### Award Amount

The State of Alaska will receive \$4,983,462 in HOME-American Rescue Plan (ARP) funding. These funds are to be distributed in accordance with this Allocation Plan.

### Consultation

#### Consultation Process Summary:

AHFC requested consultation from thirteen organizations across the state. Consultation invitees were selected based on their organization’s specialty and their participation in existing programs that serve HOME-ARP qualified populations. AHFC provided these invitees a summary of the HOME-ARP materials. They were invited to attend a meeting to provide their recommendations via webex or to submit feedback in writing. Representatives from five of these organizations attended the consultation meeting. The online meeting facilitated a good discussion on general areas where the HOME-ARP funds may be effective. Specific recommendations for projects or programs were not received through the consultation process.

References to “rural Alaska” or “rural communities” are based on the State of Alaska’s definition of rural/small communities. “a community with a population of 6,500 or less that is not connected by road or rail to Anchorage or Fairbanks, or with a population of 1,600 or less that is connected by road or rail to Anchorage or Fairbanks and at least fifty (50) statute miles outside of Anchorage or twenty-five (25) statute miles outside of Fairbanks. In this definition, connected by road does not include a connection by the Alaska Marine Highway System.”

The following table is a summary of the organizations consulted and feedback received.

Agency/Org	Type of Agency/Org	Method of Consultation	Feedback
Nome Community Center	Nonprofit	Email Request	None
Association of Alaska Housing Authorities	Regional Housing Authority consolidation, fair housing organization	Email Request Online Meeting	<ul style="list-style-type: none"> <li>- Consider needs of off the road system communities.</li> <li>- Include Tribes and RHAs as eligible entities in plan.</li> <li>- AAHA members – many different innovative things in various regions. Don’t rush process and recommends to take time to strategize for different regions.</li> </ul>
Anchorage Coalition to End Homelessness	Local Government	Email Request	None
Providence Foundation	Health Care Provider	Email Request	None
Dept of Veterans Affairs	Federal Government	Email Request Online Meeting	None
Alaska Dept of Behavioral Health	State Government	Email Request	None
Alaska Mental Health Trust Authority	State Government	Email Request Online Meeting	Regional planning grants could be awarded and then award project grants after a regional planning process.

Cook Inlet Housing Authority	Regional Housing Authority	Email Request	None
Alaska Public Housing Authority	State Government, PHA, Fair Housing	Email Request Online Meeting	Use of funds may be coordinated with housing voucher programs.
Alaska Coalition on Housing and Homelessness	Nonprofit, fair housing, / CoC org.	Email Request Online Meeting	<ul style="list-style-type: none"> <li>- Equitable distribution of resources, particularly to rural areas.</li> <li>- Include overcrowded areas in need assessment even though HUD doesn't consider these as homeless population.</li> <li>- Supplement/Offset needs from SNHG grants.</li> <li>- Parallel funding... CoC pays for intervention...goal of this can help current underfunded projects. Look at opportunities identified by CoCs. Embed CoCs in decision-making process. CoCs are currently in a competitive funding process. These funds could help match CoC projects.</li> <li>- Rural communities take longer to apply for funds; give enough time for rural applicants to apply.</li> <li>- Prevent siloes - require referrals to go through CoCs coordinated entry process. Recommends a coordinated entry requirement for these funds.</li> </ul>
Alaska Human Rights Commission	State Government, Civil Rights	Email Request	None
Bethel Community Services Foundation	Nonprofit, Homeless & Domestic Violence	Email Request	None
Governor's Council on Disabilities and Special Education	State Government, Fair housing, Disabled advocacy	Email Request	None

### Public Participation

#### Public participation process summary:

The draft plan was published according to the State's public participation process. This includes publication of a notice in statewide newspapers, distribution of the notice over AHFC's email list serve with over 1,000 recipients, and publishing the plan to the AHFC website. All published notices direct recipients to view the plan on the website, [www.ahfc.us](http://www.ahfc.us), and provide a link.

**Public Comment Period.** The plan was published for comment on September 30, 2021. The public comment period ran from October 1, 2021 through October 15, 2021.

**Public Hearing.** AHFC hosted a public hearing on October 13, 2021 from 3:00 to 5:00 PM. Access to the hearing was online or by phone.

**Efforts to Broaden Outreach.**

AHFC shared the public notice in its social media accounts.

