

CHAPTER 12. OIS COMMUNICATIONS

- 12-1. POLICY STATEMENT. All microcomputer-to-mainframe communications will be done through the HUD Teleprocessing Network, HTN II.
- 12-2. TELEPHONE LINES. Telephone lines for microcomputer-to-mainframe communications are funded by IPS. Users requiring telephone lines for communications must ensure that IPS is notified in writing of this need. IPS will coordinate with OAMS for installation of the lines.
