findings referenced in subparagraphs (1) – (5) that are not resolved to HUD’s satisfaction before or on the application deadline date for this NOFO.

(1) Charges from HUD concerning a systemic violation of the Fair Housing Act or receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of a substantially equivalent state or local fair housing law proscribing discrimination because of race, color, religion, sex (including sexual orientation and gender identity), national origin, disability or familial status;

(2) Status as a defendant in a Fair Housing Act lawsuit filed by the United States alleging a pattern or practice of discrimination or denial of rights to a group of persons raising an issue of general public importance under 42 U.S.C. 3614(a);

(3) Status as a defendant in any other lawsuit filed or joined by the Department of Justice, or in which the Department of Justice has intervened, or filed an amicus brief or statement of interest, alleging a pattern or practice or systemic violation of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Americans with Disabilities Act, Violence Against Women Act, or a claim under the False Claims Act related to fair housing, non-discrimination, or civil rights generally including an alleged failure to affirmatively further fair housing;

(4) Receipt of a letter of findings identifying systemic non-compliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974; Violence Against Women Act; or the Americans with Disabilities Act; or

(5) Receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of provisions of a state or local law prohibiting discrimination in housing based on sexual orientation, gender identity, or lawful source of income.

b. HUD will determine if actions to resolve the charge, cause determination, lawsuit, or letter of findings taken before the application deadline date will resolve the matter. Examples of actions that may be sufficient to resolve the matter include, but are not limited to:

(1) Current compliance with a voluntary compliance agreement signed by all the parties;

(2) Current compliance with a HUD-approved conciliation agreement signed by all the parties;

- (3) Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;
- (4) Current compliance with a consent order or consent decree;
- (5) Current compliance with a final judicial ruling or administrative ruling or decision; or
- (6) Dismissal of charges.

2. Timely Submission of Applications

Applications submitted after the deadline stated within this NOFO that do not meet the requirements of the grace period policy are marked late. Late applications are ineligible and are not considered for funding. See Section IV. D. Application Submission Dates and Times.

3. Number of Applications and Eligible Activity Project(s)

Each eligible applicant may only submit one application under this NOFO, which may include one project or multiple projects. If an applicant submits more than one application under this NOFO, then HUD will only accept the last application submitted by the application deadline specified in Section IV.D.-Application Submission Dates and Times specified in this NOFO. Also, if a TDHE serves as an umbrella organization for multiple tribes the TDHE may only submit one application under this NOFO.

Regardless of whether your application proposes one or multiple projects with funding under this NOFO, your application may not receive a grant that exceeds the **applicable** maximum grant amount set under this NOFO. If your application requests more than the maximum applicable grant amount under this NOFO, the application will not be reviewed. See Section III.D.4. Additionally, if your application proposes multiple projects, HUD will evaluate all projects covered in the application together and will not separately score each project proposed.

An Indian tribe that authorizes a TDHE to apply on its behalf may not also submit its own application for funding. If an Indian tribe submits an application (in addition to its authorized TDHE application), the tribe's application will not be evaluated.

4. Grant Ceiling

If your application requests more than the maximum applicable grant amount of \$7,500,000 under this NOFO, then the application will not be reviewed. Your application must clearly document the amount requested under this NOFO on line 18a of the Application for Federal Assistance (SF-424). See Section IV.B.2.a. for guidance.

HUD has integrated grant ceiling categories for IHBG Competitive awards based on population of tribes awarded. This NOFO will award applications with primarily FY 2023 funding.

Applications may include more than one project, but the entire grant may not exceed the limits listed below for the population of your tribe. Please see Section II.A for guidance.

5. Rating Factors Thresholds

Your application must receive a minimum combined score of 35 points for Rating Factor 1-Capacity of the Applicant and Rating Factor 2-Need, and a minimum of 20 points for Rating Factor 3-Soundness of Approach. HUD will complete an initial screening of applicants and

confirm data as laid out in V.B.3.k before determining whether the applicant meets the minimum scores required to meet threshold. Applicants who do not meet the minimum score for each of these rating factors and an overall score of 75 points (without the addition of Preference Points) will be ineligible to receive a grant under this competition.

6. Workplan Narrative

Your application must include a Workplan Narrative, which is the response all five rating factors listed in Section V of this NOFO and encompasses the proposed IHBG Competitive project(s). You will be required to submit a Workplan Narrative in your grant submissions. Failure to submit a Workplan Narrative will result in your application being determined ineligible.

E. Statutory and Regulatory Requirements Affecting Eligibility

Eligibility Requirements for Applicants of HUD's Financial Assistance Programs

The following requirements affect applicant eligibility. Detailed information on each requirement is found in the [“Eligibility Requirements for Applicants of HUD's Financial Assistance Programs” document on HUD's Funding Opportunities page.](#)

- Universal Identifier and System for Award Management (SAM.gov) Requirements
- Outstanding Delinquent Federal Debts
- Debarments or Suspensions, or both
- Mandatory Disclosure Requirement
- Pre-selection Review of Performance
- Sufficiency of Financial Management System
- False Statements
- Prohibition Against Lobbying Activities

In addition, each applicant under this NOFO must have the necessary processes and systems in place to comply with the Award Term in Appendix A of [24 CFR part 170](#) if the applicant receives an award, unless an exception applies as provided in [2 CFR170.110](#).

F. Program-Specific Requirements

Compliance with Fair Housing and Civil Rights Laws. Nondiscrimination requirements are outlined in 24 CFR 1000.12. Actions under NAHASDA by Federally recognized Indian tribes and their instrumentalities are subject to the requirements of Title II of the Civil Rights Act of 1968, known as the Indian Civil Rights Act, in addition to the Age Discrimination Act of 1975, Section 504 of the Rehabilitation Act of 1973, and HUD's Equal Access requirements ((24 CFR 5.105(a)(2) and 24 CFR Part 46)). Title VI of the Civil Rights Act of 1964 and Title VIII of the Civil Rights Act of 1968 (the Fair Housing Act), including the obligation to Affirmatively Further Fair Housing apply to recipients that are not Federally recognized Indian tribes and their instrumentalities.

Equity in Federal Government Activities. It is the policy of the Federal Government to pursue a comprehensive approach to advancing equity for all, including people of color and others who have been historically underserved, marginalized, and adversely affected by persistent poverty

and inequality. Affirmatively advancing equity, civil rights, racial justice, and equal opportunity is the responsibility of the whole of our government. Because advancing equity requires a systematic approach to embedding fairness in the Federal funding programs, the Agencies administering such programs must ensure that recipients and their subrecipients, contractors, and other participating entities make an affirmative effort to identify, obtain the participation of, and benefit persons in historically underserved, marginalized, and adversely affected populations. See <https://www.whitehouse.gov/briefing-room/presidential-actions/2021/01/20/executive-order-advancing-racial-equity-and-support-for-underserved-communities-through-the-federal-government>.

Advancing Racial Equity

In accordance with Executive Order [13985](#), *Executive Order On Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*, and federal fair housing and civil rights laws, you must submit a narrative demonstrating the following:

- You analyzed the racial composition of the persons or households who are expected to benefit from your proposed grant activities;
- You identified any potential barriers to persons or communities of color equitably benefiting from your proposed grant activities;
- You detailed the steps you will take to prevent, reduce or eliminate these barriers; and
- You have measures in place to track your progress and evaluate the effectiveness of your efforts to advance racial equity in your grant activities.

Note that any actions taken in furtherance of this section must be consistent with federal nondiscrimination requirements.

Due to the unique nature of the IHBG program and its specific focus on serving tribal communities, underserved communities including Black and Brown people will be the primary beneficiaries of all grant activities. If applicants believe there are potential barriers to Black and Brown people and communities equitably benefiting from proposed grant activities, they should identify those barriers, detail steps to prevent, reduce, or eliminate those barriers, and identify how they will measure, track progress, and evaluate the effectiveness of efforts to overcome those barriers.

G. Criteria for Beneficiaries.

The beneficiaries of funds awarded under the IHBG Competitive program are families that meet the criteria of NAHASDA and 24 CFR 1000.104.

