ORDER GRANTING MOTION TO DISMISS
ORDER CLOSING CASE

The Notice of Administrative Action ("Notice") in this matter was issued on January 27, 2010. A Notice of Hearing and Order was issued by Administrative Law Judge Fernández on February 5, 2010, that established various discovery deadlines and scheduled a hearing for March 3, 2010. In an Order Granting Stay entered February 22, 2010, all deadlines and the hearing date were vacated and the hearing was reset for April 12, 2010. This matter was referred to the undersigned on March 11, 2010 by Order of the Chief Administrative Law Judge.¹ By Order entered by the undersigned on March 23, 2010, the hearing was postponed, and on April 15, 2010, an Order Extending Stay of Proceedings was granted.

On May 14, 2010, Counsel for the Government submitted a Motion to Dismiss, which was accompanied by a fully executed Settlement Agreement signed by both parties. This Settlement Agreement resolves all issues raised in the Notice. Accordingly, the Motion is **GRANTED** and the matter is dismissed.

¹ The Administrative Law Judges of the U. S. Environmental Protection Agency are authorized to hear cases pending before the U.S. Department of Housing and Urban Development pursuant to an Interagency Agreement effective for a period beginning March 4, 2010.

All deadlines and hearings established by previous Orders are hereby vacated and the case is now **CLOSED**.
