Due Date for Applications:
08/29/2024

OVERVIEW

The U.S. Department of Housing and Urban Development (HUD) issues this Notice of Funding Opportunity (NOFO) to invite applications from eligible applicants for the program and purpose described within this NOFO. You, as a prospective applicant, should carefully read all instructions in all sections to avoid sending an incomplete or ineligible application. HUD funding is highly competitive. Failure to respond accurately to any submission requirement could result in an incomplete, ineligible, or noncompetitive proposal.

In accordance with [Title 24 part 4, subpart B](#) of the Code of Federal Regulations (CFR), during the selection process (which includes HUD's NOFO development and publication, and concludes with the announcement of the selection of recipients of assistance), HUD is prohibited from disclosing covered selection information. Examples of impermissible disclosures include: 1) information regarding any applicant's relative standing; 2) the amount of assistance requested by any applicant; and 3) any information contained in the application. Prior to the application deadline, HUD may not disclose the identity of any applicant or the number of applicants who have applied for assistance.

For further information regarding this NOFO, direct questions regarding the specific requirements of this NOFO to the agency contact identified in section VII.

Paperwork Reduction Act Statement. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. §§ 3501- 3520) (PRA), the Office of Management and Budget (OMB) approved the information collection requirements in this NOFO. HUD may not conduct or sponsor, and a person is not required to respond to a collection of information unless the collection displays a valid OMB control number. This NOFO identifies the applicable OMB control number, unless the collection of information is excluded from these requirements under [5 CFR Part 1320](#).

I. FUNDING OPPORTUNITY DESCRIPTION

A. Program Description

1. Purpose

In 2022, the United States Interagency Council on Homelessness (USICH) published [All In: The Federal Strategic Plan to Prevent and End Homelessness \(All In\)](#). The plan is built around six pillars: three foundations—equity, data and evidence, and collaboration—and three solutions—

housing and supports, crisis response, and prevention. The work funded through this NOFO will support the actions and strategies proposed within the pillars.

The goal of the Youth Homeless Demonstration Program (YHDP) is to support selected communities in the development and implementation of a coordinated community approach to preventing and ending youth homelessness. This community planning approach supports the foundations outlined in *All In* and will guide communities in designing solutions that match the needs in their community, and sharing that experience with and mobilizing communities around the country toward the same end. The population to be served by this demonstration program is youth experiencing homelessness, age 24 and under, including unaccompanied youth and pregnant or parenting youth who are experiencing homelessness. HUD will award approximately \$72,000,000 in YHDP under this NOFO through funding appropriated for fiscal year (FY) 2023 on December 29, 2022, through the Consolidated Appropriations Act, 2023 (Public Law 117-328) ("FY 2023 Appropriations Act). The FY 2023 Appropriations Act appropriated this funding to HUD "to implement projects to demonstrate how a comprehensive approach to serving homeless youth, age 24 and under ... can dramatically reduce youth homelessness."

Through this NOFO, HUD will select up to 25 communities, with a priority for communities with substantial rural populations in up to eight locations. This NOFO outlines the methodology HUD will follow to determine award amounts and to alert each community selected of the amount of money available to them through the YHDP. Subject to HUD's right to select lower scoring community selection applications under Section III.F.a, HUD will use the community scores under this NOFO along with the formula in Section II.C of this NOFO to select communities. The CoC's Collaborative Applicant is responsible for submitting the community selection application for this NOFO.

Separate from this NOFO, technical assistance will be available to selected communities to assist them in analyzing community strengths and needs, developing a coordinated community plan (CCP), implementing the plan, and then engaging in a process of continuous quality improvement.

HUD will share demonstration outcomes and make homeless assistance resources publicly available to accelerate efforts to prevent and end youth homelessness nationally. In addition, HUD, and to the extent possible, its Federal partners, will work to accelerate HUD and the public's learning related to youth experiencing homelessness and the concepts of:

- Housing First;
- Assessment and prioritization;
- Coordinated entry;
- Risk and protective factors for youth homelessness;
- Diversion from child welfare and criminal justice;
- Success in education and employment;
- Serving survivors of violence, including trafficking;
- Promoting equity and cultural sensitivity;
- Serving LGBTQ+ youth, youth under the age of 18, and pregnant and parenting youth;
- and

- Improving performance on system performance measures

HUD recognizes that there are promising strategies concerning these concepts, but limited evidence to support replication of best practices. Given the importance of advancing our understanding in this topic area, HUD is very interested in communities that will commit to focusing attention on these issues.

After the application submission deadline, HUD will take several months to assess the applications and select communities. Available award amount information for communities is outlined in Section II.C.

Once HUD announces the selected communities, communities will have a total of 6 months to submit a first draft of the coordinated community plan, which is comprised of certain components of the overall coordinated community plan. Communities may request up to a 1-month extension of this deadline by emailing youthdemo@hud.gov. The remaining components of the coordinated community plan must be submitted as described in Appendix B. See Section III.F.b and Appendix B of this NOFO for further information.

Immediately following the announcement of selected communities, HUD will make three percent of a Community's available award amount, outlined in Section II.C, available to the Collaborative Applicant or their designee to fund initial planning activities. Funds used for planning activities are subject to 578.39(b) and (c) as may be amended from time to time. Funds used on initial planning activities may only be used for costs of planning related to preventing and ending youth homelessness in the Community. Additionally, during plan development, Collaborative Applicants or their designee may apply for additional planning projects, totaling up to ten percent of the total community funding amount, to support the selected community's continued planning efforts. After the first draft of the CCP is approved, applicants may apply for projects up to the total amount made available to the community under the YHDP, minus amounts previously awarded for planning activities. Communities will be expected to fully participate in any evaluation activities conducted by HUD beginning no earlier than the announcement of community selection.

All awards and projects funded under this NOFO are subject to the following provisions of 24 CFR part 578, as may be amended from time to time, except where they conflict with the NOFO requirements, activities that the Recipient will implement and are authorized pursuant to I.C.1.a. or b. of Appendix A of this NOFO, waivers issued by HUD, or with the proviso that Grant funds may only be used to serve homeless youth, age twenty-four (24) and younger: 24 CFR 578.3, 578.15, 578.23, 578.25, 578.29, 578.37, 578.43, 578.45, 578.47, 578.49, 578.51, 578.53, 578.55, 578.57, 578.59, 578.61, 578.63, 578.73, 578.75, 578.77, 578.79, 578.81, 578.83, 578.85, 578.87, 578.89, 578.89, 578.91, 578.93, except in 578.93(c)(2), recipients must provide such information to the jurisdiction in which the project is located, 578.95, 578.97, 578.99, 578.103(a)(3) - (18) and (b) - (e), 578.105, 578.107 and 578.109. The requirements of 2 CFR 200.306, as may be amended from time to time, with the exception of 200.306(b)(5) apply. Grants for planning costs are subject to 24 CFR 578.39(b) and (c), as may be amended from time to time, but Grant funds may only be used for costs of planning related to preventing and ending youth homelessness in the Community. Federal fair housing and nondiscrimination requirements cannot be waived.

Notwithstanding the previous paragraph, if an applicant organization that is responsible for paying Youth Action Board (YAB) members for work performed as YAB duties wishes to submit a project for local YHDP selection, the applicant or collaborative applicant must submit a written request for exception to the provisions of 24 CFR 578.95 and comply with the conflict of interest exception request requirements found at 24 CFR 578.95(d)(2)(i)(A) but not 24 CFR 578.95 (d)(2)(i)(B).

2. HUD and Program-Specific Goals and Objectives

HUD's Strategic Plan sets the direction and focus of our programs and staff to create strong, sustainable, inclusive communities and quality, affordable homes for all. This NOFO supports [HUD's Strategic Plan for Fiscal Years \(FY\) 2022-2026](#) to accomplish HUD's mission and vision. Each of the five goals in the [Strategic Plan](#) include what HUD hopes to accomplish, the strategies to accomplish those objectives, and the indicators of success.

HUD will pursue two overarching priorities focused on increasing equity and improving customer experience across all HUD programs. Five strategic goals and several objectives undergird the Plan; however the following goals are applicable to this NOFO.

You are expected to align your application to the applicable strategic goals and objectives below. Use the information in this section to describe in your application the specific goals, objectives, and measures that your project is expected to help accomplish. If your project is selected for funding, you are also expected to establish a plan to track progress related to those goals, objectives, and measures. HUD will monitor compliance with the goals, objectives, and measures in your project.

Applicable Goals and Objectives from HUD's Strategic Plan

Strategic Goal 1: Support Underserved Communities

Fortify support for underserved communities and support equitable community development for all people.

1B: Reduce Homelessness

Strengthen Federal, State, Tribal, and community implementation of the Housing First approach to reducing the prevalence of homelessness, with the ultimate goal of ending homelessness.

The demonstration has seven primary objectives:

- **Prevent and End Youth Homelessness.** Provide funding, regulatory flexibility, and technical assistance to help communities develop housing and services for youth experiencing homelessness and make youth homelessness rare and, if it occurs, brief and non-recurring.
- **Build national momentum.** Motivate state and local homelessness stakeholders and youth services providers, including Runaway and Homeless Youth providers across the country to prevent and end youth homelessness by forming new partnerships, addressing system barriers, testing promising strategies, and evaluating their outcomes;
- **Promote equity in the delivery and outcomes of homeless assistance.** Recipients should promote equity throughout the community's youth homeless response system for youth who are disproportionately more likely to experience homelessness, such as Black, Indigenous, Hispanic, and LGBTQ+ youth. Awarded communities will promote equity throughout their youth homeless response system and all YHDP projects will measure

and demonstrate equitable delivery and outcomes. This includes identifying barriers that led to any disparities in subpopulations being served and taking steps to eliminate these barriers in the community's youth homeless response system.