As of April 4, 2022, entities doing business with the federal government must use the UEI created in SAM.gov. Also, you must provide a valid UEI, registered and active at www.sam.gov in the application. For more information, see: <https://www.gsa.gov/about-us/organization/federal-acquisition-service/office-of-systems-management/integrated-award-environment-iae/iae-systems-information-kit/unique-entity-identifier-update>.

3. Requirement to Register with Grants.gov

Anyone planning to submit applications on behalf of an organization must register at Grants.gov and be approved by the E-Biz POC in SAM to submit applications for the organization. Registration for SAM and Grants.gov is a multi-step process and can take four (4) weeks or

longer to complete if data issues arise. Applicants without a valid registration cannot apply through Grants.gov. Complete registration instructions and guidance are provided on Grants.gov.

D. Application Submission Dates and Times

1. Application Due Date Explanation

The application deadline is 11:59:59 PM Eastern time on

04/19/2024

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit a paper application. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

“Received by Grants.gov” means the applicant received a confirmation of receipt and an application tracking number from Grants.gov. Grants.gov then assigns an application tracking number and date-and timestamp each application upon successful receipt by the Grants.gov system. A submission attempt not resulting in confirmation of receipt and an application tracking number is not considered received by Grants.gov.

Applications received by Grants.gov must be validated by Grants.gov to be received by HUD.

“Validated by Grants.gov” means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting “Applicants” from the top navigation, and selecting “Track my application” from the dropdown list. If the application status is “rejected with errors,” you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in “rejected with errors” status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after applying.

HUD strongly recommends you submit your applications at least **48 hours before the deadline** and during regular business hours to allow enough time to correct errors or overcome other problems.

2. Grants.gov Customer Support

Grants.gov provides customer support information on its website at <https://www.grants.gov/web/grants/support.html>. If you have difficulty accessing the application and instructions or have technical problems, contact Grants.gov customer support center by calling (800) 518-GRANTS (this is a toll-free number) or by sending an email to support@grants.gov. The customer support center is open 24 hours a day, seven days per week, except Federal holidays. Individuals who are deaf or hard of hearing, or who have speech and other communication disabilities may use a relay service to reach Grants.gov Customer Support. To learn more about how to make an accessible telephone call, visit the [webpage for Federal Communications Commission](#).

3. Grants.gov Application Submission

You can verify the contents of your submitted application to confirm Grants.gov received everything you intended to submit. To verify the contents of your submitted application:

- Log in to Grants.gov.

- Click the Check Application Status link, which appears under the Grant Applications heading in the Applicant Center page. This will take you to the Check Application Status page.
- Enter search criteria and a date range to narrow your search results.
- Click the Search button. To review your search results in Microsoft Excel, click the Export Data button.
- Review the Status column. To view more detailed submission information, click the Details link in the Actions column.
- To download the submitted application, click the Download link in the Actions column.

Take note of the Grants.gov tracking number, as it is needed by the Grants.gov customer support center should you seek their assistance.

HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially declared disaster in the applicant's area.

If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants. HUD will also publish the extension on Grants.gov.

In determining whether to grant a request for an extension based on a presidentially declared disaster, HUD will consider the totality of the circumstances including the date of an applicant's extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

NOTE: Busy servers, slow processing, large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

4. Amending or Resubmitting an Application

Before the submission deadline, you may amend a validated application through Grants.gov by resubmitting a revised application containing the new or changed material. The resubmitted application must be received and validated by Grants.gov by the applicable deadline.

If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

5. Grace Period for Grants.gov Submissions

If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected, received, and validated application through Grants.gov. The date and time stamp on the Grants.gov system determines the application receipt time. Any application submitted during the grace period but not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

6. Late Applications

An application received after the NOFO deadline date that does not meet the Grace Period requirements will be marked late and will not be reviewed by HUD for funding

consideration. Improper or expired registration and password issues are not sufficient causes to allow HUD to accept applications after the deadline date.

7. Corrections to Deficient Applications

HUD will not consider information from applicants after the application deadline except for curable deficiencies.

HUD will uniformly notify applicants of each curable deficiency. See curable deficiency definition in section I.A of this NOFO. Examples of curable (correctable) deficiencies include inconsistencies in the funding request and failure to submit required certifications. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized organization representative identified on the SF-424 Application for Federal Assistance via email. This email is the official notification of a curable deficiency.

You must email corrections of Curable Deficiencies to applicationsupport@hud.gov within the time limits specified in the notification. The time allowed to correct deficiencies will be no less than 48 hours and no more than 14 calendar days from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD. If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters are closed, then the applicant's correction must be received on the next business day HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to applicationsupport@hud.gov must state: Technical Cure and include the Grants.gov application tracking number or the GrantSolutions application number (e.g., Subject: Technical Cure - GRANT123456 or Technical Cure - XXXXXXXXXXXX). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application containing the wrong UEI as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a UEI and active registration in SAM will render the application ineligible for funding.

8. Authoritative Versions of HUD NOFOs

The version of this NOFO posted on Grants.gov includes the official documents HUD uses to solicit applications.

9. Exemptions

Parties that believe the requirements of the NOFO would impose a substantial burden on the exercise of their religion should seek an exemption under the [Religious Freedom Restoration Act](#) (RFRA).

E. Intergovernmental Review

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions

1. Eligible activities: Projects funded under this NOFO are limited to eligible affordable housing activities, except for model activities, consistent with Section 202 of NAHASDA. Model activities under Section 202(6) of NAHASDA are ineligible under this NOFO.

2. Administrative and planning expenses: All recipients that are awarded a grant under this NOFO may use up to 20 percent of the grant award for IHBG-eligible, project-related administrative and planning expenses, as required in 24 CFR 1000.238. Administrative and planning expenses include but are not limited to costs of overall project management including administration of the grant, coordination of grant monitoring and evaluation, and preparation of grant reports, as defined in 24 CFR 1000.236. A detailed breakdown of these costs must be included in the Budget Narrative.

3. Pre-award costs: With the exception of proposal costs incurred to prepare an application for submission under this NOFO, all costs must be incurred within the period of performance dates established in the IHBG Competitive grant agreement. Please review Section III.D for reference. Applicants requesting reimbursement of proposal costs associated with the preparation of the IHBG Competitive application must clearly identify this amount and activity in the narrative. If successful, any proposal costs incurred that are reimbursed with grant funds will count towards the applicant's administration and planning cap.

4. Consultant Cap: In accordance with 24 CFR 1000.26(b)(2), IHBG Competitive Grant funds may not be used, directly or indirectly, to pay or provide reimbursement for payment of compensation to a consultant in an employer-employee type of relationship at more than the daily equivalent of the rate paid for the Level IV of the Executive Schedule (For example, the 2023 rate is \$88.22/hr, \$705.77/day). For more information on the Executive Schedule, please see the [Office of Personnel Management \(OPM\) website](#):

5. Investment of IHBG competitive funds: IHBG Competitive Grant funds awarded under this NOFO may not be invested pursuant to section 204(b) of NAHASDA. Applications that propose to invest IHBG Competitive Grant funds will not be funded.

6. Title VI Loan Guarantees: IHBG Competitive Grant funds awarded under this NOFO may not be used for guarantees under Title VI of NAHASDA. Applications that propose to use funds for this purpose will not be funded.

Indirect Cost Rate

Applicants other than state and local governments. If you have a Federally negotiated indirect cost rate, your application must clearly state the approved rate and distribution base and must include a letter or other documentation from the cognizant agency showing the approved rate. If your organization does not have a current negotiated rate (including provisional rate) and elects to use the de minimis rate, your application must clearly state you intend to use the de minimis

rate of 10% of Modified Total Direct Costs (MTDC), as defined at 2 CFR 200.1. Costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both, as described in 2 CFR 200.403. Once elected, the de minimis rate must be applied consistently for all Federal awards until the organization chooses to negotiate a rate, which the organization may apply to do at any time. Documentation of the decision to use the de minimis rate must be retained on file for audit.

As further explained below, this program is subject to a statute or regulation that imposes indirect cost rate restrictions that are different from the indirect cost rate requirements in 2 CFR 200.

