If an assisted family moves out of a contract unit, the Owner may keep the housing assistance payment for the month when the family moves out.

During the contract term, the Owner shall lease all of the contract units to eligible families. Eligibility shall be determined in accordance with HUD requirements.

c. Vacancy payment

- (1) The Owner shall receive housing assistance payments for so much of the month in which the family moves out of a contract unit as the contract unit remains vacant.

- (2) If the unit remains vacant, the Owner may receive a housing assistance payment in the amount of 80 percent of the contract rent for a vacancy period not to exceed an additional month after the month when the family moves out. However, if the Owner collects any of the tenant rent for this month, the payment for the vacancy period must be reduced to an amount which, when added to the family's payments, does not exceed 80 percent of the contract rent.

 - (a) Immediately upon learning of the vacancy, has notified the CA of the vacancy, or prospective vacancy, and the reason for the vacancy;

The amount of reimbursement will be calculated in accordance with HUD regulations and administrative procedures.

- (2) The monthly housing assistance payment to the Owner for a contract unit is equal to the amount by which the contract rent exceeds the tenant rent.

- (3) Payment of the tenant rent is the responsibility of the family. The CA is not responsible for paying any part of the tenant rent, or for paying any other claim by the Owner against a family, except with respect to vacancy and similar payments made under Section 4.c. The CA is only responsible for making housing assistance payments to the Owner on behalf of a family in accordance with the HAP Contract.
- (4) The Owner will be paid the housing assistance payment under the HAP Contract on or about the first day of the month for which payment is due, unless the Owner and the CA agree on a later date.

b. Contract Rent Adjustments

During the term of the HAP Contract the Contract Administrator shall annually, on the anniversary date of the HAP Contract, adjust the amounts of the monthly contract rents in accordance with HUD requirements by using an OCAF.

Should the Project anytime during the term of the Renewal Contract receive other government assistance, including but not limited to any loan, grant, credit, tax benefit, or any other form of direct or indirect assistance such as tax credits under Federal, State or local law, the Owner shall provide HUD with written notice, no more than 30 days following receipt of notification from the governmental authority issuing the assistance that such assistance has been or will be awarded. The written notice will identify the type and amount of the assistance awarded, the government entity providing such assistance, and the date of the award. HUD will review the underwriting projections resulting from the receipt of other government assistance, and if HUD determines that Project operating expenses, debt service, and/or required replacement reserve contributions will decrease as a result of the Project's receipt of other government assistance, HUD may adjust the contract rents downward to the greatest of the following:

- Actual market rents as noted above, adjusted upwards using the appropriate OCAF adjustment factor, compounded annually from the origination date of the renewal contract, per HUD guidelines;
- Revised exception rent after applying the other government assistance, which is determined to decrease operating expenses, debt service, and/or required replacement reserve contribution; and
- Market rents that reflect improvements to the Project (as improved rents) resulting from the application of the additional government assistance, not to exceed the contract rent then in effect. The owner must submit to HUD a rent comparability study (RCS) prepared (at the owner's expense) in accordance with HUD requirements. HUD will have sole discretion to review and adjust the rents provided in the RCS to eliminate upward adjustments attributable to improvements that exceed the M2M Program's non-luxury standard. The rent comparability study must be submitted to

HUD along with the notification of the award of the other governmental assistance.

If the additional government assistance is provided in conjunction with a transaction requiring prior HUD approval, such as, an assumption/subordination of Mark-to-Market debt, a TPA, or the approval of a new FHA insured first mortgage, the owner must notify the HUD official approving that transaction of the requirements of this Section. No additional notification of HUD or the Section 8 Contract Administrator staff will be required.

If new secured debt and/or tax credit equity is involved, the owner shall submit pro-forma estimates of the operating expenses, debt service, and replacement reserves that will be required after the application of the additional government assistance. These estimates will be reviewed by HUD in its process of determining a possible contract rent adjustment.

