OVERVIEW

The U.S. Department of Housing and Urban Development (HUD) issues this Notice of Funding Opportunity (NOFO) to invite applications from eligible applicants for the program and purpose described within this NOFO. You, as a prospective applicant, should carefully read all instructions in all sections to avoid sending an incomplete or ineligible application. HUD funding is highly competitive. Failure to respond accurately to any submission requirement could result in an incomplete or noncompetitive proposal.

In accordance with [Title 24 part 4, subpart B](#) of the Code of Federal Regulations (CFR), during the selection process (which includes HUD’s NOFO development and publication and concludes with the award of assistance), HUD is prohibited from disclosing covered selection information. Examples of impermissible disclosures include: 1) information regarding any applicant’s relative standing; 2) the amount of assistance requested by any applicant; and 3) any information contained in the application. Prior to the application deadline, HUD may not disclose the identity of any applicant or the number of applicants that have applied for assistance.

For further information regarding this NOFO, direct questions regarding the specific requirements of this NOFO to the agency contact identified in section VII.

Paperwork Reduction Act Statement. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501- 3520) (PRA), the Office of Management and Budget (OMB) approved the information collection requirements in this NOFO. HUD may not conduct or sponsor, and a person is not required to respond to a collection of information unless the collection displays a valid OMB control number. This NOFO identifies its applicable OMB control number, unless its collection of information is excluded from these requirements under [5 CFR part 1320](#).

I. FUNDING OPPORTUNITY DESCRIPTION

A. Program Description

1. Purpose

Through this NOFO, HUD is awarding Youth Homelessness System Improvement (YHSI) grants to support selected communities in either improving existing or establishing and implementing a response system for youth homelessness. The grants will focus on systemic change to either improve or create response systems for youth homelessness by funding projects that create and build capacity for Youth Action Boards; collect and use data on at-risk youth and

youth experiencing homelessness; develop strong leaders within a community; and improve the coordination, communication, operation, and administration of homeless assistance projects to better serve youth, including prevention and diversion strategies. Communities may either establish or improve existing response systems for youth homelessness through the following objectives:

- Improve the capacity of youth in the community: Developing peer support models, including training, project design, and implementation; creating Youth Action Board training, including government rules, leadership, and other skills; community training and outreach on how to work with youth and integrate youth leadership in an authentic way.
- Establish partnerships: Bringing together system partners who also work with youth who are living in unstable housing. This could include partnerships with Tribes and cultural organizations in the community, K-12 schools, higher education, juvenile justice, child welfare, employment services, etc.
- Improve the centralized or coordinated assessment system also known as the Coordinated Entry Systems (CES).
- Improve data collection and use between systems that work with youth at-risk of and experiencing homelessness.
- Assess, address, and improve equity in youth homeless response systems.

To meet these objectives, HUD will award \$50,000,000 in YHSI grants under this NOFO through funding appropriated by the Consolidated Appropriations Act, 2022 (Public Law 117-103, approved March 15, 2022) and the Consolidated Appropriations Act, 2023 (Public Law 117-328, approved December 29, 2022)). The FY 2022 and FY 2023 Appropriations Acts provided this funding to HUD "to support communities... in establishing and implementing a response system for youth homelessness, or for improving their existing system"

This NOFO outlines the methodology HUD will follow to determine award amounts. Systemic change is often larger than one Continuum of Care. HUD is including additional points for statewide or cross-community project proposals in order to emphasize the need for coordination across communities. Subject to HUD's right to select lower scoring community selection applications under Section III.F.a, HUD will use the community scores under this NOFO to select communities. See Section II, Award Information, for further information on the award process.

Technical assistance will be available to selected communities to build their knowledge, skills, capacity, tools, and HUD systems knowledge in order for the recipient to implement their YHSI grant. Communities will be expected to fully participate in any evaluation activities conducted by HUD or entities identified by HUD beginning no earlier than the announcement of community selection.

After the application submission deadline, HUD will assess the applications and select communities. Award amount for communities is outlined in Section II.C.

2. HUD and Program-Specific Goals and Objectives

This NOFO supports [HUD's Strategic Plan for Fiscal Years \(FY\) 2022-2026](#) to accomplish HUD's mission and vision. Each of the five goals in the [Strategic Plan](#) include what HUD hopes to accomplish, the strategies to accomplish those objectives, and the indicators of success. However, of the five goals only those applicable to this NOFO are identified below.

You are expected to align your application to the applicable strategic goals and objectives below. Use the information in this section to describe in your application the specific goals, objectives, and measures that your project is expected to help accomplish. If your project is selected for funding, you are also expected to establish a plan to track progress related to those goals, objectives, and measures. HUD will monitor compliance with the goals, objectives, and measures in your project.

