ORDER GRANTING MOTION TO DISMISS

On August 30, 2022, the request for hearing in this matter was received by the Court and on August 31, 2022, the Court issued its first *Notice of Hearing and Order* setting the hearing date for December 12, 2022. On September 20, 2022, a *Second Notice of Hearing and Order* was issued after Respondent sought, and was granted, an extension of time for the hearing and attendant deadlines due to his counsel having a scheduling conflict, thus rescheduling the hearing to begin January 30, 2023. A *Third Notice of Hearing and Order* was issued on January 11, 2023, after Respondent sought, and was granted, a second extension of time for the hearing and unelapsed prehearing deadlines due to Respondent having a medical issue, and also due to the Parties continuing to engage in settlement discussions. The hearing was rescheduled to begin on February 13, 2023.

On January 20, 2023, HUD filed a *Motion to Dismiss Based on Settlement*, asking that the case be dismissed based upon the Parties' settlement of the matter.

For good cause, the *Motion to Dismiss Based on Settlement* is **GRANTED**, and this matter is **DISMISSED**.

So **ORDERED**,
