8.0 IPA Review Process

8.0 IPA REVIEW PROCESS

To view and verify a PHA's financial data via the Internet using FASS-PH, an Independent Public Accountant (IPA), or auditor, must:

- Have a HUD user ID ("M" or "I" ID)
- Have a UII #
- Be assigned a PHA Verifier role (FASS-PH Verifier)
- Be assigned to the PHA

Although the auditor is responsible for registering for their user ID, they must contact the coordinator for the PHA they represent to receive the user ID and system PHA access rights. An auditor is considered an authorized user when they have received their user ID from the PHA's coordinator.

You only register once for a HUD user ID. If you represent more than one PHA, simply provide your existing user ID to the coordinator for every additional PHA. Each coordinator will, in turn, assign the necessary access rights for their PHA to that user ID.

Note

Modifications to the Attestation Screens were made to implement component unit options in FASS-PH Release 7.0.0.0. There are a total of 8 Attestation Screens:

- ▲ A-133 / Same Financial Statement Auditor / Non Component Unit
- ▲ Non A-133 / Same Financial Statement Auditor / Non Component Unit
- ▲ A-133 / Same Financial Statement Auditor / Component Unit
- ▲ Non A-133 / Same Financial Statement Auditor / Component Unit
- ▲ A-133 / Different Financial Statement Auditor / Non Component Unit
- ▲ Non A-133 / Different Financial Statement Auditor / Non Component Unit
- ▲ A-133 / Different Financial Statement Auditor / Component Unit
- ▲ Non A-133 / Different Financial Statement Auditor / Component Unit

Please refer to [Guidelines on Reporting and Attestation Requirements of Uniform Financial Reporting Standards \(UFRS\) – May 2002](#) via FASS-PH Products website for further details on the updates to the Attestations Screens.

Independent Accountant's Report on Applying Agreed-Upon Procedure

We have performed the procedure described in the second paragraph, which was agreed to by []¹ (the Housing Authority) and the U.S. Department of Housing and Urban Development, Real Estate Assessment Center (REAC), solely to assist them in determining whether the electronic submission of certain information agrees with related hard copy documents. The Housing Authority is responsible for the accuracy and completeness of the electronic submission. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedure is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

We compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The results of the performance of our agreed-upon procedure indicate agreement or non-agreement of electronically submitted information and hard copy documents as shown in the chart below.

The Housing Authority is a []² of the []³ (the Reporting Entity). We were engaged to perform an audit in accordance with OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, for the Reporting Entity as of and for the year ended [], and have issued our reports thereon dated []. The information in the "Hard Copy Documents" column was included within the scope, or was a by-product, of that audit. Further, our opinion on the fair presentation of the Housing Authority's Financial Data Schedule (FDS) dated [], was expressed in relation to the basic financial statements of the Reporting Entity taken as a whole.

A copy of the reporting package required by OMB Circular A-133, which includes the auditor's reports, is available in its entirety from the []⁴. We have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further, we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, REAC.

This report is intended solely for the information and use of the Housing Authority and the U.S. Department of Housing and Urban Development, REAC, and is not intended to be and should not be used by anyone other than these specified parties.