Applicable Goals and Objectives from HUD's Strategic Plan

1. Strategic Goal 1: Support Underserved Communities

Fortify support for underserved communities and support equitable community development for all people.

2. 1B: Reduce Homelessness

Strengthen Federal, State, Tribal, and community implementation of the Housing First approach to reducing the prevalence of homelessness, with the ultimate goal of ending homelessness.

3. 1C: Invest in the Success of Communities

Promote equitable community development that generates wealth-building for underserved communities, particularly for communities of color.

The YHSI grants will incorporate HUD's strategy to reduce homelessness by increasing the capacity of the Continuum of Care, by focusing on systemic change through projects that create and build capacity for Youth Action Boards; collect and use data on at-risk youth and youth experiencing homelessness; develop strong leaders within a community; and improve the coordination, communication, operation, and administration of homeless assistance projects to better serve youth, including prevention and diversion strategies. Additionally, in recognition that "promoting equity is a key component in reducing homelessness," awarded recipients are required to evaluate the impact of YHSI projects on racial equity in the community.

Funding Opportunity Goals Communities may either establish or improve existing response systems for youth homelessness through the following objectives

Improve the capacity of youth in the community Developing peer support models including training project design and implementation creating Youth Action Board training including government rules leadership and other skills community training and outreach on how to work with youth and integrate youth leadership in an authentic way.

Establish partnerships Bringing together system partners who also work with youth who are living in unstable housing. This could include partnerships with Tribes and cultural organizations in the community K12 schools higher education juvenile justice child welfare employment services etc.

Improve the centralized or coordinated assessment system also known as the Coordinated Entry Systems CES.

Improve data collection and use between systems that work with youth at risk of and

experiencing homelessness.

Assess address and improve equity in youth homeless response systems.

3. Changes from Previous NOFO

Not applicable-this is the first YHSI NOFO.

4. Definitions

a. Standard Definitions

Affirmatively Furthering Fair Housing (AFFH) means taking meaningful actions, in addition to combating discrimination to overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunities, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially and ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws. The duty to affirmatively further fair housing extends to all program participant's activities and programs relating to housing and urban development.

Assistance Listing number refers to the unique number assigned to each Federal assistance program publicly available in the Assistance Listing, which is managed and administered by the General Services Administration. The Assistance Listing number was formerly known as the Catalog of Federal Domestic Assistance (CFDA) number.

Authorized Organization Representative (AOR) is a person authorized to legally bind your organization and submit applications via Grants.gov. The AOR is authorized by the E-Business Point of Contact (E-Biz POC) in the System for Award Management (see E-Biz POC definition). An AOR may include an Expanded AOR and/or a Standard AOR.

Expanded Authorized Organization Representative is a user in Grants.gov who is authorized by the E-Biz POC to perform the functions of a Standard AOR, initiate and submit applications on behalf of your organization, and is allowed to modify organization-level settings and certifications in Grants.gov.

Standard Authorized Organization Representative is a user in Grants.gov who is authorized by the E-Biz POC to initiate and submit applications in Grants.gov. A Grants.gov user with the Standard AOR role can only submit applications when they are a Participant for that workspace.

Consolidated Plan is the document submitted to HUD that serves as the comprehensive housing affordability strategy, community development plan, and submission for funding under any of the Community Planning and Development formula grant programs (e.g., CDBG, ESG, HOME, and HOPWA). This Plan is prepared in accordance with the process described in [24 CFR part 91](#). This plan is completed by engaging in a participatory process to assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions with funding from formula grant programs. (See [24 CFR part 91](#) for HUD's requirements regarding the Consolidated Plan and related Action Plan).

Contract means, for the purpose of Federal financial assistance, a legal instrument by which a recipient or subrecipient purchases property or services needed to carry out the project or program under a federal award. For additional information on contractor and subrecipient determinations, see [2 CFR 200.331](#).

Contractor means an entity that receives a contract as defined above and in [2 CFR 200.1](#).

Cooperative agreement has the same meaning defined at [2 CFR 200.1](#).

Deficiency, with respect to the making of an application for funding, is information missing or omitted within a submitted application. Examples of deficiencies include missing documents, missing or incomplete information on a form, or some other type of unsatisfied information requirement. Depending on specific criteria, a deficiency may be either Curable or Non-Curable.

*A **Curable Deficiency*** is missing or incomplete application information that may be corrected by the applicant with timely action. To be curable, the deficiency must:

- Not be a threshold requirement, except for documentation of applicant eligibility;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.