- **Highlight the importance of youth leadership:** Demonstrate effective models of strong leadership and agency by youth with lived experience in the community. Create replicable best practices of youth leadership for other communities.
- **Evaluate the coordinated community approach.** Evaluate coordinated community approaches to preventing and ending youth homelessness, including local and state partnerships across sectors and other coordinated operational planning;
- **Expand capacity.** Expand community capacity to serve youth experiencing homelessness (particularly by using a Housing First approach), pilot new models of assistance, and determine what array of interventions is necessary to serve the target population in their community;
- **Evaluate performance measures.** Evaluate the use of performance measurement strategies designed to better measure youth outcomes and the connection between youth program outcomes and youth performance measures on overall system performance for the Continuum of Care (CoC); and
- **Establish a framework for Federal program and Technical Assistance (TA) provider collaboration.** Determine the most effective way for Federal resources to interact within a state or local system to support a coordinated community approach to preventing and ending youth homelessness.

3. Changes from Previous NOFO

This NOFO reflects requirements similar to those in the FY 2022 YHDP NOFO; however, the following changes were made:

- Communities that have received an FY2016 or FY2017 YHDP community designation are eligible to apply for and receive an additional YHDP community designation under this NOFO. Communities that are applying for additional YHDP funds for geography included in a previous YHDP award are required to answer additional rating factor questions and must respond to alternative rating factor questions regarding current YHDP project outcomes. HUD will award a community designation to no more than four eligible previously awarded YHDP communities.
- The minimum number of youth required to be on a Youth Action Board is increased from three to four members.
- Additional Special YHDP Activities are identified in Appendix A.
- Appendix B is updated to reflect a new process for developing and submitting the Coordinated Community Plan (CCP) for HUD approval, including a phased approach to CCP submission and approval, as well as the addition of a requirement to complete and submit a Continuous Quality Improvement Plan (CQI) after the first year of project operation.

4. Definitions

a. Standard Definitions

Affirmatively Furthering Fair Housing (AFFH) means taking meaningful actions, in addition to combating discrimination to overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunities, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially and ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws. The duty to affirmatively further fair housing extends to all program participant's activities and programs relating to housing and urban development.

Assistance Listing number refers to the unique number assigned to each Federal assistance program publicly available in the Assistance Listing, which is managed and administered by the General Services Administration. The Assistance Listing number was formerly known as the Catalog of Federal Domestic Assistance (CFDA) number.

Authorized Organization Representative (AOR) is a person authorized to legally bind your organization and submit applications via Grants.gov. The AOR is authorized by the E-Business Point of Contact (E-Biz POC) in the System for Award Management (see E-Biz POC definition). An AOR may include an Expanded AOR and/or a Standard AOR.

Expanded Authorized Organization Representative is a user in Grants.gov who is authorized by the E-Biz POC to perform the functions of a Standard AOR, initiate and submit applications on behalf of your organization, and is allowed to modify organization-level settings and certifications in Grants.gov.

Standard Authorized Organization Representative is a user in Grants.gov who is authorized by the E-Biz POC to initiate and submit applications in Grants.gov. A Grants.gov user with the Standard AOR role can only submit applications when they are a Participant for that workspace.

Consolidated Plan is the document submitted to HUD that serves as the comprehensive housing affordability strategy, community development plan, and submission for funding under any of the Community Planning and Development formula grant programs (e.g., CDBG, ESG, HOME, and HOPWA). This Plan is prepared in accordance with the process described in [24 CFR part 91](#). This plan is completed by engaging in a participatory process to assess affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions with funding from formula grant programs. (See [24 CFR part 91](#) for HUD's requirements regarding the Consolidated Plan and related Action Plan).

Contract means, for the purpose of Federal financial assistance, a legal instrument by which a recipient or subrecipient purchases property or services needed to carry out the project or program under a Federal award. For additional information on contractor and subrecipient determinations, see [2 CFR 200.331](#).

Contractor means an entity that receives a contract as defined above and in [2 CFR 200.1](#).

Cooperative agreement has the same meaning defined at [2 CFR 200.1](#).

Deficiency, with respect to the making of an application for funding, is information missing or omitted within a submitted application. Examples of deficiencies include missing documents,

missing or incomplete information on a form, or some other type of unsatisfied information requirement. Depending on specific criteria, a deficiency may be either Curable or Non-Curable.

A Curable Deficiency is missing or incomplete application information that may be corrected by the applicant with timely action. To be curable, the deficiency must:

- Not be a threshold requirement, except for documentation of applicant eligibility;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.

A Non-Curable Deficiency is missing or incomplete application information that cannot be corrected by an applicant after the submission deadline. A non-curable deficiency is a deficiency that is a threshold requirement, or a deficiency that, if corrected, would change an applicant's score or rank versus other applicants. If an application includes a non-curable deficiency, the application may receive an ineligible determination, or the non-curable deficiency may otherwise adversely affect the application's score and final funding determination.

E-Business Point of Contact (E-Biz POC) is an individual associated with the applicant organization who is responsible for the administration and management of award activities for the applicant organization. The E-Biz POC is likely to be an organization's chief financial officer or authorizing official. The E-Biz POC authorizes representatives of their organization to apply on behalf of the organization (see Authorized Organization Representative definition). There can only be one E-Biz POC per unique entity identifier (see definition of Unique Entity Identifier below).

Eligibility requirements are mandatory requirements for an application to be eligible for funding.

Environmental Justice means investing in environmental improvements, remedying past environmental inequities, and otherwise developing, implementing, and enforcing environmental laws and policies in a manner that advances equity and provides meaningful involvement for people and communities that have been environmentally underserved or overburdened, such as Black and Brown communities, indigenous groups, and individuals with disabilities. This definition does not alter the requirements under HUD's regulations at [24 CFR 58.5\(j\)](#) and [24 CFR 50.4\(l\)](#) implementing [Executive Order 12898](#). E.O. 12898 requires a consideration of how Federally assisted projects may have disproportionately high and adverse human health or environmental effects on minority and/or low-income populations. For additional information on environmental review compliance, refer to:

https://www.hud.gov/program_offices/comm_planning/environment_energy/regulations.

Equity has the meaning given to that term in Section 2(a) of Executive Order [13985](#) and means the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

Federal award, has the meaning, depending on the context, in either paragraphs (1) or (2) of this definition:

(1)

(a) The Federal financial assistance that a recipient receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in [2 CFR 200.101](#); or

(b) The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in [2 CFR 200.101](#).

(2) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (2) of the definitions of Federal financial assistance in [2 CFR 200.1](#), and this NOFO, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.

(3) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal Government owned, contractor operated facilities (GOCOs).

(4) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement in [2 CFR 200.1](#).

Federal Financial Assistance has the same meaning defined at [2 CFR 200.1](#).

Registration on Grants.gov is required for submission of applications to prospective agencies unless otherwise specified in this NOFO.

Non-Federal Entity (NFE) means a state, local government, Indian tribe, Institution of Higher Education (IHE), or non-profit organization that carries out a Federal award as a recipient or subrecipient.

Primary Point of Contact (PPOC) is the person who may be contacted with questions about the application submitted by the AOR. The PPOC is listed in item 8F on the SF-424.

Racial Equity is the elimination of racial disparities and is achieved when race can no longer predict opportunities, distribution of resources, or outcomes – particularly for Black and Brown persons.

Recipient means an entity, usually but not limited to non-Federal entities, that receives a Federal award directly from HUD. The term recipient does not include subrecipients or individuals that are beneficiaries of the award.

Small business is defined as a privately-owned corporation, partnership, or sole proprietorship that has fewer employees and less annual revenue than regular-sized business. The definition of “small”—in terms of being able to apply for government support and qualify for preferential tax policy—varies by country and industry. The U.S. Small Business Administration defines a small business according to a set of standards based on specific industries. See [13 CFR part 121](#).

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means an entity, usually but not limited to non-Federal entities, that receives a subaward from a pass-through entity to carry out part of a Federal award but does not include an individual that is a beneficiary of such award. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

System for Award Management (SAM) is the Federal Repository into which an entity must provide information required for the conduct of business as a recipient. Registration with SAM is required for submission of applications via Grants.gov. You can access the website at <https://www.sam.gov/SAM/>. There is no cost to use SAM.

Threshold Requirements are eligibility requirements that must be met for an application to be reviewed, rated, and ranked. Threshold requirements are not curable, except for documentation of applicant eligibility, which are listed in Section III.D., Threshold Eligibility Requirements. Similarly, there are eligibility requirements under Section III.E., Statutory and Regulatory Requirements Affecting Eligibility.

Underserved Communities has the meaning given to that term in Section 2(b) of Executive Order [13985](#) and refers to populations sharing a particular characteristic, as well as geographic communities, that have been systematically denied a full opportunity to participate in aspects of economic, social, and civic life, as exemplified by the list in the definition of “equity” above.

