**AUTHORIZED HOME EQUITY REVERSE MORTGAGE INFORMATION TECHNOLOGY  
SFTP Server - P271 HERMIT Applicant Access Request (FHA Staff & Contractor)**

**RULES OF BEHAVIOR (ROB) Section IV**

ACKNOWLEDGMENT OF RULES OF BEHAVIOR FOR SYSTEM USE  
**RULES OF BEHAVIOR For P271 Home Equity Reverse Mortgage Information Technology (HERMIT)**

The U.S. Department of Housing and Urban Development may grant limited system access to employees, contractors, clients/customers, and program participants who have a need to utilize the Department's automated information resources. Access to the Department's Information Technology resources is for official use only. As a condition of receiving access, you are required to be aware of the Department's system security policies and to abide by these policies. The purpose of these policies is to safeguard the Department's valuable information resources.

The system user identification (USERID) and password issued to you are to be used solely in connection with the performance of your responsibilities in support of the HUD mission and may not be used for personal or private gain. You agree to be responsible for the confidentiality of the assigned information and accountable for all activity with your user identification (USERID). Further, you agree that you will not provide this confidential USERID/password to another user upon leaving the employment of the Department and/or FHA Business Partner. Additional rules of the system follows:

- Log-off the system when leaving the system/workstation area.
  - Personal Identity Verification (PIV) cards must be removed when the computer workstation is not in use.
  - Refrain from leaving written passwords, Personal Identification Numbers (PINs), and/or other login credentials in the workstation or openly visible area.
  - Avoid creating a personal password that can be easily associated with you.
  - Ensure Personally Identifiable Information (PII) or Sensitive output or electronic format is secured (locked) in work area.
  - Avoid leaving system output reports unattended or unsecured.
  - Avoid posting printouts of PII or sensitive output data on bulletin boards.
  - Control input documents by returning them to files or forwarding them to the appropriate contact person in your office.
  - Avoid violation of the Privacy Act which requires confidentiality of personal data contained in government and contractor data files.
  - Report security violations immediately to the HUD Information Technology Services (HITS) National Helpdesk at 1-888-297-8689
  - Cooperate in providing personal background information to be used in conducting security background checks required by Federal regulations.
  - Respond to any requests for information from either the Government Technical Representative, HUD Headquarters, or management officials regarding system security practices.
  - Review the HUD website "Information Security Guide," found under the Office of Information Technology (OIT). (Note: Applicable only to Part II).
  - Avoid transporting PII outside of your workplace.
- Actions violating any of these rules will result in immediate termination of your assigned USERID/password from the system and constitutes a violation of Title 18, United States Code, Section 1030, and state criminal and civil laws.
