NSPIRE for Vouchers Office Hours – Approach and Schedule

- **Goal** - Help ready HUD's Voucher portfolio and its stakeholders to be fully "NSPIRE-d" by 10/1/2025.
- **Approach** - Provide a series of general and targeted topic "office hours" to enable live dialogue with PHAs and other stakeholders to address NSPIRE-V implementation questions. We will also host a series of general and subject targeted webinars.
- **Schedule** - CY2024 schedule below. CY2025 office hours and webinar sessions/calendar still being defined.

Webinar and Office Hours for CY 2024

NSPIRE for Vouchers Office Hours – How Office Hours Works

- NSPIRE-V Office Hours General Sessions will create a space for Voucher programs preparing for a 10/1/2025 compliance deadline to have their questions and concerns answered by HUD Subject Matter Experts (SMEs).
- NSPIRE-V Office Hours Specific Topic Sessions will have a Standards SME presenting on a specific Standard(s) along with Policy and Program area SMEs to discuss how these Standards should be considered in your Voucher programs.
- Each session will begin with welcoming remarks, then an introduction to SMEs in the session who are online to field your questions.
- HUD will have the chat box open for questions, or you can raise your hand to have your microphone turned on by the moderator.