Unique Entity Identifier (UEI) means the identifier assigned by SAM to uniquely identify entities. As of April 4, 2022, the Federal government has transitioned from the use of the DUNS Number to the use of UEI, as the primary means of entity identification for Federal awards government-wide.

b. Program Definitions.

Collaborative Applicant - The eligible entity that has been designated by the CoC during the most recent CoC Program Registration Process to apply for a grant on behalf of the CoC, including those formed by Tribes and TDHEs. The Collaborative Applicant must be the "Applicant" for each community applying for participation in the demonstration. In cases where the CoC needed to change the Collaborative Applicant and that change was approved after this NOFO was published but before the deadline for submissions, that approved replacement Collaborative Applicant is the eligible applicant for community selection applications under this NOFO.

Community - Self-organized network of people with common agenda, cause, or interest in Youth Homelessness, who collaborate by sharing ideas, information, and other resources and that is located within a geographic boundary of a single CoC. A community can include Tribal "formula areas," as defined in the Indian Housing Block Grant program at 24 CFR 1000.302, which includes trust lands and reservations, as part of or the entirety of the community.

designate the entire CoC's geographic area as the geographic area of the community in IV.B.1 of this NOFO; or

- the population across the designated counties included in the geographic area, which does not encompass the entire CoC, has more people residing in rural areas than either suburban or urban areas, based on data from the Census Bureau; or
- the designated geographical area is located in a state that has a population density of less than 30 persons per square mile (as reported in the most recent decennial census), and at least 1.25 percent of the total acreage of such State is under Federal jurisdiction, provided that no metropolitan city in such State is the sole beneficiary of the grant amounts awarded under this NOFO.

Tribal Resolution – For purposes of this Notice, this term has the same meaning as in 24 CFR 1003.4: “...the formal manner in which the tribal government expresses its legislative will in accordance with its organic documents. In the absence of such organic documents, a written expression adopted pursuant to tribal practices will be acceptable.

Youth Action Board (YAB)- A group of at least 4 youth with voting power on policy decisions of the CoC, particularly on policies that relate to preventing and ending youth homelessness. At least two-thirds of the YAB members must be age 24 or younger and have lived experience of homelessness and should be representative of the youth population experiencing homelessness in the community. The YAB must be a formal committee within the CoC. Youth who are members of the YAB may also be members of a Youth Tribal Council, if one exists. Additionally, a tribe may create a subset of its Youth Tribal Council that specifically addresses the needs of youth experiencing and at-risk of homelessness to serve as the YAB or part of the YAB.

B. Authority

The funds announced in this NOFO were provided and authorized by the Consolidated Appropriations Act, 2023 (Public Law 117-328, approved December 29, 2022).

II. AWARD INFORMATION

A. Available Funds

Funding of approximately **\$72,000,000** is available through this NOFO.

Additional funds may become available for award under this NOFO consistent with VI.A.2.e., Adjustments to Funding. Use of these funds is subject to statutory constraints. All awards are subject to the funding restrictions contained in this NOFO.

B. Number of Awards

HUD expects to make approximately 20 awards from the funds available under this NOFO.

A Collaborative Applicant may apply on behalf of more than one community; however, HUD will not select more than one community within a CoC's geographic area.

C. Minimum/Maximum Award Information

For each community selected under this competition, HUD will make a minimum of \$600,000 available for projects in the community. This total funding may be split among any number of projects in the community. For example, YHDP funding within a selected community may be used for one project or split among 10 projects.

HUD will use the following process to select communities and determine the total funding to be made available in each community under this NOFO.

HUD will rank community applications in order of responses to the rating factors outlined in Section V.A.1 of this NOFO. If two or more communities receive the same score, HUD will rank the applications according to the score on Youth Collaboration Rating Factor.

HUD will use a formula, outlined below, to determine each selected community's maximum total funding in order to scale awards to estimated community need. The formula uses the following factors:

- Youth in Poverty: Number of people age 12-24 who are in poverty in the geographic area (# of youth in poverty, using data from the American Community Survey);
- FMR: The 2-bedroom Fair Market Rent (FMR) in the geographic area, and if there is more than one FMR for the geographic area, HUD will calculate a population weighted average (FMR).

HUD will select 14 community applications, up to four of which may be from an eligible previously awarded YHDP community. These applications will be the highest scoring community applications unless 1) HUD has already selected 4 higher scoring applications from an eligible previously awarded YHDP community and will not select any additional applications from eligible previously awarded YHDP community or 2) HUD exercises its right to select lower scoring community selection applications as provided in Section III.F.a and V.B. HUD will then apply the formula with these first 14 communities and then select further communities,

none of which may be from an eligible previously awarded YHDP community, and rerun the formula for all selected communities as explained below.

1. For each selected community HUD will establish a formula factor:
 - a. For all eligible previously selected communities, the formula factor is Youth in Poverty multiplied by the FMR for the geographic area listed in the community application and divided by two.
 - b. For all other communities, the formula factor is Youth in Poverty multiplied by the FMR for the geographic area listed in the community application.
2. For each selected community, HUD will divide the community's formula factor by the sum of the formula factors for all communities selected. This is called the community ratio.
3. HUD will allocate an initial formula amount of \$600,000 to each selected community.
4. For each selected community, HUD will multiply its community ratio by the total YHDP funding remaining after step 3, then add the resulting amount to the community's initial formula amount in step 3 to come up with the community's new formula amount.
5. HUD will calculate the ratio of the formula amount for each selected community to the sum of formula factor (see step 1) for all selected communities.

If, after the formula is applied to the initial 14 community applications, no ratio calculated in step 5 is less than 0.12, then HUD will select the next highest-scoring community from the eligible applicant pool ((unless HUD exercises its right to select a lower scoring community selection application as provided in Sections III.F.a and V.B) and repeat steps 1 through 5 for all selected communities. HUD will repeat this process (selecting the next highest-scoring community or lower scoring community as provided in Sections III.F.a and V.B., and redoing steps 1 through 5 for all selected communities), until any ratio calculated in step 5 is less than 0.12 or 25 communities are selected and receive formula amounts. Once a selected community falls below a ratio of .12 or 25 communities are selected and receive formula amounts, HUD will stop selecting communities. The purpose of this step is to ensure that each selected community receives enough funding to have a substantial impact. It does this by setting a minimum level of funding, adjusted for the size of selected communities and level of need.

Maximum Award Amount:

D. Period of Performance

Immediately following the community selection announcement, HUD will make three percent of the total available funding for projects in each community available to the Collaborative Applicant or its designee for planning activities. Collaborative Applicants in communities

selected under this NOFO can enter into a grant agreement with HUD immediately and may use the funding for eligible activities under 24 CFR 578.39(b) and (c) as may be amended from time to time, but Grant funds may only be used for costs of planning related to preventing and ending youth homelessness in the Community ("the initial planning grant"). If the initial planning grant is accepted, Collaborative Applicants or their designee may apply for up to an additional seven percent of their community's total available funding for planning activities as outlined in Appendix A.

Project Applicants within selected communities may apply for projects designed to implement the CCP to prevent and end youth homelessness immediately following the approval of the first draft of the CCP and up until 11:59:59 PM EDT, July 1, 2025, or until the community ceases to participate or the available funds have been depleted (whichever is earlier). The FY 2023 Consolidated Appropriations Act requires HUD to obligate YHDP funds by September 30, 2025. The period of performance and budget period for each award will be determined as provided below. HUD may amend the grant agreement to extend this period of performance and/or budget period. However, in no case will HUD authorize expenditures or drawdown of funds beyond the date HUD's FY 2023 YHDP account must be closed under applicable law or for administrative purposes (approximately September 20, 2030). Project Applicants must plan accordingly and only submit applications that can start operations in a timely manner with sufficient time to complete the post award process and the awarded grant term.

Projects will be for an initial 2-year grant term; however, HUD will allow projects to request a longer initial grant term not to exceed 30 months. HUD has determined that most projects normally take approximately 3 to 6 months to begin fully operating a project (e.g., hiring staff, developing partnerships with landowners if leasing or renting). Therefore, a project may request up to a 30-month grant term that will allow for the additional start-up process. HUD may extend the grant term of a YHDP project consistent with 2 CFR 200.308 and 2 CFR 200.309.

Collaborative applicants within selected communities may apply for more than one planning project over the course of the YHDP. All projects except planning projects may be eligible for 1-year renewal terms after the initial grant term expires beginning with the next CoC Program Competition as further explained in Section I.C.1 of Appendix A. If a community cannot successfully complete the development of a CCP or must otherwise withdraw from the demonstration, **the funding HUD has made available but did not obligate to projects in that community will be made available to the other selected communities or other communities HUD selects as provided in Section II.C subject to HUD's right to select lower scoring community selection applications under Section III.F.a, provided that sufficient funds are available.**

Community Selection application:

Available to Collaborative Applicants designated by CoCs registered through the most recent CoC Program Registration process. The Collaborative Applicant can apply for any community located within its CoC's geographic area. The Collaborative Applicant can also apply for multiple communities located within its CoC's geographic area; however, HUD will not select more than one community within a CoC's geographic area.

Project application:

Project Applicants that are designated during the application process by the Collaborative Applicant or its designee are eligible to apply for grant funds. The Collaborative Applicant may apply for projects under this Demonstration as well. The Collaborative Applicants that are not Unified Funding Agencies (UFAs) may also designate an eligible applicant to be the recipient of the planning grant. UFAs must apply for and be recipient of all grants for their community. For-profit entities are not eligible to apply for grants or to be subrecipients of grant funds.