**Summary of comments and recommendations received through the public participation process.**

No public comment received.

**Summary of comment or recommendations not accepted by AHFC and reasoning why.**

No public comment received.

**Needs Assessment and Gap Analysis**

**Needs Assessment Summary Tables**

Homeless										
	Current Inventory				Homeless Population				Gap Analysis	
	Family		Adults Only	Vets	Family HH (at least 1 child)	Adult HH	Vets	Victims of DV	Family	Adults Only
	# of Beds	# of Units	# of Beds	# of Beds					# of Beds	# of Beds

**Size and demographic composition of qualifying populations in the Balance of State.**

The Homeless Assistance Program (HAP) funded homeless service providers across the state report serving 4,800 individuals in SFY2021 (July 1, 2020 – June 30, 2021). This is a very diverse population, both ethnically and geographically. 92% of these individuals were in non-rural communities. The balance of State 2021 point in time (PIT) count reported 66 households with at least one adult and one child. 47 of these households were in emergency

shelters and the remaining 19 were in transitional housing. The PIT reports 10 unaccompanied children, 7 in emergency shelters and 3 in transitional housing. Finally, the PIT reports 380 adults without children, 278 in emergency shelters and 102 in transitional housing. AHFC expects the 2021 PIT not to have captured many of the current homeless population. Because of Covid-19 considerations, only persons in shelters or transitional housing were counted. All those living outside would not have been included in the 2021 PIT. For this reason, we will rely more on the HAP service provider count for our gap analysis. HAP grantees report that 5513 individuals received services at their facilities in SFY 2021. Of these, 3593 were single adults and 1920 were members of families with minors. 807 reported domestic violence and 194 of those reported to be actively fleeing domestic violence. 366 clients report being U.S. military veterans. See Appendix 3 Data and Tables for greater detail.

### **Unmet housing and service needs of qualifying populations.**

- **Sheltered and unsheltered homeless populations** – Across the Balance of State there are never enough shelter beds for every unsheltered person, every night. For sheltered persons, there is a severe lack of supportive transitional or permanent supportive housing to help them transition away from homelessness, especially in rural communities.
- **Currently housed and at risk of homelessness** – Increasing housing costs continue to strain households at risk of homelessness. In parts of the Balance of State, vacancy rates have increased, and market rent rates are flat. This may ease the pressure in those areas. In rural communities, severe overcrowding and a total lack of quality housing options is the primary issue.
- **Households requiring services or housing assistance to prevent homelessness** – Access to rental assistance whether it be a voucher, subsidized rental, or affordable mortgage. Others may require short-term assistance due to an unexpected expense to get back on their feet. Access to accessible housing may be necessary to keep persons with disabilities safely housed.
- **Households at greatest risk of housing instability or in unstable housing situations.** – Overcrowded or rent overburdened households require safe, affordable housing options.

### **Resources currently available to assist qualifying populations**

- **Congregate and non-congregate shelter units** – There are currently 1447 year round shelter beds with an additional 54 seasonal beds across the Balance of State. Shelters are fairly well distributed with at least some shelter space in nearly all boroughs across the state.
- **Supportive services** – Many homeless service providers are active throughout the state. These providers have no lack of HOME-ARP qualifying clients requiring services. Funding and staffing shortfalls continue to be the limiting factor to providing the needed supportive services.
- **TBRA** – AHFC administers 5,601 Housing Choice Vouchers (HCV), 2,582 of which are in the balance of state. 18% of the HCVs are in rural communities. Several new sources of HCV or similar voucher funding may soon come online. Once active, these HCV/ housing voucher program will greatly expand its reach and effectiveness. There are currently 220 VASH vouchers available statewide through AHFC and its partners.
- **Affordable rental housing** – There are 3,159 subsidized rental units in the Balance of State with a recent vacancy rate of 9.6%. 17% of these units are in rural communities.
- **Permanent supportive housing (PSH)** – There are 159 PSH units in the Balance of State. All PSH units are fully utilized. None of these PSH units are in rural communities.
- **Victims of Domestic Violence (category 3)** – In the balance of State, there are 329 emergency shelter beds, 17 PSH beds, and 75 transitional housing beds dedicated to category 3 populations. These resources are distributed across 11 boroughs in the balance of state. 36.5% of all available year-round shelter beds are dedicated to category 3 populations who make up about 15% of the HAP population.

