Subject: From our Federal Partners: SAMHSA NOFO Announced

From our Federal Partners: Substance Abuse and Mental Health Services Administration (SAMHSA) Notice of Funding Opportunity (NOFO)

The Substance Abuse and Mental Health Services Administration (SAMHSA) recently announced a **Notice of Funding Opportunity (NOFO)** for the **Minority AIDS Initiative: Integrated Behavioral Health and HIV Care for Unsheltered Populations Pilot Program**. The program is intended to pilot a portable clinical care approach to underserved populations experiencing unsheltered homelessness by integrating behavioral health, HIV treatment and prevention services.

Applications are due on **July 8, 2024**. There is an anticipated award funding of up to \$650,000 available for states and territories. For more information on the NOFO and applying, please click [here](#).

From program and eligibility questions, please contact TCE-HIV@samhsa.hhs.gov .

--

SAMHSA, established in 1992, is an agency within the U.S. Department of Health and Human Services that leads the public health efforts to advance the behavioral health of the nation. They work to make substance use and mental disorder information, services, and research more accessible. To learn more, visit www.samhsa.gov.

Housing is an effective structural intervention in ending the HIV epidemic in the United States. Each year, HOPWA ensures housing stability for more than 100,000 American households that are low-income and living with HIV.