For a dedicated HMIS grant, the project application must either be from the UFA (when there is a UFA for the community) or the HMIS Lead (when there is no UFA for the community) that will be the grant recipient.

To be considered for funding, Project Applicants must provide completed information required by HUD, outlined in Appendix A of this NOFO

Eligible Program Participants.

Funds awarded under the YHDP must only be used to serve:

- a. Youth, as defined in I.A.4, who initially qualify as homeless under paragraph (1) or (2) of the homeless definition in 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act, or;
- b. Youth who initially qualify to be served as stated in I.C.5 of Appendix A.

Notwithstanding the above, youth-serving providers (defined in I.C.6 of Appendix A) funded under this NOFO may serve unaccompanied youth (defined in I.A.4) who are living in unsafe situations or families headed by youth who are living in unsafe situations (defined in I.C.6 of Appendix A).

As explained in I.C.6 of Appendix A, youth aged 24 and under must not be required to provide third-party documentation that they meet the homeless definition in 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act as a condition for receiving services funded under the YHDP NOFO.

This part of the NOFO is for community selection only. Applications for funding individual projects will occur after communities have been selected. Requirements for applying for projects are detailed in Appendix A.

See Section IV of this NOFO for community selection application submission requirements.

Faith-based organizations

(1) Faith-based organizations may apply for this award on the same basis as any other organization, as set forth at [24 CFR part 5.109](#), and subject to the protections and requirements of 42 U.S.C. § 2000bb et seq., HUD will not, in the selection of recipients, discriminate against an organization based on the organization's religious character, affiliation, or exercise.

(2) A faith-based organization that participates in this program will retain its independence and may continue to carry out its mission consistent with religious freedom and conscience protections in Federal law, including the Free Speech and Free Exercise Clauses of the Constitution, 42 U.S.C. § 2000bb et seq., 42 U.S.C. § 238n, 42 U.S.C. § 18113, 42 U.S.C. §§ 2000e-1(a) and 2000e-2, 42 U.S.C. § 12113(d), and the Weldon Amendment, among others. Religious accommodations may also be sought under many of these religious freedom and conscience protection laws, particularly under the Religious Freedom Restoration Act.

(3) A faith-based organization may not use direct financial assistance from HUD to support or engage in any explicitly religious activities except where consistent with the Establishment Clause and any other applicable requirements. Such an organization also may not, in providing services funded by HUD, discriminate against a beneficiary or prospective program beneficiary on the basis of religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

B. Ineligible Applicants

Ineligible Applicants. HUD will not consider an application from an ineligible applicant. HUD will only score applications for community selection that are completed by a CoC's Collaborative Applicant.

C. Cost Sharing or Matching

This Program requires cost sharing or matching, or leverage, as described below.

This NOFO requires a Project Applicant to leverage resources through cost sharing or matching as described in the regulation at 24 CFR 578.73, except as otherwise provided in Appendix A, I.C.1.b.3 and I.C.1.b.4.

D. Threshold Eligibility Requirements

Applicants who fail to meet any of the following threshold eligibility requirements are deemed ineligible. Applications from ineligible applicants are not rated or ranked and will not receive HUD funding.

1. Resolution of Civil Rights Matters

Outstanding civil rights matters must be resolved before the application submission deadline. Applicants with unresolved civil rights matters at the application deadline are deemed ineligible. Applications from ineligible applicants are not rated or ranked and will not receive HUD funding.

a. An applicant is ineligible for funding if the applicant has any of the charges, cause determinations, lawsuits, or letters of findings referenced in subparagraphs (1) – (5) that are not resolved to HUD's satisfaction before or on the application deadline date for this NOFO.

(1) Charges from HUD concerning a systemic violation of the Fair Housing Act or receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of a substantially equivalent state or local fair housing law proscribing discrimination because of race, color, religion, sex (including sexual orientation and gender identity), national origin, disability or familial status;

(2) Status as a defendant in a Fair Housing Act lawsuit filed by the United States alleging a pattern or practice of discrimination or denial of rights to a group of persons raising an issue of general public importance under 42 U.S.C. § 3614(a);

(3) Status as a defendant in any other lawsuit filed or joined by the Department of Justice, or in which the Department of Justice has intervened, or filed an amicus brief or statement of interest, alleging a pattern or practice or systemic violation of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Americans with Disabilities Act, Violence Against Women Act, or a claim under the False Claims Act related to fair housing, non-discrimination, or civil rights generally including an alleged failure to affirmatively further fair housing;

(4) Receipt of a letter of findings identifying systemic non-compliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109

of the Housing and Community Development Act of 1974; Violence Against Women Act; or the Americans with Disabilities Act; or

(5) Receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of provisions of a state or local law prohibiting discrimination in housing based on sexual orientation, gender identity, or lawful source of income.

b. HUD will determine if actions to resolve the charge, cause determination, lawsuit, or letter of findings taken before the application deadline date will resolve the matter. Examples of actions that may be sufficient to resolve the matter include, but are not limited to:

- (1) Current compliance with a voluntary compliance agreement signed by all the parties;
- (2) Current compliance with a HUD-approved conciliation agreement signed by all the parties;
- (3) Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;
- (4) Current compliance with a consent order or consent decree;
- (5) Current compliance with a final judicial ruling or administrative ruling or decision; or
- (6) Dismissal of charges.

2. Timely Submission of Applications

Applications submitted after the deadline stated within this NOFO that do not meet the requirements of the grace period policy are marked late. Late applications are ineligible and are not considered for funding. See Section IV. D. Application Submission Dates and Times.

E. Statutory and Regulatory Requirements Affecting Eligibility

Eligibility Requirements for Applicants of HUD's Financial Assistance Programs

The following requirements affect applicant eligibility. Detailed information on each requirement is found in the "[Eligibility Requirements for Applicants of HUD's Competitive Programs](#)" document on HUD's Funding Opportunities page. Applicants who fail to meet any of these eligibility requirements are deemed ineligible to receive HUD funding.

1. Universal Identifier and System for Award Management (SAM.gov) Requirements
2. Outstanding Delinquent Federal Debts
3. Debarments or Suspensions, or both
4. Mandatory Disclosure Requirement
5. Pre-selection Review of Performance
6. Sufficiency of Financial Management System
7. False Statements
8. Prohibition Against Lobbying Activities

In addition, each applicant under this NOFO must have the necessary processes and systems in place to comply with the Award Term in Appendix A of [2 CFR part 170](#) if the applicant receives an award, unless an exception applies as provided in [2 CFR 170.110](#).

F. Program-Specific Requirements

a. Identifying a Target Community Area

Applicants have the option of identifying the entire geographic area of the CoC as the demonstration community or designating a smaller area that includes a single community or group of communities within the CoC's geographic area as the YHDP community. In addition, the CoC can designate the application as a rural community application, competing for the prioritization of up to 8 rural communities. If an applicant decides to submit two applications, one for the rural communities within the CoC and one for the non-rural areas or the entire CoC, HUD will consider both applications independently but will only select the highest scoring application per CoC.

HUD has determined that geographic diversity is an appropriate consideration in selecting communities for the YHDP. To this end, HUD reserves the right to select lower scoring community selection applications in order to fund eligible communities with the highest total score in each of the 10 HUD regions.

Applicants are required to respond to the questions listed in Section V.A.1 regarding their proposed geographic area for the YHDP. Eligibility as a Rural Community will be determined based on the geographic areas designated by the community in Section IV.B.1; number of youth experiencing poverty will be verified using Federal census data.

HUD will consider applications for communities that received a community designation under the Fiscal Year (FY) 2016 and FY2017 YHDP provided that:

- The YHDP grants in the community have completed the initial 2-year YHDP grant term and an additional 1-year in operation after renewal or replacement using CoC program funding.
- The average funding utilization across the most recently expired YHDP project grants in the community at the time of the publication of this NOFO is at least 90 percent.

Additionally, HUD will consider applications from CoCs that were awarded for less than the total area of the CoC in FY2019- FY2022 YHDP competitions, provided that none of the geographic area was covered in the previously awarded application. CoCs that have added geographic areas to their CoC after a previous YHDP community designation may apply just for the new geographic area. This includes CoCs that have partnered with Tribes to include Tribal Reservation and Trust areas in the CoC's geography.

Applicants that propose to include a reservation or trust land geographic area must include a tribal resolution from the tribe authorizing the applicant to do so or a letter from an official or principal of the Indian Tribe or TDHE who is authorized to act on behalf of the Indian Tribe or TDHE. Collaborative Applicants that represent a CoC that is made up of only tribal formula areas do not need to include a tribal resolution.

b. Develop a Coordinated Community Plan (CCP)

Selected communities are required to develop a CCP to prevent and end youth homelessness or to amend an existing local plan to address youth homelessness to include the required information in Appendix B. Communities selected for funding under this Notice will have a total

of 6 months to submit a first draft of the CCP, which comprises certain components of the overall CCP. Communities may request up to a 1-month extension of this deadline by sending an email to youthdemo@hud.gov. The remaining components of the coordinated community plan must be submitted as described in Appendix B. The planning process is expected to lay the groundwork for implementation and provide a framework for the various projects for which the Project Applicants will apply.