**Gaps within the current shelter and housing inventory and the service delivery system.**

Shelter space and capacity has recently increased in several key rural hub communities. These shelters remain insufficient to shelter the entire homeless populations in these areas. These communities are also experiencing a severe shortage of rental housing to the point of severe overcrowding in the existing housing. There is also zero transitional housing.

**Priority needs for qualified populations**

An assessment of available data show some level of need across all parts of the Balance of State. The gap in resources that could best be addressed with the limited HOME-ARP funds is PSH in rural communities. Our consultation process did not yield any specific needs nor any pending projects that require additional funding. HOME-ARP funds alone are insufficient to develop even a single meaningful PSH project on its own. AHFC will roll HOME-ARP funding into the current SFY 2022 Special Purpose Round of the Greater Opportunities for Affordable Living Program (GOAL). The special purposes of this round are to build new affordable rental housing in Rural Alaska, preserve existing affordable housing, and build new PSH. In this round, AHFC will be able to leverage the Low Income Housing Tax Credit, National Housing Trust Fund, HOME Investment Partnership funds, Senior Citizen Housing Development Fund, Neighborhood Stabilization Program funds, and Sponsor Based Rental Assistance vouchers with the HOME-ARP funding to maximize housing production.

In the spirit of the America Rescue Plan, AHFC will commit funding in a matter of months. Getting the highest risk Alaskans help they’ve needed for a long time. HOME-ARP funding will be made available to PSH projects in rural communities as part of the SFY 2022 Special Purpose GOAL round.

**How the level of need and gaps in shelter and housing inventory and service delivery systems are based on the data presented in this plan.**

The data show needs across the balance of state. Every community could use HOME-ARP funding to fill gaps in services and resources required by qualified populations. HOME-ARP funding is very limited. Therefore, funding should be directed to where HOME-ARP is the best resource and other available resources fall short. The data show communities such as Bethel and Nome have some service capacity, increasing qualifying populations, insufficient housing, and zero PSH.

**HOME-ARP Activities**

**Method for soliciting applications for funding and/or selecting developers, service providers, sub-recipients, and/or contractors and whether AHFC will administer eligible activities directly.**

AHFC’s HOME-ARP needs assessment determined the best use of funds is to build PSH in rural Alaska. In June 2021, AHFC announced a Special Purpose Round for the GOAL Program. The special purposes of this round are to build new affordable rental housing in Rural Alaska, preserve existing affordable housing, and build new PSH. Several PSH projects in rural communities submitted pre-applications. HOME-ARP is the perfect resource to supplement funding to construct these PSH projects and ensure financial viability throughout their period of performance. AHFC intends to include HOME-ARP funds as a resource in this GOAL round. HOME-ARP funds will be available for PSH proposals in rural communities. SFY 2022 GOAL application will be reviewed and awarded according to Appendix 4 – SFY 2022 Special Purpose GOAL Rating and Award Criteria.

**Use of HOME-ARP Funding**

	Funding Amount	Percent of the Grant	Statutory Limit
--	----------------	----------------------	-----------------

Development of Affordable Rental Housing (PSH)	\$4,485,116	90%	
Admin and Planning	\$498,346	10%	15%
Total HOME-ARP Allocation	\$4,983,462	100%	

**How the characteristics of the shelter and housing inventory, service delivery system, and the needs identified in the gap analysis provided a rationale for the plan to fund eligible activities.**

Review of the shelter, housing, service delivery resource data available, combined with institutional knowledge, provides insights into gaps in need. More services and resources for qualifying populations are needed in all communities in the Balance of State. HOME-ARP is a very limited resource. Other funding sources are coming online or are more easily used in non-rural communities. HOME-ARP is a powerful tool to expand housing opportunities in rural communities. The data show that some rural hub communities have some shelter and supportive service capacity but lack affordable housing and PSH. Integrating HOME-ARP into the SFY 2022 Special Purpose GOAL round is the only viable way to utilize the unique capabilities of these funds to produce PSH in multiple rural communities. This will provide meaningful services and stable housing to a critically underserved cohort of Alaska’s qualifying populations.