G. Other Submission Requirements

1. Standard Application, Assurances, Certifications and Disclosures

Standard Form 424 (SF-424) Application for Federal Assistance

The SF-424 is the government-wide form required to apply for Federal assistance programs, discretionary Federal grants, and other forms of financial assistance programs. You must complete and submit the form with the other required forms and information as directed in this NOFO.

By signing the forms in the SF-424 either through electronic submission or in paper copy submission (for those granted a waiver), you and the signing authorized organization representative affirm that you both have reviewed the certifications and assurances associated with the application for Federal assistance and (1) are aware the submission of the SF-424 is an assertion that the relevant certifications and assurances are established and (2) acknowledge that the truthfulness of the certifications and assurances are material representations upon which HUD will rely when making an award to the applicant. If it is later determined the signing authorized organization representative to the application made a false certification or assurance, caused the submission of a false certification or assurance, or did not have the authority to make a legally binding commitment for the applicant, the applicant and the individual who signed the application may be subject to administrative, civil, or criminal action. Additionally, HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to Federally recognized Indian tribes, or Alaskan native villages and those applicable to applicants other than Federally recognized Indian tribes, or Alaskan native villages.

Assurances (HUD 424-B)

By submitting your application, you provide assurances that, if selected to receive an award, you will comply with U.S. statutory and other requirements, including, but not limited to civil rights requirements. All recipients and subrecipients of the award are required to submit assurances of compliance with federal civil rights requirements. *See, e.g.,* Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, Violence Against Women Act, and the Age Discrimination Act of 1975; *see also* [24 C.F.R. §§ 1.5; 3.115; 8.50; and 146.25](#). HUD accepts these assurances in the form of the HUD 424-B, which also require compliance with HUD Reform Act requirements and all general federal nondiscrimination requirements in the administration of the federal assistance award.

Applicant Disclosure Report Form 2880 (HUD 2880)

The form HUD 2880 is required if you are applying for assistance within the jurisdiction of HUD to any project subject to Section 102(d) of the [HUD Reform Act](#). Assistance is provided directly by HUD to any person or entity, but not to subrecipients. It includes assistance for the acquisition, rehabilitation, operation, conversion, modernization, renovation, or demolition of any property containing five or more dwelling units that is to be used primarily for residential purposes. It includes assistance to independent group residences, board and care facilities, group homes and transitional housing but does not include primarily nonresidential facilities such as intermediate care facilities, nursing homes and hospitals. It also includes any change requested by a recipient in the amount of assistance previously provided, except changes resulting from annual adjustments in Section 8 rents under Section 8(c)(2)(A) of the United States Housing Act of 1937 ([42 U.S.C. 1437f](#)). [See HUD Reform Act regulation for additional information.](#)

Code of Conduct

Both you, as the award recipient, and all subrecipients must have a code of conduct (or written standards of conduct). The code of conduct must comply with the requirements included in the “Conducting Business in Accordance with Ethical Standards” section of the [Administrative, National and Department Policy Requirements and Terms for HUD Financial Assistance Awards](#), as well as any program-specific requirements. These requirements include ethical standards related to conflicts of interest for procurements in [2 CFR 200.318\(c\)](#) and [2 CFR 200.317](#), as well as HUD-specific conflict of interest standards. HUD maintains a list of organizations that have previously submitted written standards of conduct on its [Code of Conduct for HUD Grant Programs webpage](#). But it is your responsibility to ensure that the standards are compliant with the noted requirements and that HUD has the latest version of the written standards. Updated written standards should be submitted with the application. Any updates to your written standards, after the application period, should be submitted as directed by the HUD program contact for this NOFO.

Rating Factor 1: Capacity of the Applicant		Maximum Points: 23

You must demonstrate in the Workplan Narrative and supporting attachments that you possess the managerial, technical, and/or administrative capacity necessary to carry out the proposed project. Material provided in the attachments must support the rating factor information and will not be used in lieu of information provided in response to the rating factor criteria.

Supporting attachments may include, but are not limited to, written summaries of qualifications and past experience of proposed staff, descriptions of staff responsibilities, and references or letters of endorsement from others who have worked with the proposed staff.

Do not submit job descriptions or resumes. Do not submit Social Security Numbers of any personnel or consultants.

--	--------------------------

You must provide a description of the roles and responsibilities, and knowledge and experience, of the key staff who will plan, manage, and implement the project(s) that will be funded with the IHBG Competitive Grant. Do not list tribal organizations (e.g., Tribal Councils, Board of Commissioners), contractors, or consultants for this Subfactor. Each key staff must be individually described in the Workplan Narrative.

Knowledge and experience will be judged in terms of recent, relevant and successful experience for each key staff. In rating this factor, HUD will consider the following:

- Recent: Experience within the last 5 years;
- Relevant: Experience pertaining to the specific activities being proposed or the specific roles and responsibilities described in the application; and
- Successful: Specific accomplishments pertaining to the activities being proposed or the roles and responsibilities described in the application. Evidence of success could include a description of key outcomes, outputs, or completed projects. You must also provide a capacity gap assessment that identifies whether there are any gaps in capacity for managing and implementing the proposed project. This could include key staffing needs

for the project or the capacity of current staff to manage and implement the proposed project.

If there are identified gaps, you must provide a detailed assessment and plan for addressing the identified gaps (e.g., hiring more staff, working with a contractor/consultant to address the capacity gaps, etc.). You should discuss timeliness and methods for identifying and bringing on qualified staff.

If there are no gaps, you must state that there are no gaps in capacity.

You do not need to address recent, relevant, and successful experience as part of the capacity gap assessment. This criterion is only applicable to your own key staff who will plan, manage, and implement the IHBG Competitive grant.

You thoroughly described all of the following:

- You identify key staff and describe the roles and responsibilities of each of the key staff in planning, managing, and implementing the proposed project;

Subfactor 1.2. Progress of IHBG Formula Grant	Maximum Points: 3
--	--------------------------

HUD will evaluate administrative capacity by considering to what extent you (or if you are not the recipient, your IHBG formula recipient) have undisbursed funds.

For the IHBG formula grant, the amount of unexpended funds will be compared to plans for spending undisbursed IHBG funds, or if approved for investments, the status of the invested funds and plans to use these funds for affordable housing activities. HUD will evaluate the cumulative balance of IHBG formula funding prior to FY 2023. In assessing undisbursed funds, HUD will not consider IHBG formula funds awarded in FY 2023. Eligible applicants that have ever been allocated IHBG formula funds but neither accept those funds nor have a current IHBG formula recipient will automatically receive 2 points for this Subfactor.

Category #1: Applicants not approved for investing formula IHBG funds or approved for but not investing IHBG formula funds.

For this Subfactor, if you (or your IHBG formula recipient) are not approved for the investment of formula IHBG funds (or approved for but not investing IHBG funds), then you will be evaluated based on the amount of undisbursed IHBG funds remaining in LOCCS as of the application deadline date.

You should not submit LOCCS or formula funding data for this Subfactor, as HUD will utilize its records to verify. You do not have to address the LOCCS balance in the workplan narrative unless addressing the undisbursed balance as described below.

If you have an undisbursed balance of more than 25% of the cumulative IHBG formula amounts you received for FY 2020, 2021 and 2022, then you may qualify for points under this Subfactor only if you include information demonstrating well-developed plans to accumulate IHBG funds to carry out a specific activity in the future. Your justification must include supporting information on when and how you intend to spend the undisbursed IHBG funds. This may include specific references to Indian Housing Plans, Annual Performance Reports, or other related documents.

(3 points)

- One of the following applies:
 - Your undisbursed amount in LOCCS is no more than 25% of IHBG formula (overall) cumulative amounts you received for the 2020-2022 Federal fiscal years; or
 - Your undisbursed amount is more than 25% of IHBG formula cumulative amounts for the 2020-2022 Federal fiscal years, and you provided sufficient justification demonstrating well-developed plans to accumulate IHBG funds to carry out specific IHBG eligible activities in the future. The justification included supporting information on when and how you intend to spend your undisbursed IHBG funds; **and**

(2 points)

One of the following applies:

- Your undisbursed amount in LOCCS is between 26% and 50% of IHBG formula cumulative amount for the 2020-2022 Federal fiscal years. You did not provide a justification and supporting information satisfactory to HUD demonstrating well-developed plans to spend your undisbursed IHBG amounts or
- You do not currently administer the IHBG formula program and accordingly do not have balances of IHBG funds.