HUD will only approve of a CCP that meets threshold criteria, including whether the plan addresses the mandatory structural components below:

Mandatory Structural Components of a CCP

A CCP must include the following structural components:

- A summary of the current youth homeless response system;
- A list of partners;
- A shared vision, list of goals, objectives, and action steps;
- A list of new projects;
- A governance structure;
- A Continuous Quality Improvement (CQI) plan;
- A signature page that includes signatures of official representatives of at least the following systems:
 - The Continuum of Care
 - Youth Action Board
 - Public Child Welfare Agencies
 - Local Government Agency
 - Tribal Government (if any)
 - Runaway and Homeless Youth Program Providers (if any)

More information on the required components of the CCP can be found in Appendix B.

Plan Submission, HUD Review, and Release of Full Funding

- Communities must submit a first draft of the plan, including a summary of the current youth homeless response system, Partners, Governance Structure, and a Project List within 6 months after announcement of the selected communities. Communities may request up to a 1-month extension of this deadline.
- Communities must submit a completed plan by August 1, 2025, which includes all elements of the CCP, outlined in Section I of Appendix B, except the CQI-plan.
- Within 1 year of the project start date of YHDP projects, the community must submit a CQI plan and an initial assessment of the projects based on that plan.

All submissions must be sent to youthdemo@hud.gov. HUD will review and provide feedback of each submission within 2 weeks receipt. All community plans must be compliant with all relevant Federal requirements, including fair housing and civil rights requirements. HUD reserves the right to reject a plan and require resubmission if the plan does not meet the requirements summarized above and described in Appendix B.

Communities must submit a plan that meets all of the requirements according to deadlines discussed in Appendix B. If HUD does not receive the CCP, including the CQI, in these time frames, the selected community will lose access to all its remaining funding. Funding that has already been obligated for planning grants will remain available only for costs incurred before the deadline for the CCP. HUD will consider granting a 30-day extension for incurring costs if a community needs these funds to wind-down the YHDP planning efforts

c. Displacement, relocation and acquisition

Applicants are reminded that the CoC program regulations at 24 CFR 578.83 include unique requirements addressing displacement, relocation, and acquisition. In addition to these program specific requirements, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (URA) may apply. The URA generally applies when there is acquisition, rehabilitation or demolition for a Federally-funded program or project.

Advancing Racial Equity

In accordance with Executive Order [13985](#), Executive Order 14091, *Executive Order on Further Advancing Racial Equity and Support for Underserved Communities Through The Federal Government*, and Federal fair housing and civil rights laws, your application must address the following:

- You analyzed the racial composition of the persons or households who are expected to benefit, directly or indirectly, from your proposed award activities;
- You identified any potential barriers to persons or communities of color equitably benefiting from your proposed award activities;
- You detailed the steps you will take to prevent, reduce, or eliminate these barriers; and
- You have measures in place to track your progress and evaluate the effectiveness of your efforts to advance racial equity in your award activities.

Note that any actions taken in furtherance of this section must be consistent with Federal nondiscrimination requirements.

This narrative is required and must address the four bullets outlined in the paragraph above. Applicants will submit this narrative according to the instructions in Section IV.B. This narrative will be evaluated for sufficiency and will not change the applicant's score or rank as compared to other applicants. If the narrative is deemed insufficient, it will be a "Curable Deficiency" that will be communicated to the applicant for correction with a notice of deficiency.

All applicants for YHDP projects must respond to these questions. For Collaborative Applicants or their designee who will receive the initial planning grant, this narrative must be attached as outlined in section IV.B of this NOFO. All other project applicants must answer these question as outlined in Appendix A of this NOFO. Narrative should be limited to one page.

Affirmative Marketing and Outreach

Any outreach or marketing conducted under a HUD award must be conducted broadly throughout the local area and nearby areas and targeted to reach any eligible persons in demographic groups that would be unlikely or least likely to be aware of the benefits of a HUD award absent such efforts, or entities that serve such groups. Such demographic groups may

include, for example, Black and Brown persons or communities, individuals with limited English proficiency, individuals with disabilities, or families with children. Strategies for affirmative marketing or outreach include outreach through community contacts or service providers or at community centers serving the target population; and marketing on websites, social media channels, television, radio, and print media serving local members of the targeted group. You must submit a narrative describing the affirmative marketing/outreach activities that will be conducted if you are selected for a HUD award.

This narrative is required and must address the issues outlined in the paragraph above. Applicants will submit this narrative according to the instructions in Section IV.B. This narrative will be evaluated for sufficiency and will not change the applicant's score or rank as compared to other applicants. If the narrative is deemed insufficient, it will be a "Curable Deficiency" that will be communicated to the applicant for correction with a notice of deficiency.

All applicants for YHDP projects must respond to these questions. For Collaborative Applicants or their designee who will receive the initial planning grant, this narrative must be attached as outlined in section IV.B of this NOFO and should respond to how the community will ensure diverse representation in the YHDP planning processes. All other project applicants must answer this question as outlined in Appendix A of this NOFO. Narrative should be limited to one page.

Experience Promoting Racial Equity

In accordance with Executive Order 13985, Executive Order On Advancing Racial Equity and Support for Underserved Communities Through the Federal Government, Executive Order 14091, Further Advancing Racial Equity and Support for Underserved Communities Through the Federal Government, and Federal fair housing and civil rights laws, your application must demonstrate that the applicant has the experience and/or the resources to effectively address the needs of underserved communities, particularly Black and Brown communities. This may include experience successfully working directly with such groups, experience designing or operating programs that equitably benefit such groups, or experience successfully advancing racial equity in other ways. This may also include experience soliciting, obtaining, and applying input from such groups when designing, planning, or implementing programs and activities.

This narrative is required and must address the issues outlined in the paragraph above. Applicants will submit this narrative according to the instructions in Section IV.B. This narrative will be evaluated for sufficiency and will not change the applicant's score or rank as compared to other applicants. If the narrative is deemed insufficient, it will be a "Curable Deficiency" that will be communicated to the applicant for correction with a notice of deficiency.

Narrative should be limited to one page.

Affirmatively Furthering Fair Housing

With some exceptions for Federally recognized Indian tribes and their instrumentalities, the application must discuss how the applicant will carry out the proposed activities in a manner that affirmatively furthers fair housing in compliance with the Fair Housing Act and its implementing regulations and how applicants will meet the requirements of the definition of affirmatively furthering fair housing at 24 CFR 5.151. If the applicant will carry out proposed activities with an Assessment of Fair Housing (AFH), the proposed activities should be consistent with the

AFH’s fair housing goals and with fair housing strategies specified in the jurisdiction’s Consolidated Plan or Public Housing Agency Plan.

Applicants must address this requirement by submitting a written narrative which describes how their proposed NOFO activities are aligned with the requirement to affirmatively further fair housing (AFFH). Specifically, applicants should describe how their proposed NOFO activities will meaningfully: (1) address significant disparities based on protected class in unmet housing needs (2) address disparities based on protected class in access to opportunity (3) address segregation and promoting integration (4) transform racially or ethnically concentrated areas of poverty into well-resourced areas of opportunity without displacing existing residents, and/or (5) foster and maintain compliance with civil rights and fair housing laws]. If the narrative is deemed insufficient, it will be a “Curable Deficiency” that will be communicated to the applicant for correction with a notice of deficiency.

Applicants for this NOFO should discuss how the coordinated community planning process will affirmatively further fair housing by having diverse community participation and engagement in planning that includes voices and considers concerns from various protected class groups including Black, Hispanic, Indigenous, and other youth of color; LGBTQIA+ youth; and other historically marginalized groups. Narrative should be limited to one page.

B. Content and Form of Application Submission

You must verify that boxes 11, 12, and 13 on the SF-424 match the NOFO for which you are applying. If they do not match, you have downloaded the wrong Application Instruction and Application Package.

2. Other Submission Requirements

a. Standard Application, Assurances, Certifications and Disclosures

(1) Standard Form 424 (SF-424) Application for Federal Assistance

The SF-424 is the government-wide form required to apply for Federal assistance programs, discretionary awards, and other forms of financial assistance programs. You must complete and submit the form with the other required forms and information as directed in this NOFO.

By signing the forms in the SF-424 either through electronic submission or in paper copy submission (for those granted a waiver), you and the signing authorized organization representative affirm that you both have reviewed the certifications and assurances associated with the application for Federal assistance and (1) are aware the submission of the SF-424 is an assertion that the relevant certifications and assurances are established and (2) acknowledge that the truthfulness of the certifications and assurances are material representations upon which HUD will rely when making an award to the applicant. If it is later determined the signing authorized organization representative to the application made a false certification or assurance, caused the submission of a false certification or assurance, or did not have the authority to make a legally binding commitment for the applicant, the applicant and the individual who signed the application may be subject to administrative, civil, or criminal action. Additionally, HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to Federally recognized Indian tribes, or Alaskan native villages and those applicable to applicants other than Federally recognized Indian tribes, or Alaskan native villages.

(2) Assurances (HUD 424-B)

By submitting your application, you provide assurances that, if selected to receive an award, you will comply with U.S. statutory and other requirements, including, but not limited to civil rights requirements. All recipients and subrecipients of the award are required to submit assurances of compliance with Federal civil rights requirements. *See, e.g.*, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, Violence Against Women Act, and the Age Discrimination Act of 1975; *see also* [24 CFR §§ 1.5; 3.115; 8.50; and 146.25](#). HUD accepts these assurances in the form of the HUD 424-B, which also require compliance with HUD Reform Act requirements and all general Federal nondiscrimination requirements in the administration of the Federal assistance award.