**HOME-ARP Production Goals**

**Number of affordable rental housing units for qualifying populations that the State will produce or support with its HOME-ARP allocation. How will this goal address the priority needs.**

AHFC expects to produce 40 HOME-ARP assisted permanent supportive housing projects in rural Alaska. This is only possible with the inclusion of Low Income Housing Tax Credit, National Housing Trust Fund, HOME Investment Partnership funds, Senior Citizen Housing Development Fund, Neighborhood Stabilization Program funds, and Sponsor Based Rental Assistance vouchers made available through the SFY 2022 Special Purpose GOAL Round. These funds will not be available to supplement HOME-ARP in the future. The State’s allocation of HOME-ARP is insufficient to fund a single PSH development in rural Alaska. The State’s priority need is permanent supportive housing in Rural Alaska. The production of these units directly addresses this need for the communities that are successful the current Special Purpose GOAL Round.

**Preferences**

The SFY 2022 Special Purpose GOAL Round provides three scoring incentives for projects that elect to set a preference in their tenant selection process and one scoring item that offsets disadvantages for certain senior housing projects. These scoring incentives may affect HOME-ARP eligible populations.

One point is available to projects that commit to giving a selection preference to households that meet the definition of “homeless”, as defined in the SFY 2022 Special Purpose GOAL NOFA. The GOAL homeless definition is slightly more restrictive than that of HOME-ARP.

Two points are available to projects that commit to giving a selection preference to households that contain a U.S. Military Veteran. The definition of veteran is consistent between the programs.

One point is available to projects that set up a written agreement to give priority to households on waiting lists for subsidized housing. This agreement is with the project's local AHFC Public Housing Office or regional housing authority. Limited geographic distribution of applicable subsidized housing and waiting list selection criteria may restrict access to HOME-ARP eligible populations.

Eight points are available for senior housing projects where no more than 20% of the total units are income restricted. It is possible that a HOME-ARP PSH project will be eligible for these points. In that situation, a preference would be established for senior households among the HOME-ARP eligible populations.

The State's assessment of need and gap analysis determined that all HOME-ARP eligible populations need supportive and/or transitional housing in most parts of the State. The SFY 2022 Special Purpose GOAL round pools eight different funding sources to address four separate housing priorities across the State of Alaska. The homeless and veteran preference scoring criteria are designed to increase housing opportunities for homeless households and veterans among the more generic affordable housing portfolio. The Public Housing Wait List criteria is intended to reduce those waiting lists by providing access to alternative affordable housing options. The Senior Housing Offset point reduce a scoring disadvantage of senior housing proposals without rent restricted units. HOME-ARP funding is available only to rural PSH projects that may serve any or all HOME-ARP eligible populations. A HOME-ARP applicant may choose to commit their project to giving a selection preference under one or more these scoring criteria. This selection preference does not deny the remaining HOME-ARP populations access to the facility but may reduce the availability of units.

The tenant selection preference scoring criteria does not deny access to HOME-ARP funded facilities to populations not included in these scoring criteria. The State will fund new construction of PSH in rural Alaska. HOME-ARP funding levels are insufficient to address additional gaps in services to eligible populations.

### **HOME-ARP Refinancing Guidelines**

The State does not intend to allow refinancing existing debt with HOME-ARP funds.

HOME-ARP Public Hearing Transcript

2:57 pm - 5:01 pm Wednesday, October 13, 2021 | (UTC-08:00) Alaska

Jason Kempthorne Andy Petroni Call-in User\_2

Andy Petroni 00:03:59.684 --> 00:04:09.314

Planner with last housing, finance corporation this is the public hearing as part of the public comment, period, or the home.

Andy Petroni 00:04:12.074 --> 00:04:32.594

Plan for the state of Alaska, uh, currently there are no attendees in the hearing. Um, but the meeting will remain open till 50 PM today to allow the public opportunity to comment by phone on the States out home.

Jason Kempthorne 00:20:18.804 --> 00:20:31.794

Hi there. Sorry I'm late.

Andy Petroni 00:20:36.594 --> 00:20:44.964

No worries, um, it's just been running open for whomever comes along and wants to, uh, provide comment on the, uh.

Andy Petroni 00:20:47.005 --> 00:20:48.085

Location plan.

Jason Kempthorne 00:20:48.115 --> 00:21:07.885

Okay, just Jason with loving and we were kind of interested in in the program, but I also know we probably don't qualify. We don't have a builder. We don't have a lot of the other stuff. I was just trying to learn a little bit more about the.