*A **Non-Curable Deficiency*** is missing or incomplete application information that cannot be corrected by an applicant after the submission deadline. A non-curable deficiency is a deficiency that is a threshold requirement, or a deficiency that, if corrected, would change an applicant's score or rank versus other applicants. If an application includes a non-curable deficiency, the application may receive an ineligible determination, or the non-curable deficiency may otherwise adversely affect the application's score and final funding determination.

E-Business Point of Contact (E-Biz POC) is an organization applicant who is responsible for the administration and management of grant activities for his or her organization. The E-Biz POC is likely to be an organization's chief financial officer or authorizing official. The E-Biz POC authorizes representatives of their organization to apply on behalf of the organization (see Authorized Organization Representative definition). There can only be one E-Biz POC per unique entity identifier (see definition of Unique Entity Identifier below).

This definition does not alter the requirements under HUD's regulations at [24 CFR 58.5\(j\)](#) and [24 CFR 50.4\(l\)](#) implementing [Executive Order 12898](#). E.O. 12898 requires a consideration of how federally assisted projects may have disproportionately high and adverse human health or environmental effects on minority and/or low-income populations. For additional information on environmental review compliance, refer to:

C. Minimum/Maximum Award Information

HUD will rate submitted applications according to the rating factors outlined in Section V, Application Review Information, and fund applications in that order.

HUD will limit the amount awarded to applications based on the proposed activities in the project description. These limits are based on the eligible activity categories outlined in Section IV.F, Funding Restrictions, and are as follows:

- (5) Receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of provisions of a state or local law prohibiting discrimination in housing based on sexual orientation, gender identity, or lawful source of income.

b. HUD will determine if actions to resolve the charge, cause determination, lawsuit, or letter of findings taken before the application deadline date will resolve the matter. Examples of actions that may be sufficient to resolve the matter include, but are not limited to:

- (1) Current compliance with a voluntary compliance agreement signed by all the parties;
- (2) Current compliance with a HUD-approved conciliation agreement signed by all the parties;
- (3) Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;
- (4) Current compliance with a consent order or consent decree;
- (5) Current compliance with a final judicial ruling or administrative ruling or decision; or
- (6) Dismissal of charges.

2. Timely Submission of Applications

Applications submitted after the deadline stated within this NOFO that do not meet the requirements of the grace period policy are marked late. Late applications are ineligible and are not considered for funding. See Section IV. D. Application Submission Dates and Times.

E. Statutory and Regulatory Requirements Affecting Eligibility

Eligibility Requirements for Applicants of HUD's Financial Assistance Programs

The following requirements affect applicant eligibility. Detailed information on each requirement is found in the [“Eligibility Requirements for Applicants of HUD’s Financial Assistance Programs” document on HUD’s Funding Opportunities page.](#)

- Universal Identifier and System for Award Management (SAM.gov) Requirements
- Outstanding Delinquent Federal Debts
- Debarments or Suspensions, or both
- Mandatory Disclosure Requirement
- Pre-selection Review of Performance
- Sufficiency of Financial Management System
- False Statements
- Prohibition Against Lobbying Activities

In addition, each applicant under this NOFO must have the necessary processes and systems in place to comply with the Award Term in Appendix A of [24 CFR part 170](#) if the applicant receives an award, unless an exception applies as provided in [2 CFR 170.110](#).

F. Program-Specific Requirements

1. Applicants must propose projects specifically to build or improve youth homeless response systems. Funds may not be used to provide housing or services and HUD will reject applications that list housing and/or housing services as proposed activities.
2. YHSI grant recipients must complete each project funded under the grant by the end of the grant period. HUD may extend the grant term of a YHSI grant consistent with 2 CFR 200.308 and 2 CFR 200.309
3. YHSI grant recipients must agree to submit biannual updates to the milestone chart outlined in Section IV.B.1 to ensure the grant is progressing at an acceptable rate. If a recipient fails to submit a biannual milestone update, funding obligated but not yet spent by the community may be rescinded. The milestone chart must include the following required elements:
 - a. Activities undertaken in the project, including dates and critical organizations/partners in the work
 - b. A list and description of deliverables that will be produced, including estimated date.

HUD reserves the right to review and require changes to the proposed updates to the milestone chart, including proposed dates and deliverables.

3. Recipients of YHSI grants must agree to receive and participate in HUD-funded Technical Assistance (TA) before the recipient commits awarded funds, as a condition of award. YHSI TA will consist of direct TA to the community as well as project-specific group learning.
4. Recipients of YHSI grants must agree to participate in any future HUD-funded research and evaluation activities meant to better understand the outcomes or impact associated with these funds.
5. HUD has determined that geographic diversity is an appropriate consideration in selecting communities for the YHSI. To this end, HUD reserves the right to select lower

scoring applications in order to fund applications from eligible communities with the highest total score in each of the 10 HUD regions.

