Save the Date: 2024 HOPWA Institute – October 21-23, 2024

The Office of HIV/AIDS Housing (OHH) is sponsoring an in-person Institute for Housing Opportunities for Persons With AIDS (HOPWA) funded grantees and project sponsors this year. The 2024 HOPWA Institute will be held October 21-23, 2024 in Washington, DC.

Costs to attend the 2024 HOPWA Institute can be billed to HOPWA awards. Additional information on use of HOPWA funds to attend the 2024 HOPWA Institute can be found in a memorandum here: https://www.hud.gov/sites/dfiles/CPD/documents/2024_HOPWA_Institute_Funds_Memo.pdf

HOPWA grantees should review their HOPWA budgets and reserve funds to attend this training. Grantees should ensure that funds are available to cover travel costs and staff time for those in attendance. HUD expects three team members from each grantee and three staff from each project sponsor agency that receives over \$250,000 per year to attend the three-day event.

The 2024 HOPWA Institute will be an opportunity to learn the most current HOPWA program information, as well as network with other HOPWA programs from across the country. Topics will include:

- Best practices for HOPWA housing and services including strategies to revamp existing programs to meet current needs
- Advancing equity in HOPWA funded activities
- Updated guidance on HOPWA eligible activities
- Administrative topics including financial management

Housing is an effective structural intervention in ending the HIV epidemic in the United States. Each year, HOPWA ensures housing stability for more than 100,000 American households that are low-income and living with HIV.