Jason Kempthorne 00:21:07.914 --> 00:21:15.204

Grams, so, if something ever came into the future for us, so.

Jason Kempthorne 00:21:17.905 --> 00:21:21.235

But I know we have a housing shortage here in Fairbanks.

Andy Petroni 00:21:27.865 --> 00:21:36.925

Maybe kind of a 1 off, uh, funding source since there's just kind of a special allocation of home funds through the American rescue plan.

Jason Kempthorne 00:21:37.255 --> 00:21:37.675

Yeah.

Andy Petroni 00:21:38.245 --> 00:21:44.455

Um, so, yeah, it has the specific goal of.

Andy Petroni 00:21:45.474 --> 00:22:05.664

Targeting those priority populations um, I don't think I got into the details of the program at all, but essentially, uh, uh, for, uh, homeless in those risk of homelessness. Um, sounds to be required to be used driving.

Andy Petroni 00:22:05.699 --> 00:22:16.674

To, uh, to allocate it quickly and and serve those priority populations through the existing, uh, goal round. But.

Jason Kempthorne 00:22:19.284 --> 00:22:26.844

Well, and we're currently doing, uh, as a processor with Chelsea for the rental.

Jason Kempthorne 00:22:26.934 --> 00:22:47.994

Assistance program, and hopefully, whenever the mortgage comes out, I think we're kind of standing in line to help process that as well. And then Jennifer smart and Chelsea are working on the stabilization Grant and and.

Jason Kempthorne 00:22:47.999 --> 00:23:08.874

They're kind of interested in helping out with that 1 as well but the goal programming home group program were kind of more along. The lines of my understanding is supplying or finding low income housing or building low income housing rehabbing it. Is that correct?

Andy Petroni 00:23:12.655 --> 00:23:29.575

The general, or the, the purpose of the goal program is to, um, build, um, affordable housing. We're doing a kind of a special purpose around this year. So it, uh, restricts some uses. So, those communities where.

Andy Petroni 00:23:30.299 --> 00:23:51.444

Not seeing as much need, so we restricted new construction of large projects. Mm. Hmm like Anchorage and Matt too. Um, but then our includes funding for, like, from support of housing places around the state. So that's kind of unique for this year. And this, uh.

Andy Petroni 00:23:53.604 --> 00:24:01.674

Slides in perfectly with that that mission, cause it offers, um, more flexible.

Andy Petroni 00:24:04.165 --> 00:24:21.685

Opportunities with compared to the regular home program, the unique capabilities to provide operating systems and things to to help make these a sort of housing projects viable for 1520 years.

Jason Kempthorne 00:24:22.975 --> 00:24:25.285

Yeah, is I know you know.

Jason Kempthorne 00:24:25.289 --> 00:24:46.434

1st year in Fairbanks is full and always kind of that capacity is there does Alaska housing have a so I should also say I'm currently the chair of the coalition of the homeless coalition up here. What is what is the hopes? What is the.

Jason Kempthorne 00:24:46.440 --> 00:25:06.955

The goal, what is the dream for? More housing in this area with filling up with the new 30 fives we're seeing a lot of a lot of our current rental market being sucked up by Air Force and army.

Jason Kempthorne 00:25:08.845 --> 00:25:24.745

And in doing, so they're displacing a lot of folks out of North Pole because the rents have increased because now you have a chain of command to go after when they all pay, which has displaced a lot of our low income folks to fair banks.

Jason Kempthorne 00:25:28.854 --> 00:25:35.904

That's something we're seeing here and I don't know what the the solution is other than our inventory continues to dwindle.

Andy Petroni 00:25:37.194 --> 00:25:44.844

Yeah, let's just kind of be on what the hearing is for and what I'm able to speak on.

Jason Kempthorne 00:25:44.874 --> 00:25:45.594

Okay.

Andy Petroni 00:25:46.164 --> 00:25:48.114

In my role is less housing, but.

Andy Petroni 00:25:49.375 --> 00:26:04.465

Uh, for developers, the, the goal program is available as a source to build new housing if that's the, if there's the well, and the developer to get that done in Fairbanks uh.

Jason Kempthorne 00:26:06.175 --> 00:26:06.415

It is it.

Andy Petroni 00:26:06.415 --> 00:26:06.985

There.

Jason Kempthorne 00:26:08.125 --> 00:26:09.625

Do you guys have any.