- (d) Notice of rent adjustment by the Contract Administrator to the Owner shall automatically constitute an amendment of the HAP Contract.
- (3) No other adjustments
Except for contract rent adjustments in accordance with this section, there shall not be any other adjustments of the contract rents during the term of the HAP Contract. Special adjustments shall not be granted.

c. Owner compliance with HAP Contract

The CA shall not approve, and the Owner shall not receive, any increase of contract rent for any contract unit which does not comply with the PCS, and/or where the Owner has not complied with the terms of the assisted lease.

b. CA inspection

The CA may inspect the contract units and the Project annually, and any time the CA deems necessary to assure that the contract units and Project are in accordance with the PCS, and that the Owner is providing the maintenance, utilities, and other services in accordance with the leases and the HAP Contract. The CA shall give the Owner reasonable notice of any and all such inspections.

c. Violation of PCS

- (1) If the CA determines that a contract unit is not in accordance with the PCS, the CA may exercise any of its remedies under the HAP Contract. Such remedies include termination, and suspension or reduction of housing assistance payments. The CA may exercise any such contractual remedy respecting a contract unit even if the family continues to occupy the unit.
- (2) The CA shall not make any housing assistance payment for a dwelling unit that fails to meet the PCS, unless the Owner corrects the defect within the period specified by the CA and the CA verifies the correction. If a defect is life threatening, the Owner must correct the defect within no more than 24 hours. For other defects, the Owner must correct the defect within no more than 30 calendar days (or any CA-approved extension).

- (3) The Owner may not demand or accept any rent payment from the tenant in excess of the tenant rent. The Owner must immediately return any excess rent payment to the tenant.
- (4) The family is not responsible for payment of the portion of the contract rent covered by the housing assistance payment under the HAP Contract. The Owner may not terminate the tenancy of an assisted family for nonpayment of the housing assistance payment where such nonpayment is the result of failure by the Owner to fulfill its obligations under the HAP Contract.

d. Other Owner charges

The Owner may not charge the tenant or family members extra amounts for items set forth in Exhibit B.

e. Security deposit

- (1) The Owner may collect a security deposit from the family.

The Owner must give the family a written list of all items charged against the security deposit and the amount of each item.

After deducting the amount used as reimbursement to the Owner, the Owner must promptly refund the full amount of the balance to the family.

- (4) If the security deposit is not sufficient to cover amounts the family owes under the lease, the Owner may seek to collect the balance from the tenant.

13. Overcrowded and Underoccupied Units

If a contract unit is not decent, safe and sanitary because of an increase in the family size which causes the unit to be overcrowded, or a contract unit is larger than appropriate for the size of the family in occupancy, the Owner must offer the family a suitable unit as soon as one becomes vacant and ready for occupancy, and the Owner must require the family to move.

14. Prohibition of Discrimination

- a. The Owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing of a contract unit, because of race, color, creed, religion, sex (including sexual orientation and gender identity), national origin, disability or familial status (i.e., because the family includes children).

If the Owner fails for a continuous period of six months to have at least 90 percent of the assisted units leased or available for leasing to eligible families, the contract administrator may, on thirty calendar days notice to the Owner, reduce the number of contract units to not less than the number of units actually under lease to eligible families at the day of such notice, plus 10 percent (rounded up).

b. CA remedies

- (1) If the CA determines that a breach has occurred, the CA may exercise any of its rights or remedies under the HAP Contract.
- (2) The CA must notify the Owner in writing of such determination. The notice by the CA to the Owner may require the Owner to take corrective action (as verified by the CA) by a time prescribed in the notice.
- (3) The CA's rights and remedies under the HAP Contract include recovery of overpayments, termination or reduction of housing assistance payments, and termination of the HAP Contract.

c. CA remedy is not waived

The CA's exercise or non-exercise of any remedy for Owner breach of the HAP Contract is not a waiver of the right to exercise that remedy or any other right or remedy at any time.

17. Owner Duty to Provide Information and Access Required by HUD or CA

a. Required information

The Owner must prepare and furnish any information pertinent to the HAP Contract as may reasonably be required from time to time by the CA or HUD. The Owner shall furnish such information in the form and manner required by the CA or HUD.

c. Exclusion of third-party claims

Nothing in the HAP Contract shall be construed as creating any right of a family or other third party (other than HUD) to enforce any provision of the HAP Contract, or to assert any claim against HUD, the CA or the Owner under the HAP Contract.

d. Owner's claims against HUD

If the contract administrator is a PHA acting as contract administrator pursuant to an annual contributions contract ("ACC") between the PHA and HUD, the contract administrator is not the agent of HUD and the HAP Contract does not create any relationship between HUD and any suppliers, employees, contractors or subcontractors used by the contract administrator to carry out functions or responsibilities in connection with contract administration under the ACC.