(1 point)

Your undisbursed amount in LOCCS is between 51% and 75% of IHBG formula cumulative amount for the 2020-2022 Federal fiscal years. You did not provide a justification and supporting information satisfactory to HUD demonstrating well-developed plans to spend your undisbursed IHBG amounts.

(0 points)

- Your undisbursed amount in LOCCS is more than 75% of IHBG formula cumulative amount for the 2020-2022 Federal fiscal years. You did not provide a justification and supporting information demonstrating a well-developed plan to spend your undisbursed IHBG amounts.

Category #2: Applicants approved for and investing IHBG formula funds.

Applicants approved for and investing formula IHBG funds in accordance with Section 204(b) of NAHASDA and 24 CFR 1000.58 must submit information about investment balances and plans to spend the invested IHBG funds on affordable housing activities.

(3 points)

You submitted all of the following information addressing your invested IHBG funds:

- The amount of IHBG grant funds that you currently have invested;
- The investment securities and other obligations in which the funds are invested;
- A well-developed plan for spending the invested IHBG funds on affordable housing activities. The plan included supporting information on when and how you intend to spend your undisbursed IHBG funds in the future; and

(2 points)

You provided a well-developed plan for spending the invested IHBG funds on affordable housing activities, including supporting information on when and how you intend to spend your undisbursed IHBG funds, but you did not provide one of the following (below).

- The amount of IHBG grant funds that you currently have invested; or

(0 points)

- You did not provide sufficient information to receive points in this subfactor.

Subfactor 1.3. Progress of Competitive Grants	Maximum Points: 3
--	--------------------------

For this subfactor, performance will be evaluated based on total LOCCS balances for the IHBG Competitive grants and single purpose Indian Community Development Block Grant (ICDBG) grants that the applicant (or its recipient) has received. Grants awarded within the rating period will not be included. If you (or your recipient) have no applicable IHBG Competitive or ICDBG grants, you will receive two points.

You should not submit data for this Subfactor, as HUD will utilize its records to verify. You should not address this subfactor in the workplan narrative.

Subfactor 1.4. Progress of Pandemic Relief and Imminent Threat Grants	Maximum Points: 3
--	--------------------------

For this subfactor, performance will be evaluated as follows:

- HUD will evaluate total LOCCS balances for certain pandemic relief grants (ICDBG-CARES; IHBG-ARP and ICDBG-ARP), and for ICDBG Imminent Threat (IT) grants that the applicant (or its recipient) has received. Grants awarded within the rating period will not be assessed.
- For IHBG-CARES grants, if you (or your recipient) have an IHBG-CARES grant that is not fully expended preceding the application deadline date, you will receive zero points.

If you (or your recipient) have no applicable pandemic relief or ICDBG-IT grants, you will receive two points.

You should not submit data for this Subfactor, as HUD will utilize its records to verify. You should not address this subfactor in the workplan narrative.

Subfactor 1.7. - Single Audit Submission	Maximum Points: 2
---	--------------------------

Applicants (or for the IHBG formula program, if they are not an IHBG recipient, their IHBG formula recipient) subject to the audit reporting requirements of 2 CFR part 200, Subpart F must not have any late Single Audit report submissions during the last two (2) audit periods.

This includes those past fiscal year Single Audit reports that were already overdue during the last two (2) audit periods and submitted late, as well as those current fiscal year Single Audit reports that were due during the two-year period but submitted late. Report submission will be verified using the Federal Audit Clearinghouse (FAC) at <https://harvester.census.gov/facdissem/main.aspx>.

If your audit submission was delayed by the COVID-19 national emergency, you may qualify for full points for this Subfactor by submitting evidence your Area ONAP has acknowledged the delay was due to COVID-19 and not to your lack of action. Acceptable evidence for this acknowledgment is a copy of a Voluntary Compliance Agreement (VCA) with the Area ONAP or a copy of a Letter of Warning (LOW) issued by the Area ONAP making this acknowledgment, along with evidence of compliance (i.e., your most recent Audit Progress Report).

HUD will rely on this evidence and its own records to assess whether you are substantially in compliance with the terms of the VCA or the LOW, including contacting your Area ONAP to confirm that compliance.

In cases where the audit submission was due on a weekend or holiday and was submitted the following business day, the audit submission will be considered timely. If the information available in the FAC is unclear as to whether the audit submission occurred after it was due, HUD will reach out to you for additional information. HUD will consider an audit report submission that was on time in the time zone in which it was submitted to be timely. If an audit was submitted within a deadline extension afforded due to the COVID-19 national emergency, that is not considered late.

Points will be assigned as follows:

(2 points)

- The annual audits for the last two audit periods were submitted and accepted by the FAC in accordance with 2 CFR part 200, subpart F (within 30 days after completion of the audit or 9 months after the fiscal year ends, whichever is earlier), **or**
- You responded to an extension posted on the FAC's website under "Important Announcements," (e.g., disaster related) and provided an explanation of the basis for the extension as described on the FAC website: www.fac.gov **or**
- You are submitting a copy of the VCA or a copy of a LOW issued by the Area ONAP acknowledging the delay was due to COVID-19, along with evidence of compliance with the VCA or LOW (i.e., the applicant's most recent Audit Progress Report), **or**

- You are not required to submit an annual audit; the applicant must state why it did not meet the audit threshold under 2 CFR part 200, subpart F.

(0 points)

You did not provide sufficient information to award points under this Subfactor.

Rating Factor 2: Need/Extent of the Problem	Maximum Points: 25
--	---------------------------

The purpose of this Rating Factor is for the applicant to identify its need for funding. Your narrative must explain the nature and extent of the need for the planned project or planned IHBG activities that you will implement if awarded funding under this NOFO, in accordance with the information requested by the sub-factors. You must support a description of your needs and the extent of the problem with credible, reliable, and quantitative information.

You will be evaluated based on the needs table assessment and data provided by HUD. You will also be evaluated based on information submitted in the narrative to identify the number of beneficiaries, explain how eligible families will be identified for project activities, and demonstrate how the project will help meet the needs of those families. Finally, more points will be given to you if you have not been awarded an IHBG Competitive grant in prior years.

Subfactor 2.1. Need for Funding – Formula Data Maximum Points: 10

HUD has prepared a Needs Table to determine the need for housing in tribal areas. The ratio is based on the dollars allocated to a tribe/TDHE under the IHBG formula program for need divided by the total number of American Indian and Alaskan Native (AIAN) households in the following categories:

- annual income below 80 percent of the median;
- overcrowded or without kitchen or plumbing;
- housing cost burden greater than 50 percent of annual income; and
- housing shortage (number of low-income AIAN households less total number of NAHASDA and Formula Current Assisted Stock).

You can find a copy of the Needs Table in the zip file with the Application Instructions when you download your application from grants.gov. You do not need to attach the table with your application. HUD will refer to it when assigning points in this subfactor.

(10 points) The dollar amount for the Indian tribe is \$0 - \$800 or the tribe receives the minimum IHBG formula funding allocation.

(8 points) The dollar amount for the Indian tribe is \$801-\$1,000.

(6 points) The dollar amount for the Indian tribe is \$1,001-\$1,400.

(4 points) The dollar amount for the Indian tribe is \$ \$1,401 - \$2,000.

(2 points) The dollar amount for the Indian tribe is \$ \$2,001 - \$4,500.

(0 points) The dollar amount for the Indian tribe is \$4,501 or higher.

Subfactor 2.2. Need for Funding – Project Beneficiaries Maximum Points: 5

You must address need by providing a narrative describing the project beneficiaries and their need for the project.

Specifically:

- Identifying how many families will benefit from the project.
- Identifying how families will be selected.
- Providing information demonstrating the need for the project among eligible families who will benefit.