6. HUD will review one application per organization for this NOFO unless the applicant chooses to submit one state-wide application and one non-statewide application. For example, an applicant could submit one application that will create a state-wide discharge strategy for youth aging out of foster care and involves partners throughout the state; and another application that works on developing partnerships and processes related to coordinated entry for youth at the CoC level. HUD will not review more than two applications per applicant.

Advancing Racial Equity

In accordance with Executive Order [13985](#), *Executive Order On Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*, and federal fair housing and civil rights laws, you must submit a narrative demonstrating the following:

- You analyzed the racial composition of the persons or households who are expected to benefit from your proposed grant activities;
- You identified any potential barriers to persons or communities of color equitably benefiting from your proposed grant activities;
- You detailed the steps you will take to prevent, reduce or eliminate these barriers; and
- You have measures in place to track your progress and evaluate the effectiveness of your efforts to advance racial equity in your grant activities.

Note that any actions taken in furtherance of this section must be consistent with federal nondiscrimination requirements.

This narrative is required and must address the four bullets outlined in the paragraph above. This narrative will be evaluated for sufficiency and points will not be awarded or deducted based on the narrative. Applicants should provide their response as an attachment entitled “Advancing Racial Equity responses.” This will not count toward the 25-page limit.

Please note that you may use some of the responses to questions in the Rating Factors to address questions in this attachment; however, to receive credit, you must include the response in both documents.

C. System for Award Management (SAM) and Unique Entity Identifier (UEI)

1. SAM Registration Requirement

You must register with <https://www.sam.gov/> before submitting their application. You must maintain current information in SAM on immediate and highest-level owner and subsidiaries, as well as on all predecessors that have been awarded a federal contract or grant within the last three years, if applicable. Information in SAM must be current for all times during which you have an active Federal award or an application or plan under consideration by HUD.

2. UEI Requirement

As of April 4, 2022, entities doing business with the federal government must use the UEI created in SAM.gov. Also, you must provide a valid UEI, registered and active at www.sam.gov/ in the application. For more information, see: <https://www.gsa.gov/about-us/organization/federal-acquisition-service/office-of-systems-management/integrated-award->

[environment-iae/iae-systems- information-kit/unique-entity-identifier-update.](#)

3. Requirement to Register with Grants.gov

Anyone planning to submit applications on behalf of an organization must register at Grants.gov and be approved by the E-Biz POC in SAM to submit applications for the organization. Registration for SAM and Grants.gov is a multi-step process and can take four (4) weeks or longer to complete if data issues arise. Applicants without a valid registration cannot apply through Grants.gov. Complete registration instructions and guidance are provided on Grants.gov.

D. Application Submission Dates and Times

1. Application Due Date Explanation

The application deadline is 11:59:59 PM Eastern time on

02/15/2024

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit a paper application. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

“Received by Grants.gov” means the applicant received a confirmation of receipt and an application tracking number from Grants.gov. Grants.gov then assigns an application tracking number and date-and timestamp each application upon successful receipt by the Grants.gov system. A submission attempt not resulting in confirmation of receipt and an application tracking number is not considered received by Grants.gov.

Applications received by Grants.gov must be validated by Grants.gov to be received by HUD.

“Validated by Grants.gov” means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting “Applicants” from the top navigation, and selecting “Track my application” from the dropdown list. If the application status is “rejected with errors,” you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in “rejected with errors” status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after applying.

HUD strongly recommends you submit your applications at least **48 hours before the deadline** and during regular business hours to allow enough time to correct errors or overcome other problems.

2. Grants.gov Customer Support

Grants.gov provides customer support information on its website at <https://www.grants.gov/web/grants/support.html>. If you have difficulty accessing the application and instructions or have technical problems, contact Grants.gov customer support center by calling (800) 518-GRANTS (this is a toll-free number) or by sending an email to support@grants.gov. The customer support center is open 24 hours a day, seven days per week, except Federal holidays. Individuals who are deaf or hard of hearing, or who have speech and other communication disabilities may use a relay service to reach Grants.gov Customer Support. To learn more about how to make an accessible telephone call, visit the [webpage for Federal Communications Commission](#).

