

## OFFICE OF PUBLIC & INDIAN HOUSING

November 2, 2022

Dear Executive Director,

I am pleased to announce that HUD is hosting “NSPIRE Get Ready” sessions in 14 cities across the country. I encourage you and your staff to attend one of the sessions at a location near you.

[Register for an NSPRE Get Ready session near you.](#)

The NSPIRE Get Ready session is designed for all Real Estate Assessment Center (REAC) stakeholders, including residents, industry groups, inspectors, and HUD field staff to come and learn more about NSPIRE and prepare for its implementation.

At this interactive event, you will hear the latest NSPIRE updates, learn about upcoming changes to the inspection process, and participate in an open dialogue with subject matter experts. Key topics include: an overview of NSPIRE policies, standards, scoring, and key enhancements; IT systems; inspection protocol concepts; and information on the development and rollout plans for the new inspection model.

We are on the cusp of launching NSPIRE, and we want to ensure you have the support you need to transition to these new inspection standards that prioritize health and safety for residents. I hope your schedule allows you to attend one of the NSPIRE Get Ready sessions near you.

Thank you for your partnership. Together, we will ensure a smooth transition to NSPIRE.

Many thanks,

A handwritten signature in black ink, appearing to read "Dominique Blom".
