From our Federal Partners - HRSA Webinar: Opportunities to Apply for a Federal Job, February 8

The Health Resources and Services Administration (HRSA) will hold a virtual event focused on opportunities to apply for a federal job on **Wednesday, February 8, 3:00 – 4:00 PM ET**. The event will be available in both English and Spanish. HRSA and the HIV/AIDS Bureau are dedicated to recruiting and retaining a diversified workforce, especially one that is inclusive of people with lived experience.

To support this effort, HRSA's HIV/AIDS Bureau, in partnership with HRSA's Office of Human Resources (OHR) and Office of Civil Rights, Diversity, and Inclusion (OCRDI), invites members of the HIV community for an event that highlights how to apply for federal job opportunities and provides guidance on overcoming challenges applicants face when seeking federal employment. This webinar is open to organizations serving the needs of people with HIV, Ryan White HIV/AIDS Program (RWHAP) recipients and subrecipients, planning body/planning council members, national partner organizations, and people with lived experience.