3. Grants.gov Application Submission

You can verify the contents of your submitted application to confirm Grants.gov received everything you intended to submit. To verify the contents of your submitted application:

- Log in to Grants.gov.
- Click the Check Application Status link, which appears under the Grant Applications heading in the Applicant Center page. This will take you to the Check Application Status page.
- Enter search criteria and a date range to narrow your search results.
- Click the Search button. To review your search results in Microsoft Excel, click the Export Data button.
- Review the Status column. To view more detailed submission information, click the Details link in the Actions column.
- To download the submitted application, click the Download link in the Actions column.

Take note of the Grants.gov tracking number, as it is needed by the Grants.gov customer support center should you seek their assistance.

HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially declared disaster in the applicant's area.

If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants. HUD will also publish the extension on Grants.gov.

In determining whether to grant a request for an extension based on a presidentially declared disaster, HUD will consider the totality of the circumstances including the date of an applicant's extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

NOTE: Busy servers, slow processing, large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

4. Amending or Resubmitting an Application

Before the submission deadline, you may amend a validated application through Grants.gov by resubmitting a revised application containing the new or changed material. The resubmitted application must be received and validated by Grants.gov by the applicable deadline.

If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

5. Grace Period for Grants.gov Submissions

If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected, received, and validated application through Grants.gov. The date and time stamp on the Grants.gov system

determines the application receipt time. Any application submitted during the grace period but not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

6. Late Applications

An application received after the NOFO deadline date that does not meet the Grace Period requirements will be marked late and will not be reviewed by HUD for funding

consideration. Improper or expired registration and password issues are not sufficient causes to allow HUD to accept applications after the deadline date.

7. Corrections to Deficient Applications

HUD will not consider information from applicants after the application deadline except for curable deficiencies.

HUD will uniformly notify applicants of each curable deficiency. See curable deficiency definition in section I.A of this NOFO. Examples of curable (correctable) deficiencies include inconsistencies in the funding request and failure to submit required certifications. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized organization representative identified on the SF-424 Application for Federal Assistance via email. This email is the official notification of a curable deficiency.

You must email corrections of Curable Deficiencies to applicationsupport@hud.gov within the time limits specified in the notification. The time allowed to correct deficiencies will be no less than 48 hours and no more than 14 calendar days from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD. If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters are closed, then the applicant's correction must be received on the next business day HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to applicationsupport@hud.gov must state: Technical Cure and include the Grants.gov application tracking number or the GrantSolutions application number (e.g., Subject: Technical Cure - GRANT123456 or Technical Cure - XXXXXXXXXXXX). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application containing the wrong UEI as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a UEI and active registration in SAM will render the application ineligible for funding.

8. Authoritative Versions of HUD NOFOs

The version of this NOFO posted on Grants.gov includes the official documents HUD uses to solicit applications.

9. Exemptions

Parties that believe the requirements of the NOFO would impose a substantial burden on the exercise of their religion should seek an exemption under the [Religious Freedom Restoration Act \(RFRA\)](#).

E. Intergovernmental Review

This program is not subject to [Executive Order 12372, Intergovernmental Review of Federal Programs](#).

F. Funding Restrictions

HUD has established a \$200,000 minimum funding amount for a successful application.

Each YHSI grant recipients' costs must also comply with the specific project(s) and budget HUD approves for that recipient's award.

Funding provided under this NOFO must comply with OMB cost principles found at 2 CFR Part 200 subpart E and may only be used by the recipient for the costs of carrying out the following eligible activities related to either establishing and implementing a response system for youth homelessness or improving the community's current response system:

3. Coordinated Entry Systems (CES):

 - c. Costs associated with implementing policies, procedures, and cultural change associated with outcomes of a youth homelessness equity analysis;
 - d. Costs associated with developing an evaluation framework for current and future projects serving youth experiencing homelessness, including outcomes related to racial equity and LGBTQIA+ equity.

Indirect Cost Rate

Normal indirect cost rules under [2 CFR part 200, subpart E](#) apply. If you intend to charge indirect costs to your award, your application must clearly state the rate and distribution base you intend to use. If you have a Federally negotiated indirect cost rate, your application must also include a letter or other documentation from the cognizant agency showing the approved rate. Successful applicants whose rate changes after the application deadline must submit the new rate and documentation to assure the award agreement incorporates the applicable rate.

G. Other Submission Requirements

1. Standard Application, Assurances, Certifications and Disclosures

Standard Form 424 (SF-424) Application for Federal Assistance

The SF-424 is the government-wide form required to apply for Federal assistance programs, discretionary Federal grants, and other forms of financial assistance programs. You must complete and submit the form with the other required forms and information as directed in this NOFO.