Maximum points will be earned if all families supported by the project have no permanent residence, live in overcrowded conditions, or live in a home without kitchen or plumbing. Overcrowded is defined in 24 CFR Part 1000.302 as households with more than 1.01 persons per room as defined by the U.S. Decennial Census. Without kitchen or plumbing means an occupied house without one or more of the following items: (1) Hot and cold piped water; (2) A flush toilet; (3) A bathtub or shower; (4) A sink with piped water; (5) A range or cook stove; or (6) A refrigerator.

You must provide this information in the narrative and/or with supporting attachments.

You can identify families by providing waiting lists or other demographic information. You can demonstrate the need for the project among eligible families who will benefit by including narrative information about local housing conditions, such as information collected through surveys or other means, including IHBG formula data. You can explain how families will be selected by describing their tenant selection/occupancy plan, waiting list priorities, or other information the applicant will use to select the households that the project will serve.

If you include a waiting list in your application, please ensure that any personally identifiable information such as names, addresses, Social Security Numbers, or any other information that can be traced to a specific individual is removed.

(5 points)

- You identified the number of families that will benefit from the project;
- You identified how families have been or will be selected; and
- You provided information to demonstrate the need for the proposed project among the families who will benefit, demonstrating that 100% of the families 1.) have no permanent residence 2.) are living in overcrowded conditions and/or 3.) are without kitchen or plumbing.

(3 points)

- You did not identify the number of families that will benefit from the project; or
- You did not identify how families have been or will be selected; or
- You did not provide information to demonstrate the need for the proposed project among the families who will benefit, demonstrating that 100% of the families 1.) have no permanent residence 2.) are living in overcrowded conditions and/or 3.) are without kitchen or plumbing.

(2 points)

You did not provide two of the following:

- The number of families that will benefit from the project.
- How families have been or will be selected.
- Information to demonstrate the need for the proposed project among the families who will benefit, demonstrating that 100% of the families 1.) have no permanent residence 2.) are living in overcrowded conditions and/or 3.) are without kitchen or plumbing..

You did not provide sufficient information to receive points under this Subfactor.

**Subfactor 2.3. Need for Funding – Non-Formula
Data**

Maximum Points: 5

You must address factors that demonstrate need for IHBG Competitive funding that are not accounted for in the other Rating Factor 2 sub-factors. You must provide this information in your narrative. You may attach and refer to supporting documentation, but you are not required to submit additional attachments.

Specifically:

- Information about the applicant’s current operating resources, and whether it is able to meet its housing needs using IHBG formula funding.

(5 points)

- You provided information about challenges and expenses related to availability of infrastructure necessary for housing development; and
- You provided information demonstrating that your housing needs are not being your fully met by your IHBG formula funding.

(2 points)

One of the following is true (or you failed to address one of the following):

- You did not adequately demonstrate that the land area that you serve has challenges related to availability of infrastructure necessary for housing development; or
- You did not provide information adequate to show that your current housing needs are not being fully met by your IHBG formula funding.

(0 points)

You did not provide sufficient information to receive points under this Subfactor.

Subfactor 2.4. New and Previously Unfunded Applicants	Maximum Points: 5
--	--------------------------

You, including your corresponding tribe or TDHE, will receive maximum points if you did not receive awards under any of the IHBG Competitive Grant NOFOs, including FY 2018/2019, FY 2020, FY 2021 and FY 2022. If you or your corresponding tribe or TDHE, received funding under the FY 2021 and/or FY 2022 IHBG Competitive Grant NOFOs, no points will be given.

(5 points)

You, including your corresponding tribe or TDHE, did not receive an award under any of the IHBG Competitive Grant NOFOs including FY 2018/2019, FY 2020, FY 2021, and FY 2022.

(0 points)

You, including your corresponding tribe or TDHE, received an award under the FY 2021 and/or FY 2022 IHBG Competitive Grant NOFO.

Rating Factor 3: Soundness of Approach	Maximum Points: 42
---	---------------------------

The applicant must address the IHBG Competitive Priorities and its plans, schedule, and budget for implementing and sustaining its proposed project.

Subfactor 3.1. IHBG Competitive Priorities	Maximum Points: 10
---	---------------------------

The Consolidated Appropriations Act, 2023, Public Law 117–328, provided that in awarding funds under this program, HUD is required to give priority to projects that will spur construction and rehabilitation of housing. Accordingly, HUD is prioritizing applications that propose funding new housing construction projects, housing rehabilitation, acquisition of existing housing units that increase affordable housing stock, and affordable housing-related infrastructure projects that spur housing construction or rehabilitation.

HUD will award the maximum number of points under this Subfactor to new housing construction projects that address the critical housing shortage and further the development of new affordable housing in Indian Country. Proposals that include multiple NAHASDA-eligible activities will be rated according to the Subfactor category that would provide the applicant with the highest number of points. HUD will calculate percentage of funding proposed towards the eligible activity for direct (project) costs, which will exclude administration and planning costs.

HUD will rate applications that propose to use grant funds for acquisition under the appropriate Subfactor depending on the nature of the project being proposed. Note that acquisition of existing housing units to increase affordable housing stock will be scored as New Construction.

For instance, if you are acquiring land or developing utilities to support the development of affordable housing in the future, then HUD will rate the application under Subfactor category 3.1.c. Affordable Housing-Related Infrastructure Projects. Please see the charts throughout this sub-factor for several more scenarios.

HUD will use its best judgment based on the contents of your application when assessing which Subfactor category to use when rating an application.

3.1.a. New Housing Construction Projects	Maximum Points: 10
---	---------------------------

HUD will award points for applications that propose to carry out new housing construction projects. This will include **demolition followed by reconstruction**, as well as **acquisition of manufactured housing**, since manufactured housing is newly constructed before acquisition. This will also include **infrastructure associated with new housing construction provided the new housing construction will begin during the Period of Performance** requested in the application, and **acquisition of land associated with new housing construction projects provided the new housing construction will begin during the Period of Performance** requested in the application.

Some Tribes indicated to HUD during the Tribal consultation process that housing rehabilitation is a vital tool for expanding the viability of affordable housing. They requested that HUD provide equal points to rehabilitation projects as new housing construction projects because rehabilitation is often the only viable option for some Tribes to preserve and expand affordable housing opportunities. This is particularly true in areas with lower median incomes and older housing stock that can be rehabilitated and preserved for many years to come. Because increasing the number of affordable housing units in Indian Country is a major purpose of the IHBG Competitive program, under this year’s NOFO, HUD will rate **housing rehabilitation projects that demonstrate income below the 25th percentile threshold according to Tribal Area Per Capita Income (PCI) Resource List** (Column D) under this Subfactor. You must also provide a statement to explain how rehabilitation is the only viable option to preserve and expand affordable housing opportunities.

Please view the PCI resource list.

Please view the table for reference below:

Subfactor 4.2. Outputs and Outcomes	Maximum Points: 3
--	--------------------------

You must include outcomes and outputs you plan to achieve with the project. Outputs are measured in the volume of work accomplished and must be identified by each key task proposed in the workplan. They should be clear enough to allow HUD to monitor and assess the proposed project's progress if funded. An outcome is the impact achieved from the outputs of the proposed project. They should be quantifiable measures or indicators that identify the change in the community, people's lives, economic status, etc.

Examples of outputs could include but are not limited to:

- Number of housing units constructed;
- Number of housing units rehabilitated;

- Number of housing units accessible for individuals with disabilities constructed and rehabilitated;
- Number of housing units acquired to increase the affordable housing stock;
- Number of homeownership units constructed or financed;
- Number of units connected to utilities (e.g., gas, phone, internet or electric lines/roads/water/sewer);
- Number of persons assisted; and
- Number of jobs created.

Examples of outcomes could include but are not limited to:

- Reduction in the number of families living in substandard housing;
- Reduction in overcrowding;
- Increase in homeownership rates;
- Reduction of drug-related crime or health-related hazards;
- Accessibility for persons with disabilities;
- Improved energy efficiency and;
- Climate resilience.

HUD will assign points as follows:

(3 points)

You clearly described measurable outputs and outcomes for the proposed project.

