

Certification of No Changes for Post-Endorsement Docket Submissions

To: Secretary of Housing and Urban Development (“HUD”)	Project Name: _____
	FHA Project Number: _____

The undersigned* submitted, or caused to be submitted, fully executed documents to HUD for the purpose of inducing the endorsement of a mortgage note and loan for insurance under the National Housing Act (12 U.S.C. § 1701 *et seq.*) for the above captioned project (the “Project”). Such documents were reviewed by HUD and found legally sufficient and programmatically acceptable as evidenced by the release of the endorsed mortgage note on _____, 20____ (the “FHA Note”). Following an FHA Note’s endorsement, the governing mortgage insurance terms, conditions, and policies require the submission of a complete set of the final, fully executed documents in electronic form for upload and storage in a HUD information technology system. In compliance with this requirement, the undersigned certifies as follows:

To the best of the undersigned’s knowledge, each of the fully executed documents transmitted with this certification reflect the version as finally approved and relied upon by HUD for purposes of releasing the FHA Note. This representation also expressly covers all schedules, attachments, or other exhibits incorporated by or included with the fully executed documents as a condition to loan closing and endorsement.

In providing this certification, the undersigned agrees and acknowledges that any change whatsoever to a document following the FHA Note’s release is considered material and must be disclosed and approved by HUD. Stamps and similar markings added by a governmental land records office for recording purposes are not considered document changes for this purpose.

These certifications have been made, presented, and delivered for the purpose of influencing an official action of HUD in insuring the loan, and may be relied upon by HUD as a true statement of the facts contained therein.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true, correct, and accurate. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§ 287, 1001, 1010, 1012, 1014; 31 U.S.C. §§ 3729, 3802).