By signing the forms in the SF-424 either through electronic submission or in paper copy submission (for those granted a waiver), you and the signing authorized organization representative affirm that you both have reviewed the certifications and assurances associated with the application for Federal assistance and (1) are aware the submission of the SF-424 is an assertion that the relevant certifications and assurances are established and (2) acknowledge that the truthfulness of the certifications and assurances are material representations upon which HUD will rely when making an award to the applicant. If it is later determined the signing authorized organization representative to the application made a false certification or assurance, caused the submission of a false certification or assurance, or did not have the authority to make a legally binding commitment for the applicant, the applicant and the individual who signed the application may be subject to administrative, civil, or criminal action. Additionally, HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to Federally recognized Indian tribes, or Alaskan native villages and those applicable to applicants other than Federally recognized Indian tribes, or Alaskan native villages.

Assurances (HUD 424-B)

By submitting your application, you provide assurances that, if selected to receive an award, you will comply with U.S. statutory and other requirements, including, but not limited to civil rights requirements. All recipients and subrecipients of the award are required to submit assurances of compliance with federal civil rights requirements. *See, e.g.*, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, Violence Against Women Act, and the Age Discrimination Act of 1975; *see also* [24 C.F.R. §§ 1.5; 3.115; 8.50; and 146.25](#). HUD accepts these assurances in the form of the HUD 424-B, which also require compliance with HUD Reform Act requirements and all general federal nondiscrimination requirements in the administration of the federal assistance award.

Applicant Disclosure Report Form 2880 (HUD 2880)

The form HUD 2880 is required if you are applying for assistance within the jurisdiction of HUD to any project subject to Section 102(d) of the [HUD Reform Act](#). Assistance is provided directly by HUD to any person or entity, but not to subrecipients. It includes assistance for the acquisition, rehabilitation, operation, conversion, modernization, renovation, or demolition of any property containing five or more dwelling units that is to be used primarily for residential purposes. It includes assistance to independent group residences, board and care facilities, group homes and transitional housing but does not include primarily nonresidential facilities such as intermediate care facilities, nursing homes and hospitals. It also includes any change requested by a recipient in the amount of assistance previously provided, except changes resulting from annual adjustments in Section 8 rents under Section 8(c)(2)(A) of the United States Housing Act of 1937 ([42 U.S.C. 1437f](#)). [See HUD Reform Act regulation for additional information.](#)

Code of Conduct

Both you, as the award recipient, and all subrecipients must have a code of conduct (or written standards of conduct). The code of conduct must comply with the requirements included in the “Conducting Business in Accordance with Ethical Standards” section of the [Administrative, National and Department Policy Requirements and Terms for HUD Financial Assistance Awards](#), as well as any program-specific requirements. These requirements include ethical standards related to conflicts of interest for procurements in [2 CFR 200.318\(c\)](#) and [2 CFR 200.317](#), as well as HUD-specific conflict of interest standards. HUD maintains a list of organizations that have previously submitted written standards of conduct on its [Code of Conduct for HUD Grant Programs webpage](#). But it is your responsibility to ensure that the standards are compliant with the noted requirements and that HUD has the latest version of the written standards. Updated written standards should be submitted with the application. Any updates to your written standards, after the application period, should be submitted as directed by the HUD program contact for this NOFO.

Affirmatively Furthering Fair Housing

With some exceptions for Federally recognized Indian tribes and their instrumentalities, the application must discuss how the applicant will carry out the proposed activities in a manner that affirmatively furthers fair housing in compliance with the Fair Housing Act and its implementing regulations, and how applicants will meet the requirements of the definition of AFFH at 24 CFR 5.151. Applicants may propose activities that are consistent with their jurisdiction’s Analysis of Impediments (AI), an Assessment of Fair Housing (AFH), or other means of fair housing planning that meaningfully supports their AFFH certification.

If the applicant will carry out proposed activities in a jurisdiction with an AFH, the proposed activities should be consistent with the AFH’s fair housing goals and with fair housing strategies specified in the jurisdiction’s Consolidated Plan or Public Housing Agency Plan.

Applicants must address this requirement in response to question 5 of the Youth Involvement Rating Factor.

2. Other Program-Specific Requirements

Standard Form 424A (SF-424A): Budget Information for Non-Construction Programs

Applicants must provide a complete and detailed budget for the total performance period of the expected award through the submission of the SF-424A. For the budget recorded on form SF-424A, provide a breakdown of the aggregate numbers detailing their allocation to each activity. The budget must also include a yearly breakdown of costs for each activity. In addition to the SF-424A form instructions available on Grants.gov, applicants should use [Appendix I. HUD’s Guidance for Preparing a Budget Request](#) in this NOFO, to complete the SF-424A. The data submitted on the SF-424A form will inform the expected financial assistance award for this NOFO. All costs charged to awards made as a result of this funding announcement must be allowable, allocable, and supported by adequate documentation, consistent with applicable cost principles.