(1 point)

You included either measurable outputs or outcomes for the proposed project, but not both.

(0 points)

You did not provide sufficient information to award points under this Subfactor.

Total (without Preference Points)

Maximum Points: 100

This program does not offer points for Section 3.

2. Other Factors

Preference Points

This NOFO supports the following policy initiatives. If your application demonstrates the appropriate information for the policy initiative, your application will receive up to two (2) points for each initiative, and will receive no more than a total of four (4) points. These points are added to your application's overall score.

Climate Change (2 points)

Promise Zones (PZ) (2 points)

You may choose to voluntarily commit to address policy initiatives in your application. Addressing these policy initiatives is not a requirement to apply for or receive an award. If you choose to address a voluntary policy initiative in your application, however, you will be required

to adhere to the information submitted with your application should you receive an award. The proposed information will be included as a binding requirement of any federal award you receive as a term and condition of that award.

Climate Change

In accordance with Executive Order 14008, Tackling the Climate Crisis at Home and Abroad, HUD prioritizes activities that achieve the goal of bolstering adaptation and increasing resilience to the effects of climate change. HUD will award up to two (2) points for applications that identify measures that will be incorporated in the project and will advance carbon reduction and reduce vulnerability of the project to climate impacts and threats identified in the U.S. Global Change Research Program National Climate Assessment (NCA) and related analyses. Climate impacts include, but are not limited to: threats from hydrological and precipitation changes, extreme weather events, extreme heat, and sea level rise.

Applicants may receive one point for demonstrating via application materials one of the following, with a maximum of two points awarded for this priority overall:

a. Carbon Reduction (1 point): To receive 1 point under this objective, applicants must show how their proposed grant activities will increase energy or water efficiency or reduce carbon emissions, or protect against future extreme weather events in the target community through one or a combination of the following: (1) Achievement of certification through Energy Star or other green rating system; (2) incorporation of water saving measures and low-carbon, renewable energy sources such as solar power; (3) participation in voluntary Federal, State, Local or tribal energy and water efficiency initiatives that reduce carbon emissions or; (4) use of materials and construction techniques that reduce carbon emissions. Applications must clearly describe how identified actions measurably reduce the carbon emissions or energy or water consumption of the project below the established baseline for the target community based on facility size and type.

b. Climate Adaptation and Resilience (1 point): To receive one point under this objective, applicants must show how their proposed grant activities will reduce vulnerabilities to one or more of the impacts of the climate change identified in the NCA and related analyses in the target community. Applicants must show how their proposed activities would improve climate adaptation and resilience through use of materials and construction techniques including natural and green techniques and those that harden infrastructure, buildings, and surrounding open space from extreme weather as defined below:

(1) Hydrological and Precipitation Change including Flood Risk: The application demonstrates one of the following: a) The project site (including developed or undeveloped areas) is located at least two feet above the Federal Emergency Management Agency 100-year base flood elevation (BFE), or, for critical actions, at least three feet above BFE or above the 500-year floodplain where mapped; or, b) the project purpose includes restoration of the beneficial function of the floodplain in accordance with the criteria at 24 CFR 55.12(c)(3).

(2) **Extreme Weather Events:** The application demonstrates that project design is informed by consideration of the potential for extreme weather events at the project location based on the NCA and related analyses (including regional and local assessments) and based on extreme weather threats endemic to the geographic location and incorporates measures to reduce the risk to residents and property through construction techniques, site selection, emergency planning, resilient systems that reduce the potential for service interruption, or other measures.

(3) **Temperature Shifts:** The application demonstrates that the project design includes specific measures to reduce vulnerability to extreme heat events, heat-related illness affecting children, elderly, persons with disabilities, and functional needs populations, to reduce risk to asthmatic individuals in locations with higher ground-level ozone concentrations, or to assist communities impacted by thawing permafrost.

(4) **Sea-Level Rise:** The application demonstrates that the project design includes measures to protect buildings and infrastructure in coastal areas from inundation and wave action or permit relocation of residents from locations impacted by these effects.

(5) **Wildfires:** In a location with elevated wildfire risk, the application demonstrates that the project design includes protective measures such as defensible space and separation from tree lines, fire-resistant construction techniques and participation in emergency planning efforts.

This program does not offer points for Environmental Justice.

This program does not offer preference points related to HBCUs.

Pursuant to Executive Orders [13985](#), [14041](#), [14045](#), and [14031](#), you may receive up to two (2) preference points if you are an applicant designated as a minority-serving institution (MSI) or if your application proposes one or more partnerships with minority-serving educational institutions that have been historically underserved.

This program does not offer preference points related to minority-serving institutions.

Promise Zones

HUD encourages activities in Promise Zones (PZ). To receive Promise Zones Preference Points, applicants must submit form HUD-50153, "Certification of Consistency with Promise Zone Goals and Implementation," signed by the Promise Zone Official authorized to certify the project meets the criteria to receive preference points. To view the list of designated Promise Zones and persons authorized to certify, see the Promise Zone pages on HUD's website.

B. Review and Selection Process

1. Past Performance

In evaluating applications for funding, HUD will consider an applicant's past performance in managing funds. Items HUD will consider include, but are not limited to:

The ability to account for funds in compliance with applicable reporting and recordkeeping requirements

Timely use of funds received from HUD

Timely submission and quality of reports submitted to HUD

Meeting program requirements

Meeting performance targets as established in the grant agreement

The applicant's organizational capacity, including staffing structures and capabilities

Timely completion of activities and receipt and expenditure of promised matching or leveraged funds

The number of persons served or targeted for assistance

HUD may reduce scores based on the past performance review, as specified under V.A. Review Criteria. Whenever possible, HUD will obtain and review past performance information. If this review results in an adverse finding related to integrity of performance, HUD reserves the right to take any of the remedies provided in the [Pre-Selection Review of Performance section of the Eligibility Requirements for Applicants of HUD Financial Assistance Programs](#).

2. Assessing Applicant Risk

In evaluating risks posed by applicants, HUD may use a risk-based approach and may consider any items such as the following:

- (1) Financial stability;
- (2) Quality of management systems and ability to meet the management standards prescribed in this part;
- (3) History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;
- (4) Reports and findings from audits performed under Subpart F—Audit Requirements of this part or the reports and findings of any other available audits; and
- (5) The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities.

Application Selection Process. HUD will review each application from an eligible applicant and assign points in accordance with the selection factors described in this section.

a) Application Screening and Acceptance: HUD will screen and accept applications if they meet all the criteria listed above at Section III and IV. To summarize:

- The application is received or submitted in accordance with the requirements of this NOFO;
- The applicant is eligible to submit an application;
- The proposed project is eligible; and
- The application contains all of the non-curable required submissions.

b) Threshold Compliance: HUD will review each application that passes the screening process to ensure that each applicant and each proposed project meets the eligibility and submission thresholds listed above at Section III and IV.

c) Past Performance: HUD will evaluate applicants' past performance under Rating Factor 1-Capacity of the Applicant.

d) Rating: HUD will rate all eligible applications that meet the Threshold Requirements against the criteria in Rating Factors 1 through 5 and assign a rating score. The maximum total rating score for the five Rating Factors is 100 points. An applicant can receive Preference Points if it scores a minimum of 75 points for the five Rating Factors. HUD will award up to four (4) Preference Points to applicants that meet either Climate Change (up to 2 points) and/or Promise Zones (up to 2 points) criteria. An applicant can receive a possible total of 104 points which includes Rating Factors 1 through 5 and Preference Points. HUD will review and rate each application that meets the acceptance criteria and threshold requirements. Once all applications are rated, HUD will conduct a review to ensure consistency in the application rating.

e) Minimum Points: To be considered for funding, the application must receive a minimum combined score of 35 points under Rating Factor 1-Capacity of the Applicant and Rating Factor 2-Need, a minimum of 20 points under Rating Factor 3-Soundness of Approach, and an overall score of at least 75 points (without the addition of the Preference Points). HUD will reject any application that does not meet the minimum rating score requirements.