(3) Applicant Disclosure Report Form 2880 (HUD 2880)

The form HUD 2880 is required if you are applying for assistance within the jurisdiction of HUD to any project subject to Section 102(d) of the HUD Reform Act . Assistance is provided directly by HUD to any person or entity, but not to subrecipients. It includes assistance for the acquisition, rehabilitation, operation, conversion, modernization, renovation, or demolition of any property containing five or more dwelling units that is to be used primarily for residential purposes. It includes assistance to independent group residences, board and care facilities, group homes and transitional housing but does not include primarily nonresidential facilities such as intermediate care facilities, nursing homes and hospitals. It also includes any change requested by a recipient in the amount of assistance previously provided, except changes resulting from annual adjustments in Section 8 rents under Section 8(c)(2)(A) of the United States Housing Act of 1937 ([42 U.S.C. § 1437f](#)). [See 24 CFR part 4 for additional information.](#)

(4) Code of Conduct

Both you, as the award recipient, and all subrecipients must have a code of conduct (or written standards of conduct). The code of conduct must comply with the requirements included in the “Conducting Business in Accordance with Ethical Standards” section of the Administrative, National and Department Policy Requirements and Terms for HUD Financial Assistance Awards-- 2024, as well as any program-specific requirements. These requirements include ethical standards related to conflicts of interest for procurements in [2 CFR 200.318\(c\)](#) and [2 CFR 200.317](#), as well as HUD-specific conflict of interest standards. HUD maintains a list of organizations that have previously submitted written standards of conduct on its [Code of Conduct for HUD Grant Programs webpage](#). But it is your responsibility to ensure that the standards are compliant with the noted requirements and that HUD has the latest version of the written standards. Updated written standards should be submitted with the application. Any updates to your written standards, after the application period, should be submitted as directed by the HUD program contact for this NOFO.

(5) False Statements

Applicant understands that providing false or misleading information during any part of the application, award, or performance phase of an award may result in criminal, civil or administrative sanctions, including but not limited to: fines, restitution, and/or imprisonment under 18 USC 1001, 18 USC 1012, or 18 USC 287; treble damages and civil penalties under the False Claims Act, 31 USC 3729 et seq.; double damages and civil penalties under the Program Fraud Civil Remedies Act, 31 USC 3801 et seq.; civil recovery of award funds; suspension and/or debarment from all federal procurement and non-procurement transactions, FAR Part 9.4 or 2 CFR Part 180; and other remedies including termination of active HUD award.

(6) Lobbying Activities

Applicants are subject to the provisions of Section 319 of Public Law 101-121, 31 U.S.C. 1352, (the Byrd Amendment), and 24 CFR part 87, which prohibit recipients of federal awards from using appropriated funds for lobbying the executive or legislative branches of the Federal government in connection with a Federal award. All applicants must submit with their application the signed “Certification Regarding Lobbying” form. In addition, applicants must disclose, using Standard Form LLL (SF-LLL), “Disclosure of Lobbying Activities,” any funds, other than federally appropriated funds, that will be or have been used to influence federal employees, members of Congress, or congressional staff regarding specific awards. Federally recognized Indian tribes and tribally designated housing entities (TDHEs) established by Federally recognized Indian tribes as a result of the exercise of the tribe’s sovereign power are excluded from coverage of the Byrd Amendment, but state-recognized Indian tribes and TDHEs established only under state law shall comply with this requirement.

3. Format and Form

Narratives and other attachments to your application must follow the following format guidelines. Do not submit password protected or encrypted files.

25 Pages maximum length of narratives

Other

The application will be comprised of narrative exhibits and required attachments. The narratives will respond to thresholds, rating factors, and other criteria in the NOFO as indicated below.

Applicants should number their narrative responses to correspond to the numbering in Section V.A.1. The narrative must comply with the following format:

- Double-space your narrative exhibit pages. Single-spaced pages will be counted as two pages;
- Format pages to accommodate 8-1/2 x 11-inch paper;
- All margins should be approximately one inch. If any margin is smaller than 1/2 inch, the page will be counted as two pages;
- Use 12-point, Times New Roman font;
- Any pages marked as sub-pages (e.g., with numbers and letters such as 25A, 25B, 25C), will be treated as separate pages;
- If a Section is not applicable, indicate "N/A" so that there is a clear indication to HUD (do not just leave the Section blank);
- No more than one page of text may be placed on one sheet of paper; i.e., you may not shrink pages to get two or more on a page. Shrunken pages, or pages where a minimized/reduced font are used, will be counted as multiple pages;
- Do not format your narrative exhibits in columns. Pages with text in columns will be counted as two pages;
- Any tables included in the narrative exhibits of the application must also be double spaced or they will be counted twice; and
- All pages should be numbered. HUD recommends that applicants consecutively number the pages of the Attachments Section to ensure proper assembly of their application if printed.

Attachments will not count toward the 25-page maximum.

There is no minimum length required for narratives. However, HUD will review only the first 25 pages of narrative (not including required attachments). **Any narrative responses to the rating factors after 25 pages will not be considered for scoring for this competition.**

C. System for Award Management (SAM) and Unique Entity Identifier (UEI)

1. SAM Registration Requirement

You must register at www.sam.gov before submitting an application. You must maintain current information in SAM on immediate and highest-level owner and subsidiaries, as well as on all predecessors that a Federal award within the last three years, if applicable. Information in SAM must be current for all times during which you have an active Federal award or an application or plan under consideration by HUD.

2. UEI Requirement

All entities doing business with the Federal government must use the UEI created in SAM.gov. Your application must include a valid UEI that is registered and active at www.sam.gov. For more information, see: <https://www.gsa.gov/about-us/organization/Federal-acquisition-service/office-of-systems-management/integrated-award-environment-iae/iae-systems->

[information-kit/unique-entity-identifier-update](#). **When submitting an application with a UEI that does not match the organization name as registered in sam.gov will result in an ineligible application.**

3. Requirement to Register with Grants.gov

Anyone planning to submit applications on behalf of an organization must register at Grants.gov and be approved by the E-Biz POC in SAM to submit applications for the organization. Registration for SAM and Grants.gov is a multi-step process and can take four (4) weeks or longer to complete if data issues arise. Applicants without a valid registration cannot apply through Grants.gov. Complete registration instructions and guidance are provided on Grants.gov. HUD will treat an application containing the wrong UEI as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a UEI and active registration in SAM will render the application ineligible for funding.

D. Application Submission Dates and Times

1. Application Due Date Explanation

The application deadline is 11:59:59 PM Eastern time on

08/29/2024

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit a paper application. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

“Received by Grants.gov” means the applicant received a confirmation of receipt and an application tracking number from Grants.gov. Grants.gov then assigns an application tracking number and date-and timestamp each application upon successful receipt by the Grants.gov system. A submission attempt not resulting in confirmation of receipt and an application tracking number is not considered received by Grants.gov.

Applications received by Grants.gov must be validated by Grants.gov to be received by HUD.

“Validated by Grants.gov” means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting “Applicants” from the top navigation, and selecting “Track my application” from the dropdown list. If the application status is “rejected with errors,” you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in “rejected with errors” status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after applying.

HUD strongly recommends you review your application before you submit it at Grants.gov. Also, HUD recommends you submit your application at least **48 hours before the deadline** and during regular business hours to allow enough time to correct errors or overcome other problems.

2. Grants.gov Customer Support

Grants.gov provides customer support information on its website at <https://www.grants.gov/web/grants/support.html>. If you have difficulty accessing the application and instructions or have technical problems, contact Grants.gov customer support center by calling (800) 518-GRANTS (this is a toll-free number) or by sending an email to

support@grants.gov. The customer support center is open 24 hours a day, seven days per week, except Federal holidays. Individuals who are deaf or hard of hearing, as well as individuals who have speech or other communication disabilities may use a relay service to reach Grants.gov Customer Support. To learn more about how to make an accessible telephone call, visit the [webpage for Federal Communications Commission](#).

3. Grants.gov Application Submission

You can verify the contents of your submitted application to confirm Grants.gov received everything you intended to submit. To verify the contents of your submitted application:

- Log in to Grants.gov.
- Click the Check Application Status link, which appears under the Grant Applications heading in the Applicant Center page. This will take you to the Check Application Status page.
- Enter search criteria and a date range to narrow your search results.
- Click the Search button. To review your search results in Microsoft Excel, click the Export Data button.
- Review the Status column. To view more detailed submission information, click the Details link in the Actions column.
- To download the submitted application, click the Download link in the Actions column.

Take note of the Grants.gov tracking number, as it is needed by the Grants.gov customer support center should you seek their assistance.

HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially declared disaster in the applicant's area.

If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants. HUD will also publish the extension on Grants.gov.

In determining whether to grant a request for an extension based on a presidentially declared disaster, HUD will consider the totality of the circumstances including the date of an applicant's extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

NOTE: Busy servers, slow processing, large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

4. Amend or Revise an Application

Before the submission deadline, you may amend a validated application through Grants.gov by submitting a revised and complete application including the new or changed material. The revised application must be received and validated by Grants.gov by the applicable deadline.

If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

5. Grace Period for Grants.gov Submissions

If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected, received, and validated application through Grants.gov. The date and time stamp on the Grants.gov system determines the application receipt time. Any application submitted during the grace period but not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

6. Late Applications

An application received after the NOFO deadline date that does not meet the Grace Period requirements will be marked late and will not be reviewed by HUD for funding

consideration. Improper or expired registration and password issues are not sufficient causes to allow HUD to accept applications after the deadline date.