Federal Assistance Assurances. To assure compliance with statutory requirements for non-construction grant programs, you must complete the Federal Assistance Representations and Certifications section of your sam.gov registration. HUD and OMB use information reported within sam.gov for general management of Federal assistance awards programs. For more

information on how to update your sam.gov registration, visit SAM.gov or the Federal Service Desk, FSD.gov. You can search for help at FSD any time or request help from an FSD agent Monday-Friday 8 a.m. to 8 p.m. ET.

V. APPLICATION REVIEW INFORMATION

A. Review Criteria

1. Rating Factors

Points are assigned for five rating factors: Proposed Project Activities, Budget, Youth Involvement, Project Outcomes and Evaluation, and Regional Approach. Applications will be evaluated based on responses to all rating factors. The table below outlines the selection criteria by rating factor with the points that may be awarded for each out of a possible 100 total points. Applicants must provide a response to each of the questions, below, particularly questions regarding project scope, budget, and Affirmatively Furthering Fair Housing.

Rating Factor	Points
Proposed Project Activities	40
Budget	10
Youth Involvement	20
Project Outcomes and Evaluation	15
Regional Approach	15
Total	100

Proposed Project Activities

Maximum Points: 40

1. Submit a scope of work describing the proposed project, including a description of all activities, what persons or group are involved in those activities, and the expected inputs and outputs for each activity. Responses should include a general goal statement for the project as well as specific activities that will be included.
2. Outline the identified need(s) in the community that the proposed project activities are seeking to address and how the proposed project activities will address these needs. Discussion of need for this NOFO relates to current system deficiencies, inefficiencies, or missed opportunities in the youth homeless response system. Maximum points will be awarded to responses that describe these systemic needs and how they will be addressed by the proposed project activities.
3. Describe how the applicants determined that the proposed project activities are needed. This could include, but are not limited to, a data analysis, including the data sources used; listening sessions, including a general description of what populations participated in these sessions; community feedback, including a general description of how and from whom the applicant collected the feedback.

B. Review and Selection Process

1. Past Performance

In evaluating applications for funding, HUD will consider an applicant's past performance in managing funds. Items HUD will consider include, but are not limited to:

OMB-designated repositories of governmentwide data, as noted in [2 CFR 200.206\(a\)](#)

HUD may reduce scores based on the past performance review, as specified under V.A. Review Criteria. Whenever possible, HUD will obtain and review past performance information. If this review results in an adverse finding related to integrity of performance, HUD reserves the right to take any of the remedies provided in the [Pre-Selection Review of Performance section of the Eligibility Requirements for Applicants of HUD Financial Assistance Programs](#).

2. Assessing Applicant Risk

In evaluating risks posed by applicants, HUD may use a risk-based approach and may consider any items such as the following:

- (1) Financial stability;
- (2) Quality of management systems and ability to meet the management standards prescribed in this part;
- (3) History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting

requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;

(4) Reports and findings from audits performed under Subpart F—Audit Requirements of this part or the reports and findings of any other available audits; and

(5) The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities.

Integrity. HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD's files, the Federal Do Not Pay portal, public information and information received during HUD's Name Check Review process.

Review Process. HUD staff, who may be assisted by staff from other Federal agencies with experience related to youth experiencing homelessness, coordinated community approaches to preventing and ending youth homelessness, and/or evidence-based interventions, will review applications in two phases:

Phase 1: Threshold Eligibility Requirements. The application will be reviewed to determine whether it meets the threshold eligibility requirements in Section III.D of this NOFO. Applicants who fail to meet all of the threshold eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated.

Phase 2: Application Scoring. If the applicant meets all threshold requirements, the application will be reviewed and scored using the selection criteria outlined in Section V.A.1 of this NOFO. After individual reviewers assign a score, each application will be paneled with an additional reviewer for a final score. Notwithstanding Section V.B.1, HUD will not adjust scores based on past performance review or take any remedies in response to adverse findings related to integrity of performance.

Selection Process

Ranked Order and Selection of Applicants. Once final scores have been assigned, applications will be listed in ranked order and applicants will be selected in ranked order, except as provided in Section III.F. where HUD reserves the right to select lower scoring applications. The amount awarded to applications will be determined according to the formula described in Section II.C and the factors described in Section V.A.1 of this NOFO.