f) Ranked Order: After adding any Preference Points, HUD will place eligible applications that meet the minimum rating score requirements in ranked order. HUD will award funds in rank order based on the score received on the application submitted under this NOFO. HUD will consider applicants for funding within the fundable range of 75 or more points in ranked order up to the amount requested, or a lesser amount if sufficient funds are not available. Meeting the minimum score of 75 points does not guarantee the funding of an award. HUD also reserves the right to adjust funding to meet urgent policy priorities. HUD reserves the right to issue a supplemental or independent NOFO if necessary (e.g., to ensure that all appropriated funds are awarded).

g) Grant Award Adjustments: At its discretion, if HUD determines that there are not enough funds available to fully fund a project as proposed by a successful applicant, then HUD may contact the applicant to determine whether revisions can be made to the program budget and work plan to reflect the actual award offer. If it is not possible to agree on a revised program budget and work plan, then an award will not be made to that applicant. In such an instance, HUD may offer an award, in rank order, to another applicant. HUD may also select additional applicants for funding, in rank order, if additional funds become available. See also Adjustments to Funding information in section VI.A. below.

h) Tiebreakers: When rating results in a tie among projects and there is not enough money to fund all tied projects, HUD will use the following factors to resolve the tie in this order:

- HUD will approve projects that can be fully funded over those that cannot be fully funded;

- HUD will approve projects for applicants that score the highest number of points for Subfactor 3.1-IHBG Competitive Priorities;
- HUD will approve projects for applicants that score the highest cumulative points for Rating Factor 1-Capacity of the Applicant and Rating Factor 2-Need/Extent of the Problem;
- HUD will approve projects for applicants (or their formula recipients) that have the lowest percentage of undisbursed cumulative IHBG formula amounts in LOCCS as compared to amounts received for the 2020-2022 Federal fiscal years, based on Subfactor 1.2 Progress of IHBG Formula Grant;
- HUD will approve projects for applicants (or their formula recipients) that have the lowest Per Capita Income (PCI) amount, according to the Tribal Area PCI Resource List;
- HUD will approve projects for applicants that score the highest number of points for Subfactor 3.4 Budget; and
- A random lottery will be used to determine order of funding to the extent that using the other tiebreakers in order does not resolve the tie.

i) IHBG Competitive Grant Progress and Performance: Failing to make significant progress on your grant by September 30, 2026, as evidenced by failing to meet planned activities described in the IHBG Implementation Schedule (Form HUD-53247), may constitute substantial noncompliance under 24 CFR 1000.534. HUD will review the circumstances of each grantee on a case-by-case basis to determine if the noncompliance is substantial.

j) Additional IHBG Competitive Funds: If, after the publication of this NOFO, additional funds become available either through additional appropriations or through the de-obligation or recapture of funds, HUD reserves the right to:

- Award funding to additional applicants based on their score from this competition;
- Use the additional funds to provide additional funding to an applicant awarded less than the originally requested amount of funds to make the full award;
- Fund additional applicants that were eligible to receive an award, but for which there were no funds available from the FY 2023 appropriations; and
- Award funding to applicants that meet the funding errors category in Section VI.A.3. below.

k) Curable Deficiencies and Pre-Award Requirements:

- **Curable Deficiencies:** If there are curable deficiencies identified in successful applications, then applicants must satisfactorily address these deficiencies before HUD can make a grant award.
- **Pre-Award Requirements:** Successful applicants may have to provide supporting documentation concerning the management, maintenance, operation, or financing of proposed projects before a grant agreement can be executed. HUD may ask for additional information on the scope, magnitude, timing, budget, or method of implementing the project. HUD may also ask for further information to verify the commitment of other resources required to complete, operate, or maintain the proposed project. Additionally, if your application passes initial screening and threshold, HUD may reach out to you to confirm the accuracy of its records prior to making awards. HUD will notify applicants

by email return receipt requested. Applicants will be provided fourteen (14) calendar days from the date of receipt of the HUD notification to respond to these requirements. No extensions will be provided. If the deadline date falls on a Saturday, Sunday, or Federal holiday, the response must be received by HUD on the next day that is not a Saturday, Sunday, or Federal holiday. For verifications of HUD records, if you do not respond within the prescribed time period or make insufficient response, you will not be able to later claim HUD error as discussed in Section V.B.4.1, Agency Errors. For all other requirements, if an applicant does not respond within the prescribed time period or makes an insufficient response, then HUD will determine that the requirement has not been met and will withdraw the grant offer. Applicants may not substitute new projects for those originally proposed in the application and any new information will not affect the project's rating and ranking. The time period for calculating the response deadline for pre-award requirements begins on the day after receipt of the pre-award letter from HUD. HUD will ensure that successful applications meet TDC requirements prior to funding.

If for any reason HUD must re-rate and re-rank an application and the total points awarded to the applicant after re-ranking falls below 75 (without the addition of Preference Points), the combined score from Rating Factor 1 and Rating Factor 2 points falls below 35, and/or Rating Factor 3 points fall below 20, HUD will not fund the application.

l) Agency Errors: Judgments made within the provisions of this NOFO and all program statutory and regulatory requirements are not subject to a claim of error. There is no appeal process. An applicant may bring arithmetic errors in application scoring to the attention of HUD within 30 days of being informed of its score. However, for certain provisions in the NOFO, HUD may reach out to you to confirm the accuracy of its records prior to making awards. Applicants will be provided fourteen (14) calendar days from the date of receipt of the HUD notification to respond to these requirements. If you do not respond or if you provide insufficient response, you will not be able to later claim HUD error as provided in this NOFO. See V.B.4.k Curable Deficiencies and Pre-Award Requirements.

m) Anticipated Announcement and Award Dates: HUD anticipates announcing awards for **FY2023** funds under this NOFO approximately four to six months after the application due date.

n) Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline, but have not been chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF 424.

3. Experience Promoting Racial Equity

In evaluating applications for funding, HUD will consider the extent to which the application demonstrates that the applicant has the experience and the resources to effectively address the needs of underserved communities, particularly Black and Brown communities. This may include experience successfully working directly with such groups, experience designing or operating programs that equitably benefit such groups, or experience successfully advancing racial equity in other ways. This may also include experience soliciting, obtaining, and applying input from such groups when designing, planning, or implementing programs and activities.

Due to the unique nature of the IHBG program, applicants are Tribes and TDHEs that serve and use their resources exclusively for the needs of an underserved community as defined by the NOFO, Native Americans. HUD ONAP will consider that to address this requirement.

VI. AWARD ADMINISTRATION INFORMATION

A. Award Notices

Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline but were not chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF-424.

1. Final Grant

After HUD has made selections, HUD will finalize specific terms of the award and budget in consultation with the selected applicant. If HUD and the selected applicant do not finalize the terms and conditions of the award in a timely manner, or the selected applicant fails to provide requested information, an award will not be made to that applicant. In this case, HUD may select another eligible applicant. HUD may also impose specific conditions on an award as provided under [2 CFR 200.208](#).

2. Adjustments to Funding

To ensure the fair distribution of funds and enable the purposes or requirements of a specific program to be met, HUD reserves the right to fund less than the amount requested in an application.

a. HUD may fund no portion of an application that:

- (1) Is ineligible for funding under applicable statutory or regulatory requirements;
- (2) Fails, in whole or in part, to meet the requirements of this notice;
- (3) Duplicates activities funded by other federal awards; or
- (4) Duplicates activities funded in a prior year.

b. HUD may adjust the funding for an application to ensure funding diversity, geographic diversity, and alignment with HUD administrative priorities.

c. If an applicant turns down an award offer, or if HUD and an applicant do not finalize the terms and conditions of the award in a timely manner, HUD may withdraw the award offer and make an offer of funding to another eligible application.

d. If funds remain after all selections have been made, remaining funds may be made available within the current fiscal year for other competitions within the program area, or be held for future competitions (if allowable in accordance with the applicable appropriation or authorizing statute), or be used as otherwise provided by authorizing statute or appropriation.

e. If, after announcement of awards made under the current NOFO, additional funds become available either through the current appropriations, a supplemental appropriation, other appropriations or recapture of funds, HUD may, in accordance with the appropriation, use the additional funds to provide additional funding to an applicant awarded less than the requested amount of funds to make the full award, and/or to fund additional applicants that were eligible to receive an award but for which there were no funds available.