7. Corrections to Deficient Applications

HUD will not consider information from applicants after the application deadline except for curable deficiencies.

HUD will uniformly notify applicants of each curable deficiency. See curable deficiency definition in section I.A of this NOFO. Examples of curable (correctable) deficiencies include inconsistencies in the funding request and failure to submit required certifications. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized organization representative identified on the SF-424 Application for Federal Assistance via email. This email is the official notification of a curable deficiency.

You must email corrections of Curable Deficiencies to applicationsupport@hud.gov within the time limits specified in the notification. The time allowed to correct deficiencies will be no less than 48 hours and no more than 14 calendar days from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD. If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters are closed, then the applicant's correction must be received on the next business day HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to applicationsupport@hud.gov must state: Technical Cure and include the Grants.gov application tracking number or the GrantSolutions application number (e.g., Subject: Technical Cure - GRANT123456 or Technical Cure - XXXXXXXXXXXXX). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application containing the wrong UEI as having a curable deficiency.

Failure to correct the deficiency and meet the requirement to have a UEI and active registration in SAM will render the application ineligible for funding.

8. Authoritative Versions of HUD NOFOs

The version of this NOFO posted on Grants.gov includes the official documents HUD uses to solicit applications.

9. Exemptions

Parties that believe the requirements of the NOFO would impose a substantial burden on the exercise of their religion should seek an exemption under the [Religious Freedom Restoration Act \(RFRA\)](#).

E. Intergovernmental Review

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions

Not Applicable

Indirect Cost Rate

Normal indirect cost rules under 2 CFR part 200, subpart E apply. If you intend to charge your indirect costs to the award, your application must clearly state the rate and distribution base you intend to use. If you have a Federally negotiated indirect cost rate, your application must also include a letter or other documentation from the cognizant agency showing the approved rate. Successful applicants whose rate changes after the application deadline must submit the new rate and documentation to assure the award agreement incorporates the applicable rate.

G. Other Program-specific Requirements

To the extent that this NOFO includes program requirements beyond those provided for in regulations and that do not affect the rating or threshold criteria for selecting sites, HUD may provide exceptions to those requirements upon a determination that the requirements no longer further the goals of YHDP.

V. APPLICATION REVIEW INFORMATION

A. Review Criteria

1. Rating Factors

Points are assigned for five rating factors: YAB Integration, Community Need, Collaboration, Youth Collaboration and Data and Evaluation Capacity; as well as bonus points for Rural Areas. Applications will be evaluated based on responses to all narratives. The table below outlines the selection criteria by rating factor with the points that may be awarded for each out of a possible 100 total points.

Rating Factor	Points
----------------------	---------------

YAB Integration	20
Community Need	25
Collaboration	20
Youth Collaboration	20
Data and Evaluation Capacity	15
Total	100
Rural Bonus	10

YAB Integration

Maximum Points: 20

HUD will award up to 20 points to applicants that demonstrate that the CoC actively engages potential YAB members, ensures that YAB members represent a diverse range of backgrounds and that the YAB is fully integrated and prioritized in the CoC. This rating factor concentrates on the support opportunities available to the YAB.

1. Describe the role of the YAB in the CoC including if the YAB is a separate committee and if YAB members or youth with lived experience sit on the CoC executive board. In order to receive full points, applicants should demonstrate, using an example or a decision-making flow-chart, how YAB recommendations and decisions are implemented by the CoC.

2. Is the membership of the YAB reflective of the population of youth and young adults experiencing homelessness in the community?

a. Describe the prevalence of youth of color, LGBTQ+, and gender non-conforming youth in the general population of youth experiencing homelessness.

b. Describe how members of the YAB are recruited to ensure it represents the population of youth experiencing homelessness in your community, including youth of color, LGBTQ+, and gender non-conforming youth.

3. Describe the training and other preparation YAB members are provided on the CoC structure, CoC rules, housing types, and other issues surrounding homelessness

4. Describe how youth are prepared, debriefed, and otherwise supported for participation in committee meetings and other planning and feedback events.

5. Describe how youth are actively involved in new project design and implementation in your community. To receive maximum points for this question, respondents will demonstrate how youth engagement is sustained long-term, such as the number of youth with lived experience who are employed or otherwise engaged in individual projects.

6. Describe one initiative outside of applying for grant funds and related to youth homelessness that has been designed or implemented by the YAB or youth in the community. Examples could include designing a youth count, developing or improving a drop-in center or creating a peer partnership program.

7. Describe how YAB members are compensated for their time and expertise. Please indicate if compensation for YAB members is based on a salary or regular hourly rate, the salary or rate paid, and the method of payment (e.g. Direct deposit, cash, Cash App). To receive maximum

points for this question, applicants must have a compensation package that is equitable for the YAB member's level of expertise and time committed to work and is comparable to payment methods used for other staff and contractors to the agency.

8. Define what authentic youth collaboration means to your community.

Community Need

Maximum Points: 25

HUD will award up to 25 points to applicants that can demonstrate high need in the community based on the number and needs of the community's youth experiencing homelessness. Applicants must:

1. Provide a narrative description of the most recent youth homelessness needs assessment conducted by the CoC. If no needs assessment was conducted in the previous 5 years, write "none."

The narrative must include the following:

- a. The number of youth, both sheltered and unsheltered, experiencing and at-risk of homelessness.**
- b. A description of disparities identified through the assessment, including race, gender, LGBTQIA+ status, system involvement, and health disparities, such as HIV. To receive full points for this rating factor, applicants must include both quantitative data and a narrative description of the disparities.**
- c. An explanation of the key findings from the youth homelessness needs assessment, including the number and types of youth-appropriate housing units.**
- d. How youth were involved in designing or executing the needs assessment**

2. Describe at least one youth-focused intervention that is not currently operating in the community that the community wishes to pursue OR one intervention that could be improved and capacity increased. Include in your response the barriers that currently prevent you from implementing or improving the intervention.

3. Identify and discuss factors that are currently contributing to youth homelessness in the community, including how your community identified which factors are most prominent. To be considered for maximum points under this Rating Factor, your response must describe factors at the community level and not how individual factors are identified on a case-by-case basis.

4. Describe how your community is addressing needs of Black, Indigenous, and Youth of Color at-risk of and experiencing homelessness, particularly those groups who are over-represented in the homelessness system. To receive the maximum number of points, the response must include data showing which groups of youth may be over-represented in the homelessness system, how the interventions implemented directly focus on creating a more equitable system, and how youth with lived experience were involved in developing the interventions.

5. Describe how your community is addressing needs of transgender, gender non-conforming,

and non-binary youth to ensure privacy, respect, safety, and access in projects, such as shelters, outreach activities, and permanent housing.

6. If your application covers an eligible previously awarded YHDP community, how will the community build on the progress that was made to the youth homeless response system through the original YHDP? To receive full points, eligible previously awarded YHDP communities must describe why additional YHDP funds are needed, why they were not implemented in the original YHDP, and how they will be connected to the original YHDP projects. If your CoC has not received YHDP community designation, please write n/a.

7. If your application covers an eligible previously awarded YHDP community, what impact did YHDP have on youth homelessness in the community and was that impact sustained? To receive full points, responses from eligible previously awarded YHDP communities must include quantitative data as well as a narrative on the impact. If your CoC has not received YHDP community designation, please write n/a.

Collaboration

Maximum Points: 20

HUD will award up to 20 points to applicants that can demonstrate strong current community-wide partnerships that are working to prevent and end youth homelessness. Applicants must:

1. Describe how the CoC works with Public Housing Agencies (PHAs) or other affordable housing providers in the CoC's jurisdiction. To receive full points, applicants must describe at least one initiative that targets PHA housing resources to youth (e.g. developing a Foster Youth to Independence program, targeting Emergency Housing Vouchers to youth, being a party to a Memorandum of Understanding (MOU) with a PHA and public child welfare agency for the Family Unification Program (FUP) and FUP-youth).

2. Describe how the CoC works with education providers in the community. To receive full points, this response should include a specific initiative or effort that the CoC and at least one educational partner (K-12 schools, local technical college or university) has collaborated with regarding youth and young adult homelessness.

3. Describe how your CoC engages Tribes, Tribal organizations, or other groups that support Indigenous youth regarding youth homelessness.

4. Describe how your CoC assesses and provides information about connections to health insurance coverage and available health services including sexually transmitted infections prevention and treatment; mental and physical health supports; and substance use disorder treatment.

5. How does the CoC work with each of the following institutions to ensure that participants in the programs are not released into homelessness?

- Child welfare (Foster Care)
- Justice system (juvenile and adult)
- Institutions of mental and physical health

6. Attach a letter of support for the application from the PCWA, consistent with the directions in IV.B.1, that indicates a commitment to participate in the creation of the CCP.

Youth Collaboration

Maximum Points: 20

HUD will award up to 20 points to applicants that demonstrate how voices of youth with lived experience of homelessness are a crucial component to addressing and ending youth homelessness. This rating factor focuses on the structure of the YAB and the vision the YAB has for utilizing YHDP funds.