Funding Decisions. Funding decisions will be made on applications as described in Section VI.A.2. In determining the amount that will be available to a selected application, HUD will take into consideration the amount of funds available, and the final score assigned to the application. HUD will select the highest-ranking applications for funding as indicated in VI.A.2., however, HUD reserves the right to select lower scoring applications.

3. Experience Promoting Racial Equity

In evaluating applications for funding, HUD will consider the extent to which the application demonstrates that the applicant has the experience and the resources to effectively address the needs of underserved communities, particularly Black and Brown communities. This may include experience successfully working directly with such groups, experience designing or operating programs that equitably benefit such groups, or experience successfully advancing racial equity in other ways. This may also include experience soliciting, obtaining, and applying input from such groups when designing, planning, or implementing programs and activities.

An applicant's responses under questions 1 and 4 of the Youth Involvement Rating Factor satisfy this requirement.

VI. AWARD ADMINISTRATION INFORMATION

A. Award Notices

Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline but were not chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF-424.

1. Final Grant

After HUD has made selections, HUD will finalize specific terms of the award and budget in consultation with the selected applicant. If HUD and the selected applicant do not finalize the terms and conditions of the award in a timely manner, or the selected applicant fails to provide requested information, an award will not be made to that applicant. In this case, HUD may select another eligible applicant. HUD may also impose specific conditions on an award as provided under [2 CFR 200.208](#).

2. Adjustments to Funding

To ensure the fair distribution of funds and enable the purposes or requirements of a specific program to be met, HUD reserves the right to fund less than the amount requested in an application.

a. HUD may fund no portion of an application that:

- (1) Is ineligible for funding under applicable statutory or regulatory requirements;
- (2) Fails, in whole or in part, to meet the requirements of this notice;
- (3) Duplicates activities funded by other federal awards; or
- (4) Duplicates activities funded in a prior year.

b. HUD may adjust the funding for an application to ensure funding diversity, geographic diversity, and alignment with HUD administrative priorities.

c. If an applicant turns down an award offer, or if HUD and an applicant do not finalize the terms and conditions of the award in a timely manner, HUD may withdraw the award offer and make an offer of funding to another eligible application.

d. If funds remain after all selections have been made, remaining funds may be made available within the current fiscal year for other competitions within the program area, or be held for

future competitions (if allowable in accordance with the applicable appropriation or authorizing statute), or be used as otherwise provided by authorizing statute or appropriation.

e. If, after announcement of awards made under the current NOFO, additional funds become available either through the current appropriations, a supplemental appropriation, other appropriations or recapture of funds, HUD may, in accordance with the appropriation, use the additional funds to provide additional funding to an applicant awarded less than the requested amount of funds to make the full award, and/or to fund additional applicants that were eligible to receive an award but for which there were no funds available.

3. Funding Errors

If HUD commits an error that when corrected would cause selection of an applicant during the funding round of a Program NOFO, HUD may select that applicant for funding, subject to the availability of funds. If funding is not available to award in the current fiscal year, HUD may make an award to this applicant during the next fiscal year, if funding is available.

B. Administrative, National and Departmental Policy Requirements and Terms for HUD Applicants and Recipients of Financial Assistance Awards

Unless otherwise specified, the following [Administrative, National and Department Policy Requirements and Terms for HUD Financial Assistance Awards](#) apply. C. Reporting

HUD requires recipients to submit performance and financial reports under OMB guidance and program instructions.

1. Recipient Integrity and Performance Matters

You should be aware that if the total Federal share of your federal award includes more than \$500,000 over the period of performance, the award will be subject to post award reporting requirements reflected in [Appendix XII to 2 CFR part 200, Award Terms and Conditions for Recipient Integrity and Performance Matters](#).

2. Race, Ethnicity and Other Data Reporting

HUD requires recipients that provide HUD-funded program benefits to individuals or families to report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of HUD programs in order to carry out the Department's responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987. These authorities prohibit discrimination in housing and in programs receiving financial assistance from the Department and direct the Secretary to administer the Department's programs and

activities in a manner affirmatively to further these policies and to collect certain data to assess the extent of compliance with these policies. Each recipient shall keep such records and submit to the Department timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the Department may determine to be necessary to enable it to ascertain whether the recipient has complied or is complying with 24 CFR parts 1 and 121. In general, recipients should have available for the Department data showing the demographics of beneficiaries of federally-assisted programs.

3. Compliance with the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282) as amended (FFATA)

- If the class categories are not known at the time of application, include the expected budget under row h.
- Unless the program section of the NOFO indicates otherwise, if indirect charges are expected and included on the form, the charges must be calculated based on either the federal-approved negotiated indirect cost rate, or the 10 percent de minimis rate, as allowed by [2 CFR 200.414](#).