3. Funding Errors

If HUD commits an error that when corrected would cause selection of an applicant during the funding round of a Program NOFO, HUD may select that applicant for funding, subject to the availability of funds. If funding is not available to award in the current fiscal year, HUD may make an award to this applicant during the next fiscal year, if funding is available.

The HUD Reform Act prohibits HUD from notifying applicants as to whether they have been selected to receive a grant until it has announced all successful award recipients.

If selected and as soon as a Congressional release has been obtained, HUD will send the applicant an award letter and a grant agreement to sign and return via email. If the applicant does not already have one, it will have to establish an account in LOCCS so that it can draw down grant funds as needed to complete project/activities. Grantees will also be encouraged to participate in award implementation training offered by HUD.

All grant awards are conditioned on the successful completion of an environmental review in accordance with the requirements of 24 CFR 1000.18-1000.24, and an environmental review must be completed before funds are released. Applicants must comply with HUD environmental review requirements, in accordance with 24 CFR 1000.18-1000.24. An Indian tribe can assume environmental responsibilities under 24 CFR part 58 or decline to assume environmental responsibilities and request HUD perform the review under 24 CFR part 50, in accordance with 24 CFR 1000.20(a).

See Federal Contractor or Grantee Protections | Office of Inspector General, Department of Housing and Urban Development (hudoig.gov) at <https://www.hudoig.gov/fraud/whistleblower-rights/federal-contractor-grantee-protections>.

Environmental Review

Compliance with environmental requirements, including regulations at 24 CFR part 50 or 58:

All awards under this NOFO will be conditioned on the successful completion of an environmental review, and environmental reviews must be completed before funds are released.

Applicants must comply with HUD environmental review requirements, in accordance with 24 CFR 1000.18-1000.24. An Indian tribe can assume environmental responsibilities under 24 CFR part 58 or decline to assume environmental responsibilities and request HUD perform the review under 24 CFR part 50, in accordance with 24 CFR 1000.20(a). The timing of HUD undertaking the environmental review will be subject to the availability of resources.

An environmental review, all required notifications, and approval of the Request for Release of Funds and Certification when applicable under 24 CFR part 58 or HUD's approval of the project or activity under 24 CFR part 50, must be completed before a recipient may commit HUD or non-HUD funds, or take any other choice limiting action, including but not limited to real property acquisition, demolition, disposition, rehabilitation, repair, new construction, site preparation or clearance, ground disturbance, and leasing. Any mitigating/remedial measures required by the responsible entity (or HUD) must be carried out. Environmental review resources including training, guidance, forms, sample letters and worksheets are available on the hud.gov webpage at: : [Environment and Energy | HUD.gov / U.S. Department of Housing and Urban Development \(HUD\)](#).

Prohibition on Surveillance

Compliance with [2 CFR 200.216, Prohibition on Certain Telecommunication and Video Surveillance Services or Equipment](#) is required.

Remedies for Noncompliance

HUD may terminate a Federal award, in whole or in part, for any of the reasons specified in [2 CFR 200.340, Termination](#).

Failure to make progress, as evidenced by failing to meet planned activities described in the IHBG Implementation Schedule (Form HUD-53247), may constitute substantial noncompliance

under 24 CFR 1000.534. HUD will review the circumstances of each grantee on a case-by-case basis to determine if the noncompliance is substantial.

If HUD finds after reasonable notice and opportunity for hearing that a recipient has failed to comply substantially with any provision of NAHASDA or the regulations in this part, HUD shall carry out actions with respect to the recipient's current or future grants, which may result in termination of the grant, as appropriate, under 24 CFR 1000.532.

Lead-Based Paint Requirements

When providing housing assistance funding for purchase, lease, support services, operation, or work that may disturb painted surfaces, of pre-1978 housing, you must comply with the lead-based paint evaluation and hazard reduction requirements of HUD's lead-based paint rules (Lead Disclosure; and Lead Safe Housing (24 CFR part 35)); and EPA's lead-based paint rules (e.g., Repair, Renovation and Painting; Pre-Renovation Education; and Lead Training and Certification (40 CFR part 745)).

When providing education or counseling on buying or renting housing that may include pre-1978 housing under your grant you must inform clients of their rights under the Lead Disclosure Rule (24 CFR part 35, subpart A), and, if the focus of the education or counseling is on rental or purchase of HUD-assisted pre-1978 housing, the Lead Safe Housing Rule (subparts B, R, and, as applicable, F - M).

C. Reporting

HUD requires recipients to submit performance and financial reports under OMB guidance and program instructions.

1. Recipient Integrity and Performance Matters

You should be aware that if the total Federal share of your federal award includes more than \$500,000 over the period of performance, the award will be subject to post award reporting requirements reflected in [Appendix XII to 2 CFR part 200, Award Terms and Conditions for Recipient Integrity and Performance Matters](#).

2. Race, Ethnicity and Other Data Reporting

HUD requires recipients that provide HUD-funded program benefits to individuals or families to report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of HUD programs in order to carry out the Department's responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987. These authorities prohibit discrimination in housing and in programs receiving financial assistance from the Department and direct the Secretary to administer the Department's programs and activities in a manner affirmatively to further these policies and to collect certain data to assess the extent of compliance with these policies. Each recipient shall keep such records and submit to the Department timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the Department may determine to be necessary to enable it to ascertain whether the recipient has complied or is complying with 24 CFR parts 1 and 121. In general, recipients should have available for the Department data showing the demographics of beneficiaries of federally-assisted programs.

3. Compliance with the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282) as amended (FFATA)

FFATA requires information on federal awards be made available to the public via a single, searchable website, which is www.USASpending.gov. Accordingly, each award HUD makes under this NOFO will be subject to the requirements provided by the Award Term in Appendix A to [2 CFR part 170](#), “REPORTING SUBAWARD AND EXECUTIVE COMPENSATION INFORMATION,” unless the Federal funding for the award (including funding that may be added through amendments) is not expected to equal or exceed \$30,000. Requirements under this Award Term include filing subaward information in the Federal Funding Accountability and Transparency Act (FFATA) Sub-award Reporting System (FSRS.gov) by the end of the month following the month in which the recipient awards any sub-grant equal to or greater than \$30,000.

4. Program-Specific Reporting Requirements

IHBG Competitive Grant Program: Post-Award Reporting Requirements

a) Annual Federal Financial Reports:

Grantees will have to submit a Federal Financial Report (SF-425) to the Area ONAP within 90 days after the end of each program year. All funds (whether grant funding or other resources) must be received and used during the period of performance. A final SF-425 must be submitted within 90 days after the end of the period of performance identified on the grant agreement.

b) Annual Performance Reports:

Grantees are required to submit an Annual Performance Report (APR) to HUD within 90 days of the end of their program year and within 90 days after the end of the period of performance identified on the grant agreement. This APR may be submitted via the IHBG Competitive Annual Performance Report Form HUD-53248 or the Annual Performance Report Form HUD-52737. This APR must pertain only to the activities of IHBG Competitive Grant and must be submitted separately from the traditional IHBG formula APR.

Filing of IHBG Competitive Grant Post-Award reports is mandatory for all grantees, and failure to do so within the required timeframe may result in HUD taking enforcement action against the grantee in accordance with Title IV of NAHASDA and IHBG implementing regulations.

HUD will assess all post-award reports submitted to evaluate the grantee’s performance in meeting its project goals. Grantees will also be held to the milestones in the IHBG Implementation Schedule (Form HUD-53247), as approved by HUD. HUD expects all grantees to make progress on their IHBG Competitive project in accordance with their IHBG Implementation Schedule (Form HUD-53247). Failing to make progress by September 30, 2026, as evidenced by failing to meet planned activities described in the IHBG Implementation Schedule (Form HUD-53247), may constitute substantial noncompliance under 24 CFR 1000.534. HUD will review the circumstances of each grantee on a case-by-case basis to determine if the noncompliance is substantial.