In order to receive points under this rating factor, applicants must attach a communication of support for the application from the YAB. This communication may be in written, audio, or video format. Applicants may choose to supplement communications of support with written responses to the questions below in the application narrative. The communication and any responses to questions in the narrative response should be created by the YAB. Written submissions should be a maximum of 5 pages, double-spaced, 12 point font; audio or video communications should be no more than 10 minutes. See Section IV.B.1 for additional information on the required format. To receive maximum points the communication should include the following components:

1. What is the mission of the YAB.
2. How long has the YAB been in existence?
 - a. How many members does the YAB have?
 - b. How often does the YAB meet?
 - c. Is the YAB included in decision-making and leadership in the current youth homeless response system? How could the YAB's impact be increased?
3. What are the biggest challenges or barriers to sustaining a YAB?
4. What projects or interventions to address youth homelessness do you think are most needed in your community?
5. If selected as a YHDP community, how would you define success?

Data Evaluation and Capacity

Maximum Points: 15

Please note that this section has two different sets of rating factors depending on if the applicant is an eligible previously awarded YHDP community. Please only respond to the set of questions that apply to your application: HUD will award up to 15 points to applicants that can demonstrate the community is effectively using data and project performance to assess and improve its youth homelessness response system.

These questions are only for applications that are not from an eligible previously awarded YHDP community. The applicant must:

1. Indicate the percentage of all types of youth beds, excluding beds provided by victim service providers, that are covered in HMIS, regardless of funding source.
2. In addition to gathering youth data in HMIS, indicate whether the CoC gathers youth data from other sources (i.e., education, juvenile justice, child welfare). If the CoC does gather youth data from other sources, please describe the data collected, the system(s) the data are collected from and the system(s) in which the data are stored.
3. Demonstrate how the CoC has used data to develop a strategy to prevent and end youth homelessness. These data can be related to the composition of the local population of youth experiencing homelessness or the effectiveness of various interventions for serving homeless youth.
4. Describe how youth are currently brought into evaluation and quality improvement conversations in your community, either at the project or system level. This can include conversations about improving data collection or data elements.
5. If selected as a YHDP community, how would stakeholders define and measure success?

This rating factor is only for applications from an eligible previously awarded YHDP community. Eligible previously awarded YHDP communities must demonstrate positive outcomes from their current YHDP projects and describe ongoing project improvements:

1. Based on the most recent year of operation, what percentage of clients that exited YHDP projects:
 - a. Exited to a positive housing destination
 - b. Increased income
 - c. Had a positive school status
2. Describe the CoC's assessment, monitoring, and improvement process for current YHDP projects. To receive full points on this question, responses will discuss how this process relates to the community's previously approved Coordinated Community Plan (or updated plan to address youth homelessness in the community) and describes an active role for the YAB in planning and conducting the assessment, monitoring, and improvement process.
3. Describe the results of the most recent review of the YHDP implementation in your community including who was involved in the review, what data was used, key findings, and how these findings were used to improve the project. To receive full points on this question, communities must show input from multiple partners and a holistic review of the projects and the impact they are making on ending youth homelessness in the community.
4. What impact have YHDP projects had on dramatically reducing youth homelessness in your community? How does your community measure and track this progress?

Rural Bonus

Maximum Points: 10

The FY 2023 Consolidated Appropriations Act provides that HUD give a priority for communities with substantial rural populations in up to eight locations. In order to give priority to up to eight communities with substantial rural populations, HUD will award 10 bonus points to the eight highest ranking applications where the Collaborative Applicant indicates in the application that it is requesting participation as a rural community and the geographic area covered by the application meets the rural definition found in Section I.A. of this NOFO.

This program does not offer points for Section 3.

2. Other Factors

Policy Initiative Preference Points

This NOFO does not offer any preference points

You may voluntarily choose to address preference point policy initiatives in your application. Addressing these policy initiatives is not a requirement to apply for or receive an award. If you voluntarily choose to address a policy initiative in your application, you will be required to adhere to the information submitted with your application should you receive an award. The proposed information will be included as a binding requirement of any Federal award you receive as a term and condition of that award.

This NOFO does not offer preference points for Climate Change

This NOFO does not offer Environmental Justice preference points.

This NOFO does not offer HBCU preference points.

This NOFO does not offer preference points related to minority-serving institutions.

This NOFO does not offer Promise Zone preference points.

This program does not offer Rural Partners Network Community Networks preference points.

B. Review and Selection Process

1. Past Performance

In evaluating applications for funding, HUD will consider an applicant's past performance in managing funds. Items HUD will consider include, but are not limited to:

OMB-designated repositories of governmentwide data, as noted in [2 CFR 200.206\(a\)](#)

The ability to account for funds in compliance with applicable reporting and recordkeeping requirements

Timely use of funds received from HUD

Timely submission and quality of reports submitted to HUD

Meeting program requirements

The applicant's organizational capacity, including staffing structures and capabilities

Timely completion of activities and receipt and expenditure of promised matching or leveraged funds

HUD may reduce scores based on the past performance review, if specified under V.A. Rating Factors. Whenever possible, HUD will obtain and review past performance information. If this review results in an adverse finding related to integrity of performance, HUD reserves the right to take any of the remedies provided in the [Pre-Selection Review of Performance section of the Eligibility Requirements for Applicants of HUD Financial Assistance Programs](#).

2. Assessing Applicant Risk

In evaluating risks posed by applicants, HUD may use a risk-based approach and may consider any items such as the following:

- (1) Financial stability;
- (2) Quality of management systems and ability to meet the management standards prescribed in this part;
- (3) History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;
- (4) Reports and findings from audits performed under Subpart F—Audit Requirements of 2 CFR part 200 or the reports and findings of any other available audits; and
- (5) The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities.

If, because of past performance or applicant risk, that the applicant has not demonstrated that it has the capacity to develop a CCP or select effective YHDP projects, HUD reserves the right to select lower-scoring applications that do not have the same capacity concerns.

Integrity. HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD's files, the Federal Do Not Pay portal, public information and information received during HUD's Name Check Review process.

Review Process. HUD staff, who may be assisted by staff from other Federal agencies with experience related to youth experiencing homelessness, coordinated community approaches to preventing and ending youth homelessness, and/or evidence-based interventions, will review applications in two phases:

Phase 1: Threshold Eligibility Requirements. The application will be reviewed to determine whether it meets the threshold eligibility requirements in Section III.D of this NOFO. Applicants who fail to meet all of the threshold eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated.

Phase 2: Application Scoring. If the applicant meets all threshold requirements, the application will be reviewed and scored using the selection criteria outlined in Section V.A.1 of this NOFO.

After individual reviewers assign a score, each application will be paneled with an additional reviewer for a final score. Notwithstanding V.B.1, HUD will not adjust scores based on past performance review or take any remedies in response to adverse findings related to integrity of performance.

Selection Process

Ranked Order and Selection of Applicants. Once final scores have been assigned, applications will be listed in ranked order and applicants will be selected in ranked order, except as provided in Section III.F.a and V.B.2 where HUD reserves the right to select lower scoring community selection applications. The amount awarded to applications will be determined according to the formula described in Section II.C and the factors described in Section V.A.1 of this NOFO.

Funding Decisions. Funding decisions will be made on project applications as described in Appendix A. In determining the amount that will be available to a selected community, HUD will take into consideration the amount of funds available, and the final score assigned to the application.

VI. AWARD ADMINISTRATION INFORMATION

A. Award Notices

Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline but were not chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF-424.

1. Final Award

After HUD has made selections, HUD will finalize specific terms of the award and budget in consultation with the selected applicant. If HUD and the selected applicant do not finalize the terms and conditions of the award in a timely manner, or the selected applicant fails to provide requested information, an award will not be made to that applicant. In this case, HUD may select another eligible applicant. HUD may also impose specific conditions on an award as provided under [2 CFR 200.208](#).

2. Adjustments to Funding

To ensure fair distribution of funds and enable the purposes or requirements of a specific program to be met, HUD reserves the right to fund less than the amount requested in an application.

a. HUD may fund no portion of an application that:

- (1) Is ineligible for funding under applicable statutory or regulatory requirements;
- (2) Fails, in whole or in part, to meet the requirements of this notice;
- (3) Duplicates activities funded by other Federal awards; or
- (4) Duplicates activities funded in a prior year.

- b. HUD may adjust the funding for an application to ensure funding diversity, geographic diversity, and alignment with HUD administrative priorities.
- c. If an applicant turns down an award offer, or if HUD and an applicant do not finalize the terms and conditions of the award in a timely manner, HUD may withdraw the award offer and make an offer of funding to another eligible application.
- d. If funds remain after all selections have been made, remaining funds may be made available within the current FY for other competitions within the program area, may be held for future competitions (if allowable in accordance with the applicable appropriation or authorizing statute), or may be used as otherwise provided by authorizing statute or appropriation.
- e. If, after announcement of awards made under the current NOFO, additional funds become available either through the current appropriations, a supplemental appropriation, other appropriations or recapture of funds, HUD may, in accordance with the appropriation, use the additional funds to provide additional funding to an applicant awarded less than the requested amount of funds to make the full (or nearer to full) award, and/or to fund additional applicants that were eligible to receive an award but for which there were no funds available.

3. Funding Errors

If HUD commits an error that, when corrected, would cause selection of an applicant during the funding round of a Program NOFO, HUD may select that applicant for funding, subject to the availability of funds. If funding is not available to award in the current fiscal year, HUD may make an award to this applicant during the next fiscal year if funding is available.