Jason Kempthorne 00:26:09.629 --> 00:26:11.124

For developers and fair banks.

Andy Petroni 00:26:14.664 --> 00:26:15.984

We have a preference.

Andy Petroni 00:26:18.535 --> 00:26:37.135

There's no list or black list or anything for for developers, but there hasn't been much new construction up there through the gold program in quite a few years seems a bit more activity. Um, recently more of the, the rehab side.

Andy Petroni 00:26:39.444 --> 00:26:41.154

That's been a while since we've seen a new 1.

Andy Petroni 00:26:43.585 --> 00:26:47.725

Folks started looking at it and they get the.

Andy Petroni 00:26:50.544 --> 00:26:54.144

Happy to see new construction deals up there for sure.

Andy Petroni 00:26:58.855 --> 00:27:01.945

So, not really offering a.

Andy Petroni 00:27:06.414 --> 00:27:07.014

Priorities.

Jason Kempthorne 00:27:07.014 --> 00:27:25.374

Sounds good. I just was, I was trying to figure out, you know, if it was something that I know there's a nonprofit partnership portion of it and was wondering if there was something in the works for this area, if loving could be involved with that or anything like that.

Jason Kempthorne 00:27:25.884 --> 00:27:30.804

You know, we're here willing if there is to help out on that side.

Andy Petroni 00:27:32.004 --> 00:27:45.264

Maybe, uh, instead of a meeting, some a different form, this isn't really the right stand voice on those. But, um, yeah, I'd be happy to take a meeting and we can talk.

Andy Petroni 00:27:46.584 --> 00:27:51.744

Possibilities for future and drop names, um, in the last public.

Andy Petroni 00:27:56.365 --> 00:27:59.875

Talk about who could who talked to up there.

Jason Kempthorne 00:28:00.805 --> 00:28:01.075

Yeah.

Andy Petroni 02:02:15.264 --> 02:02:17.724

5 o'clock uh, no.

Andy Petroni 02:02:20.934 --> 02:02:26.754

Into the hearing provide comment so I will go off the record.

## ASSURANCES - CONSTRUCTION PROGRAMS

OMB Number: 4040-0009  
Expiration Date: 02/28/2022

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

**NOTE:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant:, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-

## HOME-ARP CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the participating jurisdiction certifies that:

**Affirmatively Further Fair Housing** --The jurisdiction will affirmatively further fair housing pursuant to 24 CFR 5.151 and 5.152.

**Uniform Relocation Act and Anti-displacement and Relocation Plan** --It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It will comply with the acquisition and relocation requirements contained in the HOME-ARP Notice, including the revised one-for-one replacement requirements. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42, which incorporates the requirements of the HOME-ARP Notice. It will follow its residential anti-displacement and relocation assistance plan in connection with any activity assisted with funding under the HOME-ARP program.

**Anti-Lobbying** --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

# Alaska Demographics and Outcomes Report v2021.07.01

## Demographic Summary - All Clients

Report Dates: 7/1/2020 - 6/30/2021

Tab Information
Counts are based on each client's MOST RECENT SYSTEM TOUCH (enrollment OR service) to avoid duplication
Client counts may not total until ALL clients have a valid Date of Birth recorded - See Errors Tab for details
- 104 clients 'Missing DOB'
- 7 clients with 'Negative Age'
Heads of Household (HoH) counts may not be accurate until each household (group) has a single HoH identified - See Errors Tab for details
- 39 groups have 'NO HoH'

Data/Category	Description
Singles / Families	Single = An individual served alone, or all persons served in a group that does NOT contain a parent/minor child relationship Family = All persons served in a group that contains at least one Head of Household and at least one minor (under 18) that is the Head of Household's child
Leaver / Stayer	Leaver = Client exited during the report period (not enrolled on report end date) Stayer = Client still in program on report end date
Unacc Minors / Parenting Minors	Unaccompanied Minor <18 = A single individual under 18 that does not present with an adult (over 18), or multiple individuals under 18 that are not in a parent/child situation that present without an adult (18+) Parenting Minor <18 = An individual under 18 that presents with a child; both the parent and child are included in this count, and NOT included other columns
HoH	Client with a Relationship to Head of Household (HoH) = "Self (head of household)"
Svs / EE	Svs = Service transaction data EE = Entry Exit (Enrollment) data
